The Department of Fish and Wildlife, Office of Spill Prevention and Response is proposing additional changes to the Application for Certificate of Financial Responsibility for Owners or Operators of Nontank Vessels (DFW form 1972). Those changes are illustrated as follows:

Amendments to the original proposed form was illustrated with single underline for added text and single strikeout for deleted text.

For this 15-day public comment period, added text is illustrated with double underline and deleted text is illustrated with double strikeout.
This form and applicable fees must be received by the Office of Spill Prevention and Response (OSPR) at least 10 calendar days prior to operating in California waters. An oil spill contingency plan is also required, pursuant to Government Code section 8670.29.

(Certificates of financial responsibility are not required for non-self propelled nontank vessels that do not carry oil or any kind.)

(WARNING: For security purposes all ZIP files transmitted to DFG/OSPR via email will be returned undeliverable)

NOTE: A Contingency Plan is also required, pursuant to Government Code Section 8670.29

Please type or print clearly in English when completing this application. Refer to pages 7 and 8 of this application packet for complete instructions. WARNING: For security purposes all Zip files are NOT accepted.

SECTION C. EVIDENCE OF FINANCIAL RESPONSIBILITY AMOUNTS

1. Except as provided in {2), below, owners or operators of nontank vessels (300 GT or greater) must demonstrate the financial ability to pay at least $300 million U.S. dollars (USD $300,000,000) for damages arising from an oil caused by a spill. Certificates of financial responsibility are not required for non-self propelled nontank vessels that do not carry oil of any kind.

2. Owners or Operator(s) or owner(s) of nontank vessels that have a carrying capacity of 6,500 barrels of oil, or less, or a carrying capacity of 7,500 barrels of oil, or less for nontank vessels owned and operated by California or a federal agency, shall demonstrate their current financial ability to pay the following appropriate amount of financial responsibility:

- $2,000,000 for those that have vessels with a carrying capacity of less than 1 barrel of fuel but to not more than 10 barrels of fuel; $2 million ($2,000,000);

- $5,000,000 for those that have vessels with a carrying capacity greater than 10 barrels of fuel.
but to not more than 50 barrels of fuel: $5 million ($5,000,000).

- $10,000,000 for those that have vessels with a carrying capacity greater than 50 barrels of fuel but to not more than 500 barrels of fuel: $10 million ($10,000,000).

- $18,900,000 for those that have vessels with a carrying capacity greater than 500 barrels of fuel but to not more than 1,000 barrels of fuel: $18.9 million ($18,900,000).

Those nontank vessels that have with a carrying capacity greater than 1000 barrels of fuel but to not more than 6,500 barrels of fuel, or 7,500 barrels of fuel for nontank vessels owned and operated by California or a federal agency, demonstration shall determine the amount of financial responsibility-ability to pay shall be based on the following calculations as follows: Subtract 1,000 barrels from the total carrying capacity of oil fuel of the nontank vessel; multiply this amount by $5,670 (which represents 30% of the cargo multiplied by the maximum per barrel clean-up and damage cost of spilled oil fuel of $18,900); then add $18.9 million ($18,900,000).

3. Operators or owners of nontank vessels must check all method(s) to be used to demonstrate evidence of financial responsibility in item 4 below. For each method used attach copies of the required evidence as indicated below.

4. Method(s) for demonstrating financial responsibility (Indicate the method or methods selected)

SECTION D. EVIDENCE OF FINANCIAL RESPONSIBILITY

Financial responsibility must be demonstrated using one or more of the following methods. For each method used, attach copies of the required evidence. For complete information regarding demonstration of financial responsibility, refer to Title 14, California Code of Regulations, subsections 795(a) through (i).

- Proof of entry in ___________________ Protection and Indemnity Club.

(provide name)

Submit the following evidence:

Copy of the Certificate of Entry, all addenda pertaining to the amount and applicability of oil pollution cover and amount of deductibles. *A P&I Club Confirmation letter does not meet this requirement.*

Note: Annually, certificate holders are required to submit written certification of renewal of P & I Club membership within 30 days after renewal of coverage. Within 90 days after renewal, certificate holders must submit complete documentation acceptable to the Administrator showing renewal of P & I Club membership as the method for demonstrating evidence of financial responsibility. Acceptable written documentation includes, but is not limited to, a copy of the renewal Certificate of Entry or addendum, which contains the minimum information required by Title 14, California Code of Regulations, Section 795(f), and any additional terms or limitations which may affect coverage, including the renewal and new expiration dates.

- 1. INSURANCE

Submit any of the following evidence:
(A) Insurance policy or other documentation, and a certificate of insurance specifying the nature, type, amount of insurance, language that the policy covers damages as specified in Government Code section 8670.56.5, and any conditions and limitations in the coverage for marine pollution liability; or

(B) A certificate of insurance that is acceptable to the Administrator and an endorsement executed by the underwriter or insurer which contains the language set forth in the California standard endorsement. Refer to the California Endorsement for Tanker, Barges, and Nontank Vessels, FG OSPR Form 1929 (2/08)Oil Spill Liabilities, form DFW 1962 (06/21/2017); or

(C) Similar or comparable assurance acceptable to the Administrator.

[Refer to Title 14, California Code of Regulations, Section 795(a)-(g) for complete information regarding this method for demonstrating financial responsibility.]

Certificate holders using insurance must submit proof of insurance annually within 30 days of expiration.

2. PROTECTION AND INDEMNITY CLUB

Submit the following evidence:

Copy of the Certificate of Entry, all addenda pertaining to the amount and applicability of oil pollution coverage and deductible amounts. A P&I Club Confirmation letter does not meet this requirement.

NOTE: Annually, certificate holders are required to submit written certification of renewal of their P & I Club membership within 30 days after termination of current coverage. Certificate holders must submit complete documentation acceptable to the Administrator showing renewal of P & I Club membership as the method for demonstrating evidence of financial responsibility. Acceptable written documentation includes, but is not limited to, a copy of the renewal Certificate of Entry or addendum, which contains the minimum information required by Title 14, California Code of Regulations, Section 795(f), and any additional terms or limitations which may affect coverage, including the renewal and new expiration dates.

3. OTHER

A. SELF-INSURANCE - For complete requirements see Title 14, CCR, subsection 795(b).

B. SURETY BOND - For complete requirements see Title 14, CCR, subsection 795(c).

C. LETTER OF CREDIT - For complete requirements see Title 14, CCR, subsection 795(d).

D. GUARANTY - For complete requirements see Title 14, CCR, subsection 795(e).

E. OTHER EVIDENCE OF FINANCIAL RESPONSIBILITY – Applicants may provide other evidence of financial responsibility that is not specifically mentioned in this section and which is acceptable to the Administrator.

INSTRUCTIONS

Owner or operator of a nontank vessel is defined in Government Code section 8670.3.

1. Owner or operator means, in the case of a nontank vessel, any person who owns, has ownership interest in, operates, charters by demise, or leases the nontank vessel. This application is comprised of six sections:

   Section A – General Information
   Section B – Vessel Data
   Section C – Financial Responsibility Amounts
   Section D – Evidence of Financial Responsibility
   Section E – Declaration
   Section F – Delegation of Authority by the Applicant

Sections A, B, C, D and E must all be completed by the applicant or delegated authority. Section F must be executed by the applicant or a principal of the applicant when an application is signed by an agent of the applicant.

2. Pursuant to Government Code section 8670.37.58, a nontank vessel fee shall be submitted along with the application for a certificate of financial responsibility required pursuant to Government Code section 8670.41. The nonrefundable fee amounts are as follows:

   (A) Owners or Operator(s) or owner(s) of nontank vessels with a carrying capacity of over 6,500 barrels of \textit{oil fuel}, or over 7,500 barrels of \textit{fuel} for nontank vessels owned and operated by California or a federal agency, shall submit a nonrefundable \textit{fee of USD $3,250}$3,750 per vessel, or;

   (B) Owners or Operator(s) or owner(s) of nontank vessels that have a carrying capacity greater than 500 barrels of \textit{oil fuel} and but less than or equal to 6,500 barrels of \textit{oil fuel}, or a carrying capacity greater than 500 barrels of \textit{oil fuel} and but less than or equal to 7,500 barrels of \textit{oil fuel} for nontank vessels owned and operated by California or a federal agency, shall submit a nonrefundable \textit{fee of USD $1,950}$2,250 per vessel, or;

   (C) Owners or Operator(s) or owner(s) of nontank vessels that have a carrying capacity of 500 barrels of \textit{oil fuel} or less shall submit a nonrefundable \textit{fee of USD $650}$750 per vessel.

3. Submit this completed application with a copy of the wire transfer receipt (see item 96. below for wiring instructions) or a check for the per vessel fee and the remittance information by selecting one of the following methods:

   ***WARNING: For security purposes all ZIP files transmitted to DEGCDFW/OSPR via e-mail will be returned undeliverable/rejected.***
The application is comprised of five sections:

Section A – General Information;

Section B – Nontank Vessel Data;

Section C – Evidence of Financial Responsibility;

Section D – Declaration;

Section E – Delegation of Authority

Sections A, B, C and D must all be completed by the applicant or delegated authority. Section E, Delegation of Authority, must be executed by the applicant or a principal of the applicant when an application is signed by an agent of the applicant.

Application Process:

a. Operators or owners of nontank vessels:

(1) Applications will be reviewed within 2130 calendar days of receipt for owners or operators of nontank vessels.

(2) Certificates will be issued within that period provided that adequate information was furnished in the application and acceptable evidence of financial responsibility has been received.

(3) If a question does not apply, answer "not applicable."

(4) Applications which are incomplete will not be processed until receipt of additional information needed to complete processing.

(5) If additional space is required, supplemental sheets may be attached.

Certificate Renewal Process:

Certificate renewal applications are sent to the applicant approximately seventy-five (75) forty-five (45) days prior to the expiration of the existing certificate. In order to renew a certificate, renewal applications must be submitted prior to the expiration date.

Please contact the Financial Responsibility Unit at (916) 324-3413 if you have any questions.

Please follow the wiring instructions provided below: Wiring Instructions:

NOTE: DO NOT DEDUCT ANY PROCESSING FEES FROM THE PER VESSEL FEE. You are responsible for all bank fees upfront. Discuss with your banking representative. Failure to ensure submission of full fee amount may delay issuance of certificate.

SECTION C. FINANCIAL RESPONSIBILITY AMOUNTS

1. Except as provided in 2. below, owners or operators of nontank vessels (300 GT or greater) must demonstrate the financial ability to pay at least $300 million ($300,000,000) for damages caused by a spill. Certificates of financial responsibility are not required for non-self propelled nontank vessels that do not carry oil.

2. Owners or operators of nontank vessels that have a carrying capacity of 6,500 barrels of fuel or less, or 7,500 barrels of fuel or less for nontank vessels owned and operated by California or a federal agency, shall demonstrate their current financial ability to pay the following appropriate amount of financial responsibility:

   • For vessels with a carrying capacity of less than 1 barrel of fuel but not more than 10 barrels of fuel: $2 million ($2,000,000).

   • For vessels with a carrying capacity greater than 10 barrels of fuel but not more than 50 barrels of fuel: $5 million ($5,000,000).

   • For vessels with a carrying capacity greater than 50 barrels of fuel but not more than 500 barrels of fuel: $10 million ($10,000,000).

   • For vessels with a carrying capacity greater than 500 barrels of fuel but not more than 1,000 barrels of fuel: $18.9 million ($18,900,000).

   • For vessels with a carrying capacity greater than 1000 barrels of fuel but not more than 6,500 barrels of fuel, or 7,500 barrels of fuel for nontank vessels owned and operated by California or a federal agency, demonstration of financial ability to pay shall be based on the following calculation: subtract 1,000 barrels from the total carrying capacity of fuel of the nontank vessel; multiply this amount by $5,670 (which represents 30% of the per barrel clean-up and damage cost of spilled fuel of $18,900); then add $18.9 million ($18,900,000).

SECTION D. EVIDENCE OF FINANCIAL RESPONSIBILITY

Financial responsibility must be demonstrated using one or more of the following methods. For each method used, attach copies of the required evidence. For complete information regarding demonstration of financial responsibility, refer to Title 14, California Code of Regulations, subsections 795(a) through (i).

1. INSURANCE

Submit any of the following evidence:

(A) Insurance policy or other documentation, and a certificate of insurance specifying the nature, type, amount of insurance, language that the policy covers damages as specified in Government Code section 8670.56.5, and any conditions and limitations in the coverage for marine pollution liability; or
(B) A certificate of insurance that is acceptable to the Administrator and an endorsement executed by the underwriter or insurer which contains the language set forth in the California standard endorsement. Refer to the California Endorsement for Oil Spill Liabilities, form DFW 1962 (06/21/17); or

(C) Similar or comparable assurance acceptable to the Administrator.

Certificate holders using insurance must submit proof of insurance annually within 30 days of expiration.

2. PROTECTION AND INDEMNITY CLUB

Submit the following evidence:

Copy of the Certificate of Entry, all addenda pertaining to the amount and applicability of oil pollution coverage and deductible amounts. A P&I Club Confirmation letter does not meet this requirement.

NOTE: Annually, certificate holders are required to submit written certification of renewal of their P & I Club membership within 30 days after termination of current coverage. Certificate holders must submit complete documentation acceptable to the Administrator showing renewal of P & I Club membership as the method for demonstrating evidence of financial responsibility. Acceptable written documentation includes, but is not limited to, a copy of the renewal Certificate of Entry or addendum, which contains the minimum information required by Title 14, California Code of Regulations, Section 795(f), and any additional terms or limitations which may affect coverage, including the renewal and new expiration dates.

3. OTHER

A. SELF-INSURANCE - For complete requirements see Title 14, CCR, subsection 795(b).

B. SURETY BOND - For complete requirements see Title 14, CCR, subsection 795(c).

C. LETTER OF CREDIT - For complete requirements see Title 14, CCR, subsection 795(d).

D. GUARANTY - For complete requirements see Title 14, CCR, subsection 795(e).

E. OTHER EVIDENCE OF FINANCIAL RESPONSIBILITY – Applicants may provide other evidence of financial responsibility that is not specifically mentioned in this section and which is acceptable to the Administrator.

SECTION E. DECLARATION

I, _______________________________ (print name) am the applicant, or I am a principal of the applicant, an authorized agent*, or an official of the applicant, and have the authority to sign this application on behalf of the applicant. I DECLARE under penalty of perjury that I have examined this application, including all accompanying schedules and statements, and to the best of my knowledge, information and belief, find it to be true, correct, and complete.
Furthermore, it is agreed that the applicant named in Section A of this application is the responsible party in the event of an oil spill. I execute this declaration in my capacity as applicant, principal of the applicant, official of the applicant, or as the authorized agent as evidenced by the delegation of such authority provided below.

* NOTE: If the Declaration is signed by an authorized agent of the applicant, the applicant or a principal of the applicant must sign the following Section F. Delegation of Authority.

**SECTION F. DELEGATION OF AUTHORITY BY THE APPLICANT**

(Must be completed by the applicant or principal of the applicant if the Declaration in Section E has been executed by an agent acting on behalf of the applicant)

I, ______________________________ (name of the applicant) hereby declare that ______________________________ (name of authorized agent whose signature appears in Section E) is authorized to submit an application for a California Certificate of Financial Responsibility on behalf of the applicant.
Owner or operator of a nontank vessel is defined in Government Code section 8670.3.

1. This application is comprised of six sections:
   - Section A – General Information
   - Section B – Vessel Data
   - Section C – Financial Responsibility Amounts
   - Section D – Evidence of Financial Responsibility
   - Section E – Declaration
   - Section F – Delegation of Authority by the Applicant

Sections A, B, C, D and E must all be completed by the applicant or delegated authority. Section F must be executed by the applicant or a principal of the applicant when an application is signed by an agent of the applicant.

2. Pursuant to Government Code section 8670.37.58, a nontank vessel fee shall be submitted along with the application for a certificate of financial responsibility required pursuant to Government Code section 8670.41. The nonrefundable fee amounts are as follows:

   (A) Owners or operators of nontank vessels with a carrying capacity of over 6,500 barrels of fuel, or over 7,500 barrels of fuel for nontank vessels owned and operated by California or a federal agency, shall submit a nonrefundable fee of $3,750 per vessel, or;

   (B) Owners or operators of nontank vessels that have a carrying capacity greater than 500 barrels of fuel but less than or equal to 6,500 barrels of fuel, or a carrying capacity greater than 500 barrels of fuel but less than or equal to 7,500 barrels of fuel for nontank vessels owned and operated by California or a federal agency, shall submit a nonrefundable fee of $2,250 per vessel, or;

   (C) Owners or operators of nontank vessels that have a carrying capacity of 500 barrels of fuel or less shall submit a nonrefundable fee of $750 per vessel.

3. Submit this completed application with a copy of the wire transfer receipt (see item 6. below for wiring instructions) or a check for the per vessel fee and the remittance information by one of the following methods:

   Email: cacofr-nontank@wildlife.ca.gov

**WARNING:** For security purposes all Zip files transmitted to CDFW/OSPR via email will be rejected.

4. Application Process:

   (1) Applications will be reviewed within 30 calendar days of receipt for owners or operators of nontank vessels.

   (2) Certificates will be issued within that period provided that adequate information was
furnished in the application and acceptable evidence of financial responsibility has been received.

(3) If a question does not apply, answer "not applicable."

(4) Applications which are incomplete will not be processed until receipt of additional information needed to complete processing.

(5) If additional space is required, supplemental sheets may be attached.

5. Certificate Renewal Process:

Certificate renewal applications are sent to the applicant approximately forty-five (45) days prior to the expiration of the existing certificate. In order to renew a certificate, renewal applications must be submitted prior to the expiration date.

6. Wiring Instructions:

**NOTE: DO NOT DEDUCT ANY PROCESSING FEES FROM THE PER VESSEL FEE.**
You are responsible for all bank fees upfront. Discuss with your banking representative.
Failure to ensure submission of full fee amount may delay issuance of certificate.
