SECTION I: Required Information.

Please be succinct. Responses for Section I should not exceed five pages

1. Person or organization requesting the change (Required)

Name of primary contact person: Shaun Reid.

Address: [REDACTED]

Telephone number: [REDACTED]

Email address: [REDACTED]

2. Rulemaking Authority (Required) - Reference to the statutory or constitutional authority of the Commission to take the action requested: sections 200, 205, 265, 270, 275, 315, 316.5, 399, and 2084 of the Fish and Game Code

3. Overview (Required) - Summarize the proposed changes to regulations: Change the limit of wild rainbow and brown trout on the North Fork of the Stanislaus River and Beaver Creek to zero.

4. Rationale (Required) - Describe the problem and the reason for the proposed change: These waters are heavily pressured, but over the past couple of years, I have been catching more wild fish, both browns and rainbows. I’m really quite amazed at the fish I’m catching, particularly this season. This tells me that these waters have the ability to support wild fish populations, which makes for a great angling experience..
