

Coyotes in the Urban Environment, Workshop #2

May 28, 2021, 9:00 a.m.

Instructions for Participating in the Workshop

The California Fish and Game Commission and California Department of Fish and Wildlife are conducting this workshop by webinar to avoid a public gathering and to protect public health during the COVID-19 pandemic, consistent with Executive Order N-33-20. This document provides guidance for how to participate in the meeting.

How to Join

Please note: When you join using any of the following options, you will be muted automatically. Your video will not be displayed.

For all options, you must register prior to the workshop by completing the form at https://us02web.zoom.us/webinar/register/WN_FMIC8m6YTzWXnEZxBD4vFg. You must provide a valid email address to receive a link to join the meeting. Pre-meeting materials will be sent to the email address you provide.

Option 1: Zoom with Computer Audio

We highly encourage you to join the workshop on your computer via the link sent to you by email, and to use your computer audio to participate. You can participate by launching Zoom in your Internet browser or downloading the Zoom app on your computer.

You may visit <https://zoom.us> for information on Zoom and to download the software.

Option 2: Zoom via Mobile App

Join using the Zoom app on your mobile device (phone or tablet). After you download the app, open the email you received on your phone or tablet and click the link.

Click [here](#) for more details about using Zoom on mobile devices.

Option 3: Telephone Only

If you can only join by phone, please contact Cynthia McKeith at Cynthia.McKeith@fgc.ca.gov or (916) 653-4899 prior to the meeting. Note that if you join by phone only, you will not be able to view the presentations.

Option 4: Zoom with Phone Audio (*This is not a preferred option for joining as there is the potential to create feedback*)

If you plan to join via computer and use your telephone for audio, join using Zoom on your computer first, using the links in Option 1. For audio, use the “Call Me At” feature in Zoom and enter your phone number to have Zoom call you.

Viewing Presentations

If you join via Zoom on your computer or mobile device app (Options 1, 2, and 4) the presentations will be displayed. If you join via telephone only (Option 3), you will not be able to view the presentations.

Technical Assistance

For help in joining Zoom meetings, click <https://support.zoom.us/hc/en-us/articles/201362193-Joining-a-Meeting>. If you need additional technical assistance, please contact Randy Shoup at Randy.Shoup@wildlife.ca.gov.

Making Public Comment

If you join via Zoom on your computer or mobile phone app (Options 1, 2, and 4) use the “raise hand” feature in Zoom to indicate that you would like to make a public comment. If you join via teleconference only (Option 3), press “*9” to virtually raise your hand to indicate you would like to make a public comment; if you press *9 again, you will *lower* your hand.

Please note: When the moderator unmutes you to make public comment, you may need to unmute yourself as well.
