## Public Meeting Announcement Cutting the Green Tape Restoration Permitting Workshop

The California Department of Fish and Wildlife (CDFW) will conduct a restoration permitting workshop to support Cutting the Green Tape. CDFW permitting specialists will provide an informative overview of existing and new restoration permitting options and case studies to support future restoration projects, including those proposed for funding under the Summer 2021 Grant Solicitation.

### When:

Tuesday, March 2, 2021, from 1:00 p.m. to 5:00 p.m., via webinar (see details and instructions below)

### Workshop Topic Agenda:

- I. Background on CDFW's Restoration Permitting Initiative
- II. CDFW's Project-Specific Restoration Permitting Options:
  - I. Habitat Restoration and Enhancement Act (HREA)
  - II. Restoration Management Permit (RMP)
  - III. Other Permitting Tools
  - IV. CEQA for Project-Specific Restoration Permitting
  - V. Question and Answer on Restoration Permitting
- III. Case Studies for Restoration Permitting:
  - I. Small Project: HREA
  - II. Large Project: RMP
  - III. Project-Specific Consistency Determination (CD) on a Programmatic Biological Opinion
- IV. Landscape Conservation Planning (LCP)
  - I. Natural Community Conservation Plans
  - II. Regional Conservation Investment Strategies
  - III. Question and Answer on LCP

This workshop is the second of two focused on restoration granting and permitting under Cutting the Green Tape. The first workshop will focus on granting and CDFW's planned Summer 2021 Grant Solicitation. [Agenda and Meeting Details](#)
