

California Department of Fish and Wildlife Experimental Fishing Permit Application Submission and Review Process

Note: The diagram (originally in the Initial Statement of Reasons dated September 8, 2021) has been updated for clarity.

* CDFW 30- and 60- day review period may be extended pursuant to subsection 91(d)(3), Title 14, California Code of Regulations (CCR).

** Pursuant to subsection 91(d)(1)(A)4., Title 14, CCR, the applicant may submit an amended application within 10 working days of the rejection notice. Submission of an amended application packet is a one-time opportunity for each application.
