* The deer tags listed in this table are only eligible to be returned for preference point reinstatement. Deer tag fees are nonrefundable.

** A1 tags are only eligible for a preference point reinstatement if you drew the tag as your first choice. Hunters who drew A1 tags as their second choice did not use their preference points.

*** C tags, which are valid for zones C1, C2, C3, and C4, are eligible for preference point reinstatement if you drew the tag as your first choice because zones C3 and C4 experienced closures for more 66% of the season. Hunters who drew C tags as their second choice did not use their preference points.
