

WILDLIFE WATCH

A Leadership Response to Human-Wildlife Interactions

Summer - Wildlife Watch Workspace Doc

Hello team! The purpose of this ever-changing document is to share pertinent ideas and information regarding seasonal outreach & educational needs for the Wildlife Watch program. For document edits, comments, or suggestions please reach out to: jessica.west@wildlife.ca.gov

Summer Wildlife Concerns

- Increase in black bear and coyote calls

Summer PSAs (website links)

- [Black bear](#)
- [Coyote](#)

Roundtable / Items to Address

-
