

Interim Wolf Livestock Compensation Grant Program Livestock Loss Application Form

GRANT PROCESS: In 2021, the California state legislature appropriated funding to the Department of Fish and Wildlife (CDFW) to “develop a grant process to allocate funds to pay for the deterrence of wolf presence near livestock, the impacts of wolf presence on livestock, and for verified loss of livestock for participating ranchers.” The CDFW has developed an Interim Wolf Livestock Loss Compensation Grant Program to immediately award grants for the second and third prong of this legislative directive to address livestock loss and use of nonlethal deterrence methods. CDFW will accept applications and award grants on an on-going basis. CDFW applications may be submitted by email at: wolfprogram@wildlife.ca.gov
