

Attention Hunters

Due to Covid-19 the check in and out procedure has changed. We are trying to keep the staff and everyone else safe. This year it will be as much as possible **“HANDS OFF”**

CHECK-IN:

***Please and stay in your vehicle and tune into radio station 107.1 FM** (Spanish channel that each check station will take over when calling reservations and lottery)

***Once your number is called, you and your party will come up to the window and be issued your permit and hunt assignment.**

*** Have your reservation letter unfolded along with your hunting license, stamps and passes.**

***Reservation letter and 1-day or 2-day passes drop in the box**

***Please hold your license and stamps up to the window so check station staff can verify it.**

****Hunters you are responsible to SCAN your hunting license.**

***Once your hunting license is scanned, Check Station will scan your yellow permit and issues your hunt assignment.**

There will be a barcode on the permit which will be linked to your hunting license.

Attention Hunters

CHECK- OUT

***HUNTERS PLEASE BRING YOUR BIRDS TO THE WINDOW OR TABLE OUTSIDE SO WE CAN VERIFY YOUR BIRDS.**

*** PLEASE FILL YOUR YELLOW PERMIT OUT WITH THE NUMBER OF BIRDS TAKEN.**

***IF YOU ARE UNSURE ABOUT WHAT YOU KILLED CHECK STATION STAFF WILL ASSIST YOU.**

***PLEASE DROP YOUR YELLOW PERMIT INTO THE DROP BOX.**

Please be patient with Check Station Staff as we are doing our best with the changes as well.

Thank you
