**SECTION I: Required Information.**

*Please be succinct. Responses for Section I should not exceed five pages*

**1. Person or organization requesting the change (Required)**

Name of primary contact person: Russell Goltz

Address: [REDACTED]

Telephone number [REDACTED]

Email address [REDACTED]

**2. Rulemaking Authority (Required)** - Reference to the statutory or constitutional authority of the Commission to take the action requested : **Rulemaking Authority:** Sections 200, 205(c), 265, 399, 1590, 1591, 2860, 2861 and 6750, Fish and Game Code; and Sections 36725(a) and 36725(e), Public Resources Code 2020-007

**3. Overview (Required)** - Summarize the proposed changes to regulations – Please allow surfboard fishing at the South La Jolla State Marine Preserve. If we can get out there without using gas or electric, just arm power, it will limit the number of fishermen to a minimum amount. No Sport Fishing Boats. You can even make it a catch and release required, that would be fine. I just want to be able to again walk across the street and go fishing from my surfboard.

**4. Rationale (Required)** - Describe the problem and the reason for the proposed change – The problem is I have to drive 3 miles to be able to do my favorite thing in the world to do. I am 65 years old, and only have a few years left to be able to do this sport. The way I read the California Constitution, Article 1 Section 25, and since it’s not a “Fishery”, I should be able to fish there. But I understand the way of the world, all I want is for ME to be able to fish at Tourmaline Street in Pacific Beach.
