

## **ADDENDUM TO FINAL STATEMENT OF REASONS AND UPDATED INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW**

June 24, 2022

The Fish and Game Commission incorporates this addendum as part of the final rulemaking package. The Updated Informative Digest/Policy Statement Overview is updated to state that California *should* set its waterfowl hunting regulations within the federal frameworks, rather than *must* as originally provided in the Initial Statement of Reasons. Also, that federal regulations provide that California's hunting regulations *should* conform to those of Arizona in the Colorado River Zone and those of Oregon in the North Coast Special Management Area, rather than *require* conformance as originally provided in the Updated Informative Digest/Policy Statement Overview.
