The Office of Spill Prevention and Response (Office) proposed this action to adopt criteria and procedures for evaluating and certifying spill management teams based on their capacity to respond to and manage oil spills effectively. Additionally, related amendments are proposed to the Office's oil spill contingency plan regulations, which require operators and owners of vessels and facilities who are required to have contingency plans to identify certified spill management teams in their plans, and to a definitions and abbreviations regulation. This action implements statutory changes made in A.B. 1197 (Stats.2017, ch. 584).

OAL approves this regulatory action pursuant to section 11349.3 of the Government Code. This regulatory action becomes effective on 4/1/2022.
