**GAVIN NEWSOM, Governor**  
**CHARLTON H. BONHAM, Director**

Congratulations! You have been selected for the Spring Chimineas wild pig hunt. This hunt may be cancelled or rescheduled if roads become unsafe due to rain.

**This hunt will be on a portion of the North Chimineas Unit.** The check station is located off Soda Lake Road on the Carrizo Plains and accessed from Highway 58. Please see the attached map and directions included with this letter. You will need to register and get a free permit each morning prior to your hunt. You will also need to check out at the end of each day. Water and toilet facilities are not available.

The terrain is highly variable with rolling hills and steep canyons. The access roads are all dirt and while a 4-wheel drive vehicle is not necessary, a vehicle with good clearance is highly recommended. You can review the hunt area by checking out interactive map website at:

<http://www.dfg.ca.gov/lands/viewer/index.html> .

The ecological reserve is located in southeastern San Luis Obispo County. There is no camping on the North Chimineas Unit. However, camping is available on the Carrizo Plain National Monument and the Los Padres National Forest. **The nearest gas station is approximately 50 miles away in either Atascadero (west at Highway 101) or Buttonwillow (east at Interstate 5) so make sure to fill your tank prior to getting out to the hunt. You may only hunt dove, wild pigs, and rabbits during this hunt. Hunting for all other species is prohibited on the ecological reserve.**

**As of July 1, 2019, regulations prohibit the use of lead ammunition for hunting big game within the range of the California condor, which includes the Chimineas Unit. Therefore, the use of lead free ammunition for hunting pigs is required during this hunt.**

Some of the properties to the north and west of the North Chimineas Unit are privately owned. Access to this private property is prohibited. All vehicle access is restricted to existing roads. If you require any special accommodations, cannot attend this hunt, or have any questions please contact the Department of Fish and Wildlife at (559) 243-4005 ext.133.

Good Luck,  
Ben Lewis
