Please share your unique perspectives

regarding California's MPA Network and the MPA Management Program.

Join the state in a conversation about the last 10 years of MPA management, research, enforcement, and outreach. Select the audience you most identify with or attend them all! Each meeting will be recorded and open to the public, and will cover the same information and format.

We request registration a minimum of one week before your desired meeting. Once registered, the meeting agenda and materials will be sent to you via email.
