NOTICE OF PROPOSAL FOR A 90 DAY EXTENSION OF EMERGENCY ACTION

Emergency Purple Sea Urchin

Reference OAL File # 2020-0309-02E

Pursuant to the requirements of Government Code Section 11346.1(a)(1), the Fish and Game Commission (Commission) is providing notice of proposed emergency action with regard to the above-entitled emergency regulation.

SUBMISSION OF COMMENTS

Government Code Section 11346.1(a)(2) requires that, at least five working days prior to submission of the proposed emergency action to the Office of Administrative Law (OAL), the adopting agency provide a Notice of the Proposed Emergency Action to every person who has filed a request for notice of regulatory action with the agency. After submission of the proposed emergency to OAL, OAL shall allow interested persons five calendar days to submit comments on the proposed emergency regulations as set forth in Government Code Section 11349.6.

Any interested person may present statements, arguments or contentions, in writing, submitted via U.S. mail or e-mail, relevant to the proposed emergency regulatory action. Written comments submitted via U.S. mail or e-mail must be received at OAL within five days after the Commission submits the emergency regulations to OAL for review.

Note that this extension of emergency action was authorized by the Commission at its August 19-20, 2020 meeting. The emergency action was extended automatically by 120 days via governor executive orders and is in effect through January 9, 2021. The

Commission requires additional time to complete the certificate of compliance rulemaking and therefore submits this additional 90-day extension at this time.

For the status of the Commission's submittal to OAL for review, and the end of the five-day written submittal period, please consult OAL's website at <http://www.oal.ca.gov> under the heading "Emergency Regulations."
