BIG GAME MANAGEMENT ACCOUNT ADVISORY COMMITTEE
CHARTER
August 26, 2021

Authority

The California Department of Fish and Wildlife (CDFW) established the Big Game Management Account Advisory Committee (BGMAC) pursuant to Fish and Game Code Section 3953 to improve accountability and transparency in CDFW’s administration of funds derived from the sale of big-game (bighorn sheep, black bear, deer, elk, pronghorn, and wild pig) hunting tags, including fund-raising tags. The BGMAC shall review and provide comments to CDFW on program workplans, priorities, and proposed projects funded from the Big Game Management Account (BGMA) to help ensure that the requirements of this section have been met.

Open Meetings

As a “public body,” the BGMAC is subject to California’s Bagley-Keene Open Meeting Act (Government Code §§ 11120-11132). Generally, this means the BGMAC is required to: 1) provide public notification of the meeting (date/time/location) and a copy of the meeting agenda at least 10 days in advance of a meeting; 2) limit BGMAC discussions/actions to a particular meeting to those topics listed on the agenda for that meeting; 3) address agenda topics in open session unless a closed session is expressly authorized by the Bagley-Keene Act; 4) allow for public comment before or during the consideration of each agenda item addressed in open session; and, 5) allow any person attending an open and public meeting to record and broadcast that meeting.

The BGMAC shall meet at least twice per year to review and provide comments to CDFW on program priorities and proposed projects and/or expenditures to ensure proper administration of the funds. CDFW shall provide meeting dates to BGMAC members at least 1 month in advance. The BGMAC Chairperson shall assist CDFW in selecting meeting dates. Meetings will be held in the Sacramento area to facilitate participation. CDFW may schedule additional meetings upon request by the Wildlife and Fisheries Deputy Director, the Wildlife Branch Chief, or the Chairperson of the BGMAC.

Committee Membership

The Director of CDFW shall determine the membership of the BGMAC based on the criteria set out in Fish and Game Code Section 3953(e). Organizations interested in BGMAC membership may submit an application to the CDFW Deputy Director, Wildlife and Fisheries Division, via email or hard copy at any time for consideration. Applications should identify a single individual to be the designated committee member for the organization and one alternative to
replace the primary designee when not available for a meeting. When the Director appoints an organization to the BGMAC, CDFW will send that organization a letter or email identifying it as a member of the BGMAC. The Director has the authority to revoke an organization’s BGMAC membership at any time.

BGMAC members will select a Chairperson, Vice-Chairperson, and Secretary to assist CDFW in conducting and recording the meeting results. Each of these positions will serve a term of 2 years and not longer than two consecutive terms in that position; elections will be held at the conclusion of the early spring meeting. In the event of Officer positions becoming vacant, the CDFW in coordination with BGMAC members shall appoint an interim replacement.
