NONDISCRIMINATION

Any person excluded from participation in, denied the benefits of, or otherwise subjected to discrimination under any program of the California Department of Fish and Wildlife, on the grounds of age, race, national origin, disability, religious or political affiliation, color, sex, ancestry, marital status, or sexual orientations, should contact the nearest regional office of the Department or its headquarters located at 715 P Street, Sacramento, CA 95814, (916) 445-0411. In addition, you may contact the U.S. Equal Employment Opportunity Commission, Washington, D.C. 20506 or a local EEOC office listed in your phone directory under U.S. Government.

Alternate communication format available upon request, call (916) 322-8911. Call the California Relay (telephone) Service for the deaf or hearing-impaired from TDD phones at 800-735-2929 or 711.

PARTICIPATING IN THE REGULATORY PROCESS

The Fish and Game Commission is composed of five members who are appointed by the Governor and confirmed by the State Senate. The Commission establishes hunting and sport fishing regulations including seasons, bag and possession limits, methods of take, area descriptions and any special conditions. In addition, the Commission formulates general policies for the Department of Fish and Wildlife. Monthly topical meetings are held to hear regulation change proposals. The public may make recommendations in writing before a Commission meeting or present its proposals verbally at the meeting. The Commission's meeting schedule, including specific topics, dates and locations, is posted on their web site fgc.ca.gov.

Written comments can be directed to the Fish and Game Commission at P.O. Box 944209, Sacramento, CA 94244-2090, or by e-mail to fgc@fgc.ca.gov. Comments sent by e-mail should include a full name and mailing address. The Commission also has established a list server for information distribution available on their web site fgc.ca.gov.

Free Hunting Days

The California Free Hunting Days for the 2024-25 hunting season are **Saturday, November 23, 2024, and Saturday, April 12, 2025**. To hunt on the free hunting days, participants must meet requirements established in FGC 3040, including the possession of a valid Free Hunt Days Registration. The Free Hunt Days Registration item will be available to claim beginning on October 11, 2024. For more information and requirements to participate in California's free hunting days, please visit <https://wildlife.ca.gov/Licensing/Hunting/Free-Hunting-Days>.

Special Hunt Permit Issuance and Drawings in ALDS*

The Department promulgated regulations to replace Section 715: Upland Game Bird Special Hunt Drawing with Section 715: Special Hunt Permit Issuance and Drawings in ALDS. These regulations define a special hunt and establish parameters, application procedures, and issuance methods for special hunts.

Special Hunt: a hunting opportunity, not otherwise specified in Fish and Game Code or these regulations, available to anyone with a valid annual California hunting license and any required validations or applicant statuses, for which the department may issue permits where participation is limited to a set number of available permits.

Special hunt permits do not alter any season, size limit, bag limit or hunting quota specified in Fish and Game Code or these regulations.

Hunt Parameters include, but are not limited to: species, location, season, maximum hunting party size, whether one or more additional hunter(s) or nonhunter(s) are allowed, the number of permits available, applicant statuses (apprentice, mobility impaired, new hunter, military veteran) method of take, and permit issuance method.

For the full text of Section 715, please visit westlaw.com.

**** These regulations have been adopted by the Commission, but have not yet been approved by the Office of Administrative Law.***

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

FOREWORD

This booklet contains information from both the California Fish and Game Code (FGC) and Title 14 of the California Code of Regulations (CCR). For detailed information, refer to the appropriate code or contact the Department of Fish and Wildlife (Department).

These excerpts are provided as a courtesy and are not to be used as legal documents. Since the regulation and FGC sections may be amended at any time, it is the reader's responsibility to be knowledgeable of, and abide by, all laws and regulations in effect at the time he/she participates in any commercial fishing activity. Any discrepancies between this document and the regulation and FGC sections from which they were prepared will be enforced and adjudicated according to the official code sections and regulations in effect on the date the activity takes place.

The official California Code of Regulations may be accessed through Thompson Reuters Westlaw at <https://govt.westlaw.com/calregs/Browse/Home/California/CaliforniaCodeofRegulations>. California Fish and Game Commission

The Mission of the California Fish and Game Commission is, on behalf of California citizens, to ensure the long term sustainability of California's fish and wildlife resources by:

- Guiding the ongoing scientific evaluation and assessment of California's fish and wildlife resources;
- Setting California's fish and wildlife resource management policies and ensuring these are implemented by the Department of Fish and Wildlife;
- Establishing appropriate fish and wildlife resource management rules and regulations; and
- Building active fish and wildlife resource management partnerships with individual landowners, the public and interest groups, and federal, state, and local resource management agencies

Department of Fish and Wildlife

The mission of the Department of Fish and Wildlife is to manage California's diverse fish, wildlife, and plant resources, and the habitats upon which they depend, for their ecological values and for their use and enjoyment by the public.

The Department is charged with the administration and enforcement of the FGC and Title 14. The Department is organized with the Director and headquarters staff in Sacramento, and seven regional managers coordinating the operations in their respective portions of the state. The Director is the appointing power of all Department employees, who are responsible to the Director for the proper performance of their duties and responsibilities.

Most of the revenue for the Department comes from the Fish and Wildlife Preservation Fund, with a limited amount from other sources (General Fund, Sport Fish Restoration Act, Environmental License Plate Fund, and grants). The Fish and Wildlife Preservation Fund is supported by the sale of sport fishing and hunting licenses, commercial licenses, fish landing taxes, and fines and penalties assessed for violation of Fish and Wildlife laws.

All laws or regulations hereunder are either reproduced verbatim from the Fish and Game Code or from Title 14 of the California Code of Regulations, as adopted by the Fish and Game Commission under authority of the Fish and Game Code.

All references to state highway, interstate highway and U.S. highway numbers appearing in regulations are as designated on the current California State Highway map issued by the Business, Transportation and Housing Agency at the time such regulations were adopted by the Fish and Game Commission.

The Department may inspect the following:

All boats, markets, stores and other buildings, except dwellings, and all receptacles, except the clothing actually worn by a person at the time of inspection, where birds, mammals, fish, reptiles, or amphibia may be stored, placed, or held for sale or storage. FGC 1006.

All licenses, tags, and the birds, mammals, fish, reptiles, or amphibians taken or otherwise dealt with under this code, and any device or apparatus designed to be, and capable of being, used to take birds, mammals, fish, reptiles, or amphibians shall be exhibited upon demand to any game warden. FGC 2012.

HUNTING LICENSES

Hunting License Requirements

First-time applicants applying for a hunting license through the CDFW's ALDS must present one of the following as evidence of hunter education when applying for a California hunting license:

- An annual California hunting license issued in any prior year;
- A Two-Day Nonresident California Hunting License issued after the 1999/2000 license year;
- A California certificate of hunter education completion or equivalency with a unique number imprinted on it ex: (AA00000) or a California hunter education certificate with no unique number imprinted and a California hunter education validation stamp affixed;
- A certificate of successful completion of a California-approved hunter education course from any state or province; or
- A current hunting license or a hunting license issued in either of the two previous years from any state, province, European Union country or South Africa.

Applicants that have previously purchased a hunting license through CDFW's ALDS will already have the required proof of hunter education evidence in their customer profile. To ensure the appropriate customer profile is retrieved at a license agent, the CDFW recommends hunters provide the license agent with a previously issued ALDS license.

Validation of License

To be valid, every California hunting license shall be signed by the licensee. Proof of identification must be presented at the time of initial purchase. In addition, the license must contain the following information about the licensee: true name, residence address, date of birth, height, weight, color of eyes, color of hair, and sex.

Acceptable Proof of Identification

- Any license document or GO ID number previously issued via ALDS
- A valid driver's license or identification card issued to him or her by the Department of Motor Vehicles or by the entity issuing driver's licenses from the licensee's state of domicile
- US Birth Certificate
- US Certificate or Report of Birth Abroad
- Tribal Identification Card, as defined by each sovereign tribal nation
- Birth Certificate or passport issued from a US Territory
- US Passport
- US Military Identification Cards (Active or reserve duty, dependent, retired member, discharged from service, medical/religious personnel)
- Certificate of Naturalization or Citizenship
- A foreign government-issued photo identification

Applicants who are less than 18 years of age may provide any form of identification previously described or a guardian's identification (parent or legal guardian identification listed).

License Provisions

A valid California hunting license is required to take any bird or mammal. Hunters must carry licenses and be prepared to show them upon request to any peace officer. Guns and other equipment used in hunting must be shown upon request.

A 2-Day Nonresident California Hunting License is valid only for taking resident and migratory game birds, resident small game mammals, fur-bearing mammals wild pigs, and non-game mammals. A 2-Day Nonresident California Hunting License is not valid to hunt bighorn sheep, bear, deer, elk, or pronghorn.

Junior Hunting License Eligibility

To qualify for a junior hunting license, a hunter must be less than 16 years of age as of July 1, of the license year for which they are applying.

Disabled Veteran and Recovering Service Member Hunting Licenses

CDFW offers reduced fee hunting licenses for Disabled Veterans and Recovering Service Members.

Honorably discharged disabled veterans (resident or nonresident) with a 50 percent or greater service-connected disability are eligible for a reduced fee hunting license. Applicants must submit a letter from the Veterans' Administration documenting that you were honorably discharged from the US military and have a service-connected disability rating of 50 percent or greater.

Recovering service members are eligible for a reduced fee hunting license while undergoing medical treatment, recuperation, or therapy, and are in an outpatient status while recovering from a serious injury or illness related to the member's military service. Applicants must submit a letter from your commanding officer or military medical doctor verifying your eligibility as a recovering service member, including the expected recovery date in your verification letter.

To prequalify, applicants must submit the document of eligibility along with a photocopy of your personal identification and GO ID by fax to (916) 419-7585 or by secure document upload. To upload your documentation, please email your request to LRB@wildlife.ca.gov and follow the link provided in the response. You may also apply by mail or in person at any CDFW license sales office. For more information please contact your nearest CDFW license sales offices or visit our web site at wildlife.ca.gov/licensing/hunting. Hunting tags and validations must be purchased at full price.

HUNTING LICENSES

Duplicate Licenses

Your customer record contains a history of all your license purchases. If you lose your license or additional validations, you can go to any CDFW license sales office, license agent, online or by telephone sales and purchase a duplicate license and validations.

No Sales at Check Stations

Check stations do not sell any items. Hunters must purchase any needed passes and validations in advance from CDFW license sales offices, license agents, or online. To find a license agent near you or to purchase items online visit the CDFW website at: wildlife.ca.gov/Licensing/Online-Sales.

Telephone Sales

Most hunting and sport fishing license items, including validations, drawing applications, and tags, may be purchased via telephone from Aspira's telephone license sales line at (800) 565-1458. To purchase hunting items via telephone, you must have hunter education on file in the ALDS. Items purchased by telephone sales will be delivered by mail within 15 days of purchase.

Get Outdoors Identification (GO ID)

All licenses are imprinted with your permanent GO ID number. Your GO ID can be used to retrieve your customer information in the future.

Protect Your License From Heat

License documents subjected to extreme or prolonged heat may darken and become difficult to read. To protect your license, keep it away from heat sources.

Refunds

California resident and nonresident hunting licenses are nonrefundable.

Disabled Entitlements

The CDFW offers the following free disabled entitlements to any resident or nonresident hunter that meets the qualifications. These entitlements must be certified by a licensed physician and submitted to the CDFW's License and Revenue Branch. Hunters that qualify for these entitlements must also have a valid California hunting license in possession while hunting.

Disabled Archer Permit

A disabled archer permit is available to any hunter who has permanent loss, significant limitation, or diagnosed disease or disorder, which substantially impairs one or both upper extremities preventing the hunter from drawing and holding of a bow in a firing position. The Disabled Archer Permit authorizes the disabled archer to use a crossbow or device which holds a string and arrow in the firing position, to assist in the taking of birds and mammals under the conditions of an archery tag or during archery season. Certification from a licensed physician is required. If the physician indicates on the initial application that the disability is permanent, hunters may renew the permit every year at any CDFW license sales office, license agent, online or by telephone sales. If the disability is temporary, the physician is required to enter the end date of the disability on the application. Temporary permits may be renewed at any CDFW's license sales office, license agent, online or by telephone sales every year until the temporary disability end date; once the end date has passed, re-certification is required.

Mobility Impaired Disabled Persons Motor Vehicle Hunting License

A Mobility Impaired Disabled Persons Motor Vehicle Hunting License is available for any mobility impaired disabled hunter who must use a motor vehicle to pursue game. The Mobility Impaired Disabled Persons Motor Vehicle Hunting License allows a hunter to discharge a firearm from a vehicle that is stopped and its engine turned off. To qualify a person must be either permanently or fully confined to a wheelchair, a single or double amputee above the knee or double amputee below the knee, or depend upon the aid of a walker, crutches, etc. to walk. Certification from a licensed physician is required. The license is only available from the CDFW's License and Revenue Branch.

Validations to Hunt Waterfowl and Upland Game Birds

Any person, except a person hunting under the authority of a junior hunting license, who takes ducks, geese, or brant must have a California Duck Validation (FGC 3700.1) in possession. Any hunter who is age 16 or older must possess a Federal Duck Stamp to take ducks, geese or brant. The Federal Duck Stamp must be signed across the face to be valid and may be affixed anywhere on the back of your hunting license or carried separately from your California hunting license. Any person, except a person hunting under the authority of a junior hunting license, who takes upland game birds must have a California Upland Game Bird Validation (FGC 3682.1) in possession. Any person who purchases a California Duck Validation is eligible to claim a free collectible California Duck Stamp. Any person who purchases an Upland game Bird Validation is eligible to claim a free collectible Upland Game Bird Stamp. Visit wildlife.ca.gov/Licensing/Collector-Stamps for more information on how to claim your collectible stamps.

HUNTING LICENSES

HIP Validation Required

If you plan to hunt migratory game birds (ducks, geese, coots, dove, band-tailed pigeon, snipe, gallinules or black brant), you must complete a Harvest Information Program (HIP) survey and possess a free HIP validation. HIP surveys and validations are available at license agents. Hunters may be cited for hunting migratory game birds without a HIP validation in possession.

Hunting Area Permits and Passes

Except for persons hunting on most Type C wildlife areas or hunting under the authority of a junior hunting license, all hunters using State-operated hunting areas during the waterfowl season are required to obtain an entry permit from the hunter checking station. To obtain a permit, hunters must pre-purchase one of the following passes from any CDFW license agent, license sales office or online and present it at the check station:

- Type A One-Day Pass: valid for one hunter entry on one Type A area

- Type A Two-Day Pass: may be used by one hunter for two entries or two hunters for one entry each;
- Type A Season Pass: this nontransferable pass may be used for any available hunt day on any Type A or Type B area; or
- Type B Season Pass: this nontransferable pass may be used for any available hunt day on Type B areas only.

No hunting pass is required for hunting on Type C wildlife areas.

Reservations for Hunting on State-Operated Areas

Hunters can apply for waterfowl hunting reservations on Type A wildlife areas and federal refuges using a season-long application or a multiple-choice application online, at a CDFW license sales office, or at any license agent. Applications, hunt choices, and drawing results are available online at wildlife.ca.gov/Licensing/Online-Sales

FREE HUNTING DAYS

California Free Hunting Days (T14 CCR §700.1)

(a) Definitions:

(1) "Free Hunting Day Registration" is a no-fee license available only to an authorized unlicensed hunter for use on the two designated free hunting days of the license year for which the registration is issued.

(2) "Authorized Unlicensed Hunter" is a California resident who holds a free hunting day registration.

(3) "Licensed Supervising Hunter" is a hunter accompanying an authorized unlicensed hunter who holds a valid California hunting license and is at least 21 years old.

(b) An authorized unlicensed hunter shall be eligible to participate in free hunting days for only one license year and shall not be eligible to obtain a free hunting day registration for any other license year.

(c) The department shall issue a free hunting day registration to hunt on free hunting days to any California resident who submits to the department all information required to obtain an annual California hunting license pursuant to sections 700.3 and 700.4 and provides evidence of completing a course in hunter education as required in paragraph (3) of subdivision (a) of Fish and Game Code Section 3050.

(d) Authorized unlicensed hunters must have in their possession while hunting: a free hunting day registration for the current license year, any required tags, validations, report cards, federal entitlements and any required entry permits, with the exception of upland game bird hunting validations and state duck hunting validations.

(e) Authorized unlicensed hunters participating in free hunting days shall take only upland and migratory game birds as defined in sections 300 and 502; resident small game as defined in Section 257; furbearing mammals as defined in Fish and Game Code Section 4000; nongame mammals as defined in Section 472; and wild pigs as defined in Fish and Game Code Section 4650.

(f) Authorized unlicensed hunters hunting pursuant to this section are subject to all requirements, limitations, restrictions, conditions, statutes, rules, and regulations applicable to the holder of a valid hunting license, except as described in subdivision (g) of Fish and Game Code Section 3040.

(g) A free hunting day registration, as used by an authorized unlicensed hunter participating in free hunting days, does not authorize the possessor to apply for any drawing for any tag, reservation, or other hunting opportunity where an annual hunting license is required to apply.

(h) An authorized unlicensed hunter must be accompanied by a licensed supervising hunter, with the following conditions:

(1) A licensed supervising hunter must only accompany one authorized unlicensed hunter.

(2) While engaged in hunting activities, the authorized unlicensed hunter and the licensed supervising hunter shall remain in close visual and verbal contact with each other at all times. The licensed supervising hunter must be able to provide adequate direction and immediately assume control of a firearm or other legal method of take used by the authorized unlicensed hunter, to ensure safety and compliance with laws and regulations at all times, as specified in Fish and Game Code Section 3040.

(i) Annual free hunting dates will be designated by the director and published in annual publications of the department regarding current hunting regulations, as specified in Fish and Game Code Section 3040.

HUNTER EDUCATION

Hunter Education Class Options

Hunter education classes include instruction in firearms safety and handling, sportsmanship and ethics, wildlife management and conservation, archery, black powder, wildlife identification, game care, first aid, and survival. For more information or to register for a class, visit wildlife.ca.gov/Hunter-Education.

Hunter Education Equivalency Exams

Hunter education equivalency exams are given by appointment only at CDFW regional offices for a fee. In some states, the California equivalency certificate may not be accepted as evidence of hunter education. For more information on the hunter education equivalency exam, contact your nearest CDFW regional office.

Duplicate Hunter Education Certificates

Duplicate hunter education certificates can be issued to any person who completed and passed a hunter education class. If the class was completed prior to 1989, CDFW does not have records before this date; the hunter should contact the original instructor, club, or organization where the course was taught to obtain a duplicate. If the hunter is unable to obtain a duplicate through these means, they will have to repeat the course. Visit the hunter education web page at wildlife.ca.gov/Hunter-Education for more information.

Bowhunter Education Class

Although bowhunter education training is not required in California, many states do require it for all bowhunters. CDFW's bowhunter education program meets the requirements of all states. For more information or to register for a class, visit wildlife.ca.gov/Hunter-Education.

Pass on the Tradition: Be A Hunter Education Instructor!

Volunteer to be a hunter education instructor and help pass on California's hunting tradition to the next generation. As an instructor, you will be eligible for the Instructor Incentive Program. This program is for instructors only and consists of numerous hunting opportunities including wild pig hunts, X Zone deer tags, and the chance at an open zone deer tag. For more information on becoming a hunter education instructor, visit wildlife.ca.gov/Hunter-Education/Become-an-Instructor.

Sea un instructor de la Educación del Cazador. El California Department of Fish and Wildlife solicita instructores de cacería responsable. Éres aficionado a la cacería? Desea pasarle a la siguiente generación la tradición de la cacería? Para más información, visita wildlife.ca.gov/Hunter-Education/Become-an-Instructor.

Hunter Education Instructor Incentive Program (CCR 14 §709)

Eligible certified hunter education instructors may participate in the Incentive Program drawings for highly desirable hunting opportunities. CDFW awards incentives, which may include big game tags provided voluntarily by licensed private lands management areas, cooperative elk or deer hunting areas, or other hunts designated by CDFW. Instructors who accept a tag are required to pay the applicable tag fee(s) set forth in the Fish and Game Code or California Code of Regulation Title 14.

Advanced Hunter Education

Advanced Hunting Clinics focus on the how-to's of hunting and are designed for both the novice and experienced hunter. You will learn more about biology, habitat needs, hunting regulations, game care and safety, blackpowder hunting, wilderness navigation, and more. For additional information about the Advanced Hunter Education Program as well as clinic dates and locations, visit wildlife.ca.gov/Hunter-Education/Advanced or Contact Lieutenant Erick Elliott at erick.elliott@wildlife.ca.gov.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

Definition of “Take” (FGC §86)

To hunt, pursue, catch, capture or kill or attempt to hunt, pursue, catch, capture or kill.

General Prohibition Against Taking Resident Game Birds, Game Mammals, Exotic Game Mammals and Furbearing Mammals (T14 CCR §250)

Except as otherwise provided in this Title 14, and in the Fish and Game Code, resident game birds, game mammals, **exotic game mammals**, and furbearing mammals may not be taken at any time.

Prohibition on the Use of Lead Projectiles and Ammunition Using Lead Projectiles for the Take of Wildlife (T14 CCR §250.1)

(a) Purpose

This regulation phases in the requirements of Fish and Game Code Section 3004.5, which prohibits the use of any lead projectiles or ammunition containing lead projectiles when taking any wildlife with a firearm on or after July 1, 2019.

(b) Definitions

(1) A projectile is any bullet, ball, sabot, slug, buckshot, shot, pellet or other device that is expelled from a firearm through a barrel by force.

(2) Nonlead ammunition is any centerfire, shotgun, muzzleloading, or rimfire ammunition containing projectiles certified pursuant to subsection (b)(3) or subsection (f).

(3) Shotgun ammunition containing pellets composed of materials approved as nontoxic by the U.S. Fish and Wildlife Service, as identified in Section 507.1 of these regulations, is considered certified.

(4) A nonlead projectile shall contain no more than one percent lead by weight, as certified pursuant to subsection (b)(3) or subsection (f).

(c) General Provisions

(1) Except as otherwise provided in this section, it is unlawful to possess any projectile containing lead in excess of the amount allowed in subsection (b)(4) and a firearm capable of firing the projectile while taking or attempting to take wildlife.

(2) The possession of a projectile containing lead in excess of the amount allowed in subsection (b)(4) without possessing a firearm capable of firing the projectile is not a violation of this section.

(3) Nothing in this section is intended to prohibit the possession of concealable firearms containing lead ammunition, provided that the firearm is possessed for personal protection and is not

used to take or assist in the take of wildlife.

(For the latest information on certified nonlead ammunition please check the Department’s web page at wildlife.ca.gov.)

Shooting Time (T14 CCR §250.5)

In these orders whenever a specific clock time is mentioned, such time is meant to be legal California time for the date specified: i.e., during the days when California is on Pacific Daylight Saving Time, Pacific Daylight Saving Time is intended; when California is legally on Pacific Standard Time, Pacific Standard Time is intended. When reference is made to sunrise or sunset time, such reference is to the sunrise or sunset time at the location of the hunter.

Prohibition on Pursuing or Shooting Birds and Mammals from Motor-Driven Air or Land Vehicles, Motorboats, Airboats, Sailboats or Snowmobiles (T14 CCR §251)

(a) General Prohibition

No person shall pursue, drive, herd, or take any bird or mammal from any type of motor-driven air or land vehicles, motorboat, airboat, sailboat, or snowmobile. Additionally, no person shall use any motorized, hot-air, or unpowered aircraft or other device capable of flight or any earth orbiting imaging device to locate or assist in locating big game mammals beginning 48 hours before and continuing until 48 hours after any big game hunting season in the same area. No person shall use at any time or place, without Department approval, any computer, telemetry device or other equipment to locate a big game mammal to which a tracking device is attached. For purposes of this subsection “use” includes but is not limited to personal use or intent by another to obtain information from such personal use. Evidence of an act constituting a violation of this section includes but is not limited to flying slowly at low attitudes, hovering, circling or repeatedly flying over any area where big game may be found. Exceptions to this subsection are:

(1) When the motor of such motorboat, airboat, or sailboat has been shut off and/or the sails furled and its progress therefrom has ceased, and it is drifting, beached, moored, resting at anchor, or is being propelled by paddle, oar or pole.

(2) When used by the landowner or tenant of private property to drive or herd game mammals for the purpose of preventing damage to private property.

(3) Pursuant to a license from the department issued under such regulations as the commission may prescribe (see subsection 251(b) below).

(b) Mobility Disabled Persons Motor Vehicle License

(1) Applications

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

Applications for a Motor Vehicle Hunting License for mobility disabled persons shall be on a form supplied by the Department (Mobility Impaired Disabled Persons Motor Vehicle Hunting License Application, FG1460-10/95). The application shall include the applicant's name, address, physical description, a description of the qualifying disability, and a certified statement from a licensed physician describing the applicant's permanent disability. It shall be unlawful for any person to falsify an application for a Motor Vehicle Hunting License.

(2) Terms of the License

The Motor Vehicle Hunting License shall specify conditions under which said license shall be used and shall include but not be limited to the following provisions:

(A) The licensee shall be accompanied by an able bodied assistant who shall immediately retrieve, and tag if necessary, all game taken. (Possession of the licensee's tag, required in this subsection, shall not be considered an unlawful possession of a tag or license issued to another person).

(B) The assistant shall not possess a firearm, crossbow or archery equipment unless he/she is a licensed hunter and possesses any necessary license or tag for the area being hunted. The assistant shall not discharge a firearm or release a bolt or an arrow from the vehicle. If licensed, the assistant may dispatch wounded game which has moved out of range of the licensee.

(C) The vehicle must be stopped and the engine must be shut off prior to the licensee discharging firearm or releasing a bolt from a crossbow or an arrow from archery equipment.

(D) The licensee shall notify the Department, at the regional office having responsibility for the area where the licensee intends to hunt, at least 48 hours prior to hunting or contact the department's 24-hour dispatcher at the number indicated on the license. The licensee shall specify the locality, vehicle description, and the approximate time frame during which such hunt shall take place.

(E) The licensee or assistant shall not pursue any animal or drive or herd animals to any other hunters with a motor vehicle.

(F) This license does not grant permission to trespass on private property or permission to use a motor vehicle while in any area where the use of motor vehicles is restricted or prohibited.

(G) This license does not grant permission to discharge a firearm in any place or manner that would otherwise be unlawful, or to possess a loaded firearm in violation of any other city, county or state law.

(H) The licensee shall have the license in possession while hunting from a motor vehicle.

Harassment of Animals (T14 CCR §251.1)

Except as otherwise authorized in these regulations or in the

Fish and Game Code, no person shall harass, herd or drive any game or nongame bird or mammal or furbearing mammal. For the purposes of this section, harass is defined as an intentional act which disrupts an animal's normal behavior patterns, which includes, but is not limited to, breeding, feeding or sheltering. This section does not apply to a landowner or tenant who drives or herds birds or mammals for the purpose of preventing damage to private or public property, including aquaculture and agriculture crops.

Game Birds, Game Mammals, Exotic Game Mammals, Furbearers and Nongame Animals, Possession Of (T14 CCR §251.5)

(a) Migratory game birds may not be held beyond the period provided by the federal regulations and in accordance with the daily bag and possession limits prescribed by these regulations. (see sections 257 and 502).

(b) Live mountain lions may be possessed only under terms of a permit issued by the Department pursuant to section 2150 of the Fish and Game Code or if the owner can demonstrate that the mountain lion was in his/ her possession on or before June 6, 1990 under a permit issued pursuant to section 3200 of said code.

(c) Every game bird, game mammal, exotic game mammal, furbearer or nongame animal taken under the authority of a hunting or trapping license and reduced to possession by the hunter or trapper shall be immediately killed and become a part of the daily bag limit.

Possession, Transportation, and Importation of Game Birds (T14 CCR §251.7)

(a) No person may possess any birds taken in this state in excess of the daily bag and possession limits. The exception to this is for the purpose of transportation, cleaning, storage (including temporary storage), shipment, or taxidermy services, where an individual may possess game birds taken by another hunter provided that they are tagged by the hunter who has lawfully taken them. The tag must contain the hunter's name, address, hunting license number, kinds and numbers of game birds taken, date and location of kill, and signature.

(b) All birds, including migratory game birds, possessed or transported within California must have a fully feathered wing or head attached until placed into a personal abode or commercial preservation facility or being prepared for immediate consumption. Doves must have a fully feathered wing attached.

(c) Migratory game birds imported into California shall be accompanied by a declaration of entry as prescribed in Section 2353 of the Fish and Game Code.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

(d) Only one possession limit of migratory game birds may be possessed per individual after the close of the season for that species.

Bag and Possession Limit Defined (T14 CCR §252)

“Bag and possession limit” means the daily bag limit of each kind of resident and migratory game birds, game mammals, **exotic game mammals**, and furbearing mammals which may be taken and possessed by any one person unless otherwise authorized.

Prohibition Against Taking Resident Game Birds, Game Mammals, and **Exotic Game Mammals** by the Aid of Bait (T14 CCR §257.5)

Except as otherwise provided in these regulations or in the Fish and Game Code, resident game birds, game mammals, and **exotic game mammals**, may not be taken within 400 yards of any baited area.

(a) Definition of Baited Area

As used in this regulation, “baited area” shall mean any area where shelled, shucked or unshucked corn, wheat or other grains, salt, or other feed whatsoever capable of luring, attracting, or enticing such birds or mammals is directly or indirectly placed, exposed, deposited, distributed, or scattered, and such area shall remain a baited area for ten days following complete removal of all such corn, wheat or other grains, salt, or other feed.

(b) Exceptions

(1) The taking of domestically reared and released game birds on licensed pheasant clubs and other licensed game bird clubs;

(2) The taking of resident game birds, game mammals, and **exotic game mammals** on or over standing crops, flooded standing crops (including aquatics), flooded harvested croplands, grain crops properly shocked on the field where grown, or grains found scattered solely as the result of normal agricultural planting or harvesting;

(3) The taking of resident game birds and mammals on or over any lands where shelled, shucked or unshucked corn, wheat or other grain, salt, or other feed have been distributed or scattered as the result of bona fide agricultural operations or procedures, or as a result of manipulation of a crop or other feed on the land where grown for wildlife management purposes: provided that manipulation for wildlife management purposes does not include the distributing or scattering of grain or other feed once it has been removed from or stored on the field where grown.

Season Defined (T14 CCR §258)

“Season” means that period of time during which resident and migratory game birds, game mammals, **exotic game mammals**, and fur-bearing mammals may be taken. All dates are inclusive.

Prohibition Against Taking Other than Migratory Game Birds and Quail in Picacho State Recreation Area (T14 CCR §260)

Notwithstanding any other provisions of these regulations, in Picacho State Recreation Area only migratory game birds and quail may be taken or possessed as prescribed in Sections 301, 500, 501 and 502 of these regulations.

Prohibition Against Hunting Other Than During September-January on Providence Mountains State Recreation Area (T14 CCR §260.1)

Notwithstanding any other provisions of these regulations, in Providence Mountains State Recreation Area hunting is permitted only during the period September 1 to January 31.

Hunting Restrictions on Lake Oroville State Recreation Area (T14 CCR §260.2)

Game species may be taken on the Lake Oroville State Recreation Area only as follows:

(a) No hunting of any type is permitted between February 1 and September 14 except for wild turkeys only, during the spring turkey hunting season as provided in Section 306 of these regulations.

(b) No waterfowl or deer hunting is permitted at any time.

(c) Game species may be taken only during their respective open seasons or portions thereof falling within the period September 15 through January 31; and as provided in (a) above; and as otherwise provided by state Parks and Recreation area regulations (see area regulations).

Prohibition Against Taking Other than Migratory Birds on San Luis Reservoir State Recreations Area (T14 CCR §260.3)

Notwithstanding any other provision of these regulations, in San Luis Reservoir State Recreation Area, only migratory waterfowl may be taken or possessed as prescribed in Section 502 of these regulations.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

Prohibition Against Taking Other Than Waterfowl and Resident Small Game on Perris Reservoir State Recreation Area (T14 CCR §260.4)

Notwithstanding any other provision of these regulations, in Perris Reservoir State Recreation Area only waterfowl and resident small game may be taken or possessed as prescribed in Section 551 of these regulations.

Prohibition Against Taking Other than Waterfowl, American Coots, Common Moorhens, and Common Snipe within Harry A. Merlo State Recreation Area (T14 CCR §260.5)

Notwithstanding any other provision of these regulations, in Harry A. Merlo State Recreation Area, only waterfowl, American coots, common moorhens and common snipe may be taken or possessed as prescribed in Section 502 of these regulations

Prohibition Against Hunting on Portions of Frank's Tract State Recreation Area (T14 CCR §262)

That portion of Frank's Tract State Recreation Area lying southwest of the following line is closed to hunting: Beginning at a point on Little Frank's Tract 2,000 feet north of the Piper Slough; southeast 2,000 feet east of the Piper Slough levee to the junction of the Holland Island levee.

Prohibition Against Night Hunting (T14 CCR §263)

Notwithstanding any other provisions of these regulations, hunting wildlife from one-half hour after sunset to one-half hour before sunrise is prohibited in Monterey and San Benito counties east of Highway 101.

Use of Lights While Hunting—Specific Areas (T14 CCR §264)

(a) Lights of any size or voltage may be used to take furbearing or nongame mammals only in the areas described in subsections (b) and (c) below, and only under the following conditions:

(1) The use of lights for night hunting is prohibited in any area where the general deer season is open.

(2) Furbearing mammals and nongame mammals may be taken with the aid of a spotlight or other artificial light operated from a vehicle provided such vehicle is stopped and standing with the motor off. No spotlight may be used from a vehicle which is on a public road or highway.

(b) Zone 1. (Portions of Butte, Colusa, Glenn, Placer, Sacramento, Sutter, Tehama, Yolo and Yuba counties.)

Area: Within the boundary beginning at the junction of Interstate 880 and Interstate 5 near Sacramento; east on Interstate 880 to its junction with Interstate 80; north and east on Interstate 80 to its junction with Highway 65 near Roseville, along Highway 65 to its junction with Highway 20 at Marysville; west on Highway 20 to its junction with Highway 45; north on Highway 45 to its junction with Highway 162; east on Highway 162 to its junction with Highway 99; north on Highway 99 to South Avenue near the town of Corning; west on South Avenue to Interstate 5 in Corning; north on Interstate 5 to Corning Road; west on Corning Road to Paskenta Road; west on the Paskenta Road to the town of Paskenta; southwest on the Round Valley Road to the Garland Road; south on the Garland Road to the town of Newville; south on the Newville-Elk Creek Road to the town of Elk Creek; south on the Elk Creek-Stonyford Road to the town of Stonyford; south on the Stonyford-Leesville Road to the town of Ladoga; south on the Stonyford-Leesville Road to the town of Leesville; south from Leesville on the Bear Valley Road to its intersection with Highway 20; east on Highway 20 to its intersection with Highway 16; south and east on Highway 16 to its intersection with Interstate 5; east on Interstate 5 to Interstate 880 and the point of beginning.

(c) Zone 2. (Portions of Inyo, Kern, Los Angeles, Mono and San Bernardino counties and all of Imperial, Orange, Riverside and San Diego counties.)

Area: Inyo, Mono and Kern counties south and east of a line beginning at the junction of Highway 182 and the California-Nevada state line; south on Highway 182 to its junction with Highway 395; south on Highway 395 to its intersection with Highway 168 at Bishop; west on Highway 168 to its intersection with the Inyo National Forest boundary; south on the Inyo National Forest boundary to its junction with County Highway J41; south and east on County Highway J41 to its junction with Highway 395; south on Highway 395 to its junction with Highway 14 near Inyokern; south on Highway 14 to its junction with Highway 178 at Freeman; west on Highway 178 to its junction with the Bodfish-Caliente Road at Isabella; south on the Bodfish-Caliente Road to its junction with Highway 58; east on Highway 58 to its junction with the Los Angeles Aqueduct; south and west on the Los Angeles Aqueduct Road to its junction with 265th Street West near Neenach; south on 265th Street West to its junction with the Elizabeth Lake-Pine Canyon Road at Three Points; east along the Elizabeth Lake-Pine Canyon Road to its junction with Highway 14 at Palmdale; south on Highway 14 to its intersection with the Angeles Forest Highway; south on the Angeles Forest Highway to the Mill Creek Summit Road; east and south on the Mill Creek Summit Road to its intersection with the Angeles Crest Highway (Highway 2) at Upper Chilao Campground; east on the Angeles Crest Highway to its intersection with the Los Angeles-San Bernardino county line; north on the

Use of Lights While Hunting: Remainder of State (T14 CCR §264.5)

Lights may be used, in those portions of the state not listed in Section 264, to take furbearers and nongame mammals under the following conditions only:

- (a) Only 9 volt lights or smaller, hand-held or worn on the head are permitted.
- (b) Persons using such lights must be on foot.
- (c) Lights may not be used in or from a vehicle and may not be attached or powered from any source other than self-contained batteries.
- (d) A landowner or tenant suffering damage to livestock or other property by furbearing mammals or nongame mammals may designate, in writing, persons allowed by such landowner or tenant to use artificial lights in excess of 9 volts to assist in taking the depredating mammals. The landowner or tenants shall notify the closest fish and game office whenever furbearing or nongame mammals are taken under this authority.

No furbearing or nongame mammals including any threatened, endangered or fully protected species may be taken contrary to any other prohibition set forth in these regulations.

Fish and Game Code Laws Related to the Use of Lights (FGC §2005)

- (a) Except as otherwise authorized by this section, it is unlawful to use an artificial light to assist in the taking of a game bird, game mammal, or game fish.
- (b) It is unlawful for one or more persons to throw or cast the rays of a spotlight, headlight, or other artificial light on a highway or in a field, woodland, or forest where game mammals, fur-bearing mammals, or nongame mammals are commonly found, or upon a game mammal, fur-bearing mammal, or nongame mammal, while having in his or her possession or under his or her control a firearm or weapon with which that mammal could be killed, even though the mammal is not killed, injured, shot at, or otherwise pursued.
- (c) It is unlawful to use or possess night vision equipment to assist in the taking of a bird, mammal, amphibian, reptile, or fish. For purposes of this subdivision, "night vision equipment" includes,

but is not limited to, the following:

- (1) An infrared or similar light, used in connection with an electronic viewing device.
- (2) An optical device, including, but not limited to, binoculars or a scope, that uses electrical or battery powered light amplifying circuits.
- (d) This section does not apply to any of the following:
 - (1) Sport fishing in ocean waters, or other waters where night fishing is permitted, if an artificial light is not used on or as part of the fishing tackle.
 - (2) Commercial fishing.
 - (3) The taking of mammals governed by Article 2 (commencing with Section 4180) of Chapter 3 of Part 3 of Division 4.
 - (4) The use of a hand-held flashlight that is no larger and emits no more light than a two-cell, three-volt flashlight, and is not affixed to a weapon.
 - (5) The use of a lamp or lantern that does not cast a directional beam of light.
 - (6) Headlights of a motor vehicle that are operated in a usual manner and without attempt or intent to locate a game mammal, fur-bearing mammal, or nongame mammal.
 - (7) An owner of land devoted to the agricultural industry, or the owner's employee, while on that land.
 - (8) An owner of land devoted to the agricultural industry, or the owner's employee, while on land controlled by the owner in connection with the agricultural industry.
 - (9) Other uses as the commission may authorize by regulation.
- (e) A person shall not be arrested for violation of this section except by a peace officer.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

Picacho and Providence Mountains State Recreation Areas (T14 CCR §311.6)

The use of rifles and pistols to take any bird or mammal is prohibited in Picacho and Providence Mountains State Recreation Areas.

Humboldt Bay (FGC §3681)

This section applies the Humboldt Bay area on Mondays, Tuesdays, Thursdays, and Fridays. See game warden before shooting on these days:

“In Districts 8 and 9, it is unlawful to take ducks or geese in any manner below the incoming or outgoing tidewater’s edge or from any blind, boat, floating device, island, islet, or exposed tidal flat except on Saturdays, Sundays, Wednesdays, holidays and the opening and closing days during the prescribed open season except that the use of boats is permitted to retrieve crippled or dead birds.”

In addition, hunters should be aware that there is a special waterfowl closure for south Humboldt Bay.

Fish and Game District 8 (FGC §11016)

The following constitutes Fish and Game District 8: The waters and tidelands to high-water mark of Humboldt Bay lying north of a straight line running east from the center of apron at the approach of the south jetty at the entrance of Humboldt Bay to the east shore line of the bay including the entrance of Humboldt Bay not included in District 7, and excluding all rivers, streams and sloughs emptying into the bay.

Fish and Game District 9 (FGC §11017)

The following constitutes Fish and Game District 9: The waters and tidelands to high-water mark of Humboldt Bay lying south of a straight line running east from the center of apron at the approach to the south jetty at the entrance of Humboldt Bay to the east shore line of the bay, excluding all rivers, streams and sloughs emptying into the bay.

The following is a selection of Federal Regulations that pertain to the hunting of migratory game birds. Persons requiring more information should go to <https://www.fws.gov/library/collections/hunting>, where they will find a complete version of 50 CFR Part 20. When State law is different from the following Federal law the hunter must comply with the most restrictive law.

Migratory Birds are birds protected by federal law as a result of treaties signed with other countries. Protected migratory birds are listed in Title 50 Code of Federal Regulations, Section 10.13. This list includes almost all birds found in the United States with the exception of the house sparrow, feral pigeon (commonly called rock dove), European starling, Eurasian collared-dove, mute swan, and upland game birds (which are

protected by state laws).

What terms do I need to understand? (T50 CFR §20.11)

(a) *Migratory game birds*

means those migratory birds included in the terms of conventions between the United States and any foreign country for the protection of migratory birds, for which open seasons are prescribed in this part and belong to the following families:

- (1) Anatidae (ducks, geese [including brant] and swans);
- (2) Columbidae (doves and pigeons);
- (3) Gruidae (cranes);
- (4) Rallidae (rails, coots and gallinules); and
- (5) Scolopacidae (woodcock and snipe).

(b) *Seasons*

(1) **Open season** means the days on which migratory game birds may lawfully be taken. Each period prescribed as an open season shall be construed to include the first and last days thereof.

(2) **Closed season** means the days on which migratory game birds shall not be taken.

(c) *Bag limits*

(1) **Aggregate bag limit** means a condition of taking in which two or more usually similar species may be bagged (reduced to possession) by the hunter in predetermined or unpredetermined quantities to satisfy a maximum take limit.

(2) **Daily bag limit** means the maximum number of migratory game birds of single species or combination (aggregate) of species permitted to be taken by one person in any one day during the open season in any one specified geographic area for which a daily bag limit is prescribed.

(3) **Aggregate daily bag limit** means the maximum number of migratory game birds permitted to be taken by one person in any one day during the open season when such person hunts in more than one specified geographic area and/or for more than one species for which a combined daily bag limit is prescribed. The aggregate daily bag limit is equal to, but shall not exceed, the largest daily bag limit prescribed for any one species or for any one specified geographic area in which taking occurs.

(4) **Possession limit** means the maximum number of migratory game birds of a single species or a combination of species permitted to be possessed by any one person when lawfully taken in the United States in any one specified geographic area for which a possession limit is prescribed.

(5) **Aggregate possession limit** means the maximum number of migratory game birds of a single species or combination of species taken in the United States permitted to be possessed by any one person when taking and possession occurs in more than one specified geographic area for which a possession limit is prescribed. The aggregate possession limit is equal to, but shall not exceed, the largest possession limit prescribed for any one of the species or specified geographic areas in which tak-

GENERAL PROVISIONS AND DEFINITIONS

ing and possession occurs.

(d) Personal abode means one's principal or ordinary home or dwelling place, as distinguished from one's temporary or transient place of abode or dwelling such as a hunting club, or any club house, cabin, tent or trailer house used as a hunting club, or any hotel, motel or rooming house used during a hunting, pleasure or business trip.

(e) Migratory bird preservation facility

means

(1) Any person who, at their residence or place of business and for hire or other consideration; or

(2) Any taxidermist, cold-storage facility or locker plant which, for hire or other consideration; or

(3) Any hunting club which, in the normal course of operations; receives, possesses, or has in custody any migratory game birds belonging to another person for purposes of picking, cleaning, freezing, processing, storage or shipment.

(f) Paraplegic

means an individual afflicted with paralysis of the lower half of the body with involvement of both legs, usually due to disease of or injury to the spinal cord.

(g) Normal agricultural planting, harvesting, or post-harvest manipulation

means a planting or harvesting undertaken for the purpose of producing and gathering a crop, or manipulation after such harvest and removal of grain, that is conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture.

(h) Normal agricultural operation

means a normal agricultural planting, harvesting, post-harvest manipulation, or agricultural practice, that is conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture.

(i) Normal soil stabilization practice

means a planting for agricultural soil erosion control or post-mining land reclamation conducted in accordance with official recommendations of State Extension Specialists of the Cooperative Extension Service of the U.S. Department of Agriculture for agricultural soil erosion control.

(j) Baited area

means any area on which salt, grain, or other feed has been placed, exposed, deposited, distributed, or scattered, if that salt, grain, or other feed could serve as a lure or attraction for migratory game birds to, on, or over areas where hunters are attempting to take them. Any such area will remain a baited area for ten days following the complete removal of all such salt, grain, or other feed.

(k) Baiting

means the direct or indirect placing, exposing, depositing, distributing, or scattering of salt, grain, or other feed that could serve as a lure or attraction for migratory game birds to, on, or over any areas where hunters are attempting to take them.

(l) Manipulation

means the alteration of natural vegetation or agricultural crops by activities that include but are not limited to mowing, shredding, discing, rolling, chopping, trampling, flattening, burning, or herbicide treatments. The term manipulation does not include the distributing or scattering of grain, seed, or other feed after removal from or storage on the field where grown.

(m) Rice ratooning

means the agricultural practice of harvesting rice by cutting the majority of the aboveground portion of the rice plant but leaving the roots and growing shoot apices intact to allow the plant to recover and produce a second crop yield.

(n) Post-disaster flooding

means the destruction of a crop through flooding in accordance with practices required by the Federal Crop Insurance Corporation for agricultural producers to obtain crop insurance under the Federal Crop Insurance Act (7 U.S.C. 1501 et seq.) on land on which a crop was not harvestable due to a natural disaster (including any hurricane, storm, tornado, flood, high water, wind-driven water, tidal wave, tsunami, earthquake, volcanic eruption, landslide, mudslide, drought, fire, snowstorm, or other catastrophe that is declared a major disaster by the President in accordance with section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170)) in the crop year

(1) In which the natural disaster occurred; or

(2) Immediately preceding the crop year in which the natural disaster occurred.

(o) Natural vegetation

means any non-agricultural, native, or naturalized plant species that grows at a site in response to planting or from existing seeds or other propagules. The term natural vegetation does not include planted millet. However, planted millet that grows on its own in subsequent years after the year of planting is considered natural vegetation.

(p) Resident Canada geese

means Canada geese that nest within the lower 48 States and the District of Columbia or that reside within the lower 48 States and the District of Columbia in the months of April, May, June, July, or August.

GENERAL PROVISIONS AND DEFINITIONS

Migratory Bird Harvest Information Program (T50 CFR §20.20)

(a) Information collection requirements.

The collections of information contained in § 20.20 have been approved by the Office of Management and Budget under 44 U.S.C. 3501 et seq. and assigned clearance number 1018-0015. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The information will be used to provide a sampling frame for the national Migratory Bird Harvest Survey. Response is required from licensed hunters to obtain the benefit of hunting migratory game birds. Public reporting burden for this information is estimated to average 2 minutes per response for 3,300,000 respondents, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Thus the total annual reporting and record-keeping burden for this collection is estimated to be 112,000 hours. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to the Service's Information Collection Clearance Officer at the address provided at 50 CFR 2.1(b).

(b) General provisions.

Each person hunting migratory game birds in any State except Hawaii must have identified himself or herself as a migratory bird hunter and given his or her name, address, and date of birth to the respective State hunting licensing authority and must have on his or her person evidence, provided by that State, of compliance with this requirement.

(c) Tribal exemptions.

Nothing in paragraph (b) of this section shall apply to tribal members on Federal Indian Reservations or to tribal members hunting on ceded lands.

(d) State exemptions.

Nothing in paragraph (b) of this section shall apply to those hunters who are exempt from State-licensing requirements in the State in which they are hunting.

(e) State responsibilities.

The State hunting licensing authority will ask each licensed migratory bird hunter in the respective State to report approximately how many ducks, geese, doves, and woodcock he or she bagged the previous year, whether he or she hunted coots, snipe, rails, and/or gallinules the previous year, and, in States that have band-tailed pigeon hunting seasons, whether he or she intends to hunt band-tailed pigeons during the current year.

What hunting methods are illegal? (T50 CFR §20.21)

Migratory birds on which open seasons are prescribed in this part may be taken by any method except those prohibited in this section.

No persons shall take migratory game birds:

(a) With a trap, snare, net, rifle, pistol, swivel gun, shotgun larger than 10 gauge, punt gun, battery gun, machine gun, fish hook, poison, drug, explosive, or stupefying substance;

(b) With a shotgun of any description capable of holding more than three shells, unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so its total capacity does not exceed three shells.

(c) From or by means, aid, or use of a sinkbox or any other type of low floating device, having a depression affording the hunter a means of concealment beneath the surface of the water;

(d) From or by means, aid, or use of any motor vehicle, motor-driven land conveyance, or aircraft of any kind, except that paraplegics and persons missing one or both legs may take from any stationary motor vehicle or stationary motor-driven land conveyance;

(e) From or by means of any motorboat or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off and/or the sails furled, and its progress therefrom has ceased: Provided, That a craft under power may be used to retrieve dead or crippled birds; however, crippled birds may not be shot from such craft under power except in the seaduck area as permitted in subpart K of this part;

(f) By the use or aid of live birds as decoys; although not limited to, it shall be a violation of this paragraph for any person to take migratory waterfowl on an area where tame or captive live ducks or geese are present unless such birds are and have been for a period of 10 consecutive days prior to such taking, confined within an enclosure which substantially reduces the audibility of their calls and totally conceals such birds from the sight of wild migratory waterfowl;

(g) By the use or aid of recorded or electrically amplified bird calls or sounds, or recorded or electrically amplified imitations of bird calls or sounds.

(h) By means or aid of any motordriven land, water, or air conveyance, or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird;

(i) By the aid of baiting, or on or over any baited area, where a person knows or reasonably should know that the area is or has been baited. However, nothing in this paragraph prohibits:

(1) the taking of any migratory game bird, including waterfowl, coots, and cranes, on or over the following lands or areas that

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

are not otherwise baited areas—

(i) Standing crops or flooded standing crops (including aquatics); standing, flooded, or manipulated natural vegetation; flooded harvested croplands; or lands or areas where seeds or grains have been scattered solely as the result of a normal agricultural planting, harvesting, post-harvest manipulation, rice ratooning, post-disaster flooding, or normal soil stabilization practice;

(ii) From a blind or other place of concealment camouflaged with natural vegetation;

(iii) From a blind or other place of concealment camouflaged with vegetation from agricultural crops, as long as such camouflaging does not result in the exposing, depositing, distributing or scattering of grain or other feed; or

(iv) Standing or flooded standing agricultural crops where grain is inadvertently scattered solely as a result of a hunter entering or exiting a hunting area, placing decoys, or retrieving downed birds.

(2) The taking of any migratory game bird, except waterfowl, coots and cranes, on or over lands or areas that are not otherwise baited areas, and where grain or other feed has been distributed or scattered solely as the result of manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.

(j)

(1) While possessing loose shot for muzzle loading or shotshells containing other than the following approved shot types.

(2) Each approved shot type must contain less than 1 percent residual lead (see § 20.134).

(3) This shot type restriction applies to the taking of ducks, geese (including brant), swans, coots (*Fulica americana*), and any other species that make up aggregate bag limits with these migratory game birds during concurrent seasons in areas described in § 20.108 as nontoxic shot zones.

Wanton Waste of Migratory Game Birds (T50 CFR §20.25)

No person shall kill or cripple any migratory game bird without making a reasonable effort to retrieve the bird, and retain it in his actual custody, at the place where taken or between that place and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Non-toxic Shot

No person may take ducks, geese (including brant), or coots while possessing shot (either in shotshells or as loose shot for muzzle-loading) other than approved non-toxic shot. For a list of approved non-toxic shot, see [FWS Approved Shot Types](#).

Opening Day of a Season

No person on the opening day of the season shall possess any freshly killed migratory game birds in excess of the daily bag limit, or aggregate daily bag limit, whichever applies.

Field Possession Limit

No person shall possess, have in custody, or transport more than the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his automobile or principal means of land transportation; or (b) his personal abode or temporary or transient place of lodging; or (c) a migratory bird preservation facility; or (d) a post office; or (e) a common carrier facility.

Tagging Requirement

No person shall put or leave any migratory game birds at any place (other than at his personal abode), or in the custody of another person for picking, cleaning, processing, shipping, transportation, or storage (including temporary storage), or for the purpose of having taxidermy services performed, unless such birds have a tag attached, signed by the hunter, stating his address, the total number and species of birds, and the date such birds were killed. Migratory game birds being transported in any vehicle as the personal baggage of the possessor shall not be considered as being in storage or temporary storage.

Custody of Birds of Another

No person shall receive or have in custody any migratory game birds belonging to another person unless such birds are properly tagged.

Termination of Possession

Subject to all other requirements of this part, the possession of birds taken by any hunter shall be deemed to have ceased when such birds have been delivered by him to another person as a gift; or have been delivered by him to a post office, a common carrier, or a migratory bird preservation facility and consigned for transport by the Postal Service or a common carrier to some person other than the hunter.

Gift of Migratory Game Birds

No person may receive, possess, or give to another, any freshly killed migratory game birds as a gift, except at the personal abodes of the donor or donee, unless such birds have a tag attached, signed by the hunter who took the birds, stating such hunter's address, the total number and species of birds and the date such birds were taken.

Transportation of Birds of Another

No person shall transport migratory game birds belonging to another person unless such birds are properly tagged.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

GENERAL PROVISIONS AND DEFINITIONS

Species Identification Requirement

No person shall transport within the United States any migratory game birds, except doves and band-tailed pigeons, unless the head or one fully feathered wing remains attached to each such bird at all times while being transported from the place where taken until they have arrived at the personal abode of the possessor or a migratory bird preservation facility.

Marking Package or Container

No person shall transport by the Postal Service or a common carrier migratory game birds unless the package or container in which such birds are transported has the name and address of the shipper and the consignee and an accurate statement of the numbers of each species of birds therein contained clearly and conspicuously marked on the outside thereof.

Migratory Bird Hunting and Conservation Stamp

The law requires that each waterfowl hunter 16 years of age and older must carry on his person a Migratory Bird Hunting and Conservation Stamp (Federal Duck Stamp) that is validated by the hunter signing the stamp in ink across the face of the stamp.

More restrictive regulations may apply to National Wildlife Refuges opened to public hunting.

For additional information on refuge specific regulations see <http://www.fws.gov/refuges/>

Camping Near or Occupying Wildlife Watering Places (T14 CCR §730)

(a) Camping/Occupying Defined.

For purposes of this Section, camping/occupying is defined as establishing or inhabiting a camp; resting; picnicking; sleeping; parking or inhabiting any motor vehicle or trailer; hunting; or engaging in any other recreational activity for a period of more than thirty (30) minutes at a given location.

(b) Wildlife Watering Places Defined.

For purposes of this Section, wildlife watering places are defined as waterholes, springs, seeps and man-made watering devices for wildlife such as guzzlers (self-filling, in-the-ground water storage tanks), horizontal wells and small impoundments of less than one surface acre in size.

(c) Prohibitions.

(1) Camping/Occupying is prohibited within 200 yards of the following:

(A) Any guzzler or horizontal well for wildlife on public land within the State of California.

(B) Any of the wildlife watering places on public land within the

boundary of the California Desert Conservation Area as depicted on the Bureau of Land Management maps of "Calif. Federal Public Lands Responsibility," "Calif. Desert Conservation Area" and the new "Desert District, B.L.M."

(2) Camping/Occupying is prohibited within one-quarter mile of the following wildlife watering places:

(A) Butte Well--T31N, R14E, Section 28, NE1/4, M.D.B.M., Lassen County.

(B) Schaffer Well--T31N R14E, Section 25, Center, M.D.B.M., Lassen County.

(C) Tableland Well--T31N, R14E, Section 17, SE1/4, M.D.B.M., Lassen County.

(D) Table Mountain Well--T31N, R14E, Section 32, SE1/4, M.D.B.M., Lassen County.

(E) Timber Mountain Well--T44N, R6E, Section 33, M.D.B.M., Modoc National Forest, Modoc County.

(F) Belfast Well--T31N, R14E, Section 31, NE1/4, M.D.B.M., Lassen County.

WATERFOWL ZONES

This map should serve only as a guide to the general locations of waterfowl zones. It is your responsibility to become familiar with the exact boundaries. Detailed legal descriptions of waterfowl zones and special management areas are provided in Section 502 in this regulation booklet.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

STATEWIDE AND ZONE WATERFOWL REGULATIONS

Waterfowl, Migratory; American Coot and Common Moorhen (Common Gallinule) (T14 CCR §502)

(a) Definitions.

(1) Dark geese. Dark geese include Canada geese, cackling geese, Aleutian geese and white-fronted geese (“specklebelly”).

(2) Large Canada geese. Large Canada geese include western Canada geese (“honker”) and lesser Canada geese (“lessers”).

(3) Small Canada geese. Small (about the size of a mallard) Canada geese include cackling geese and Aleutian geese. Both are white-cheeked geese nearly identical in appearance to Large Canada geese. Aleutian geese have a thin white neck ring and Cackling geese have dark breasts. Both species have a high-pitched cackle as opposed to the deeper “honking”.

(4) White geese. White geese include Ross’ geese, snow geese and blue phase of both species.

(b) Waterfowl Hunting Zones.

(1) Northeastern California Zone:

In that portion of California lying east and north of a line beginning at the intersection of Interstate 5 with the California-Oregon state line; south along Interstate 5 to its junction with Walters Lane south of the town of Yreka; west along Walters Lane to its junction with Easy Street; south along Easy Street to the junction with Old Highway 99; south along Old Highway 99 to the point of intersection with Interstate 5 north of the town of Weed; south along Interstate 5 to its junction with Highway 89; east and south along Highway 89 to Main Street in Greenville; north and east to its junction with North Valley Road; south to its junction of Diamond Mountain Road; north and east to its junction with North Arm Road; south and west to the junction of North Valley Road; south to the junction with Arlington Road (A22); west to the junction of Highway 89; south and west to the junction of Highway 70; east on Highway 70 to Highway 395; south and east on Highway 395 to the point of intersection with the California-Nevada state line; north along the California-Nevada state line to the junction of the California-Nevada-Oregon state lines west along the California-Oregon state line to the point of origin.

(2) Southern San Joaquin Valley Zone:

Waterfowl Consumption Health Warnings

The California Environmental Protection Agency's Office of Environmental Health Hazard Assessment (OEHHA) determines whether a public health hazard may exist from consumption of waterfowl taken from certain locations in California based on laboratory testing data. The following advisories have been issued. The guidelines are based on risk estimates that assume long-term consumption; thus, occasional intake of duck meat slightly above the recommended quantitative limits is not expected to produce a health hazard.

GRASSLANDS AREA (Western Merced County)

Because of elevated selenium levels, no one should eat more than 4 oz. of duck meat from the Grasslands area in any two-week period. No one should eat livers of duck from the area.

SUISUN BAY (Contra Costa and Solano counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of (greater and lesser) scaup meat or scoter meat in any two-week period. No one should eat livers of duck from the area.

SAN PABLO BAY (Contra Costa, Marin, Solano, Sonoma counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of greater scaup or scoter meat in any two-week period from the bay. No one should eat livers of duck from the area.

SAN FRANCISCO BAY (Alameda, Contra Costa, Marin, San Francisco, San Mateo, Santa Clara counties)

Because of elevated selenium levels, no one should eat more than 4 oz. per week of greater scaup meat from the central bay, or more than 4 oz. per week of greater scaup meat from the south bay in any two-week period. No one should eat livers of duck from the area.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

STATEWIDE AND ZONE WATERFOWL REGULATIONS

Decoys (T14 CCR §505)

The use of live birds as decoys is prohibited.

Shooting Hours (T14 CCR §506)

NOTE: Shooting hours are found in the tables on pages 24 and 25. Shooting hours for migratory game birds, including mourning doves, white-winged doves, band-tailed pigeons, American coots, common moorhens, common snipe (jacksnipe), and waterfowl for all of California shall be from one-half hour before sunrise to sunset.

EXCEPTION: In areas open to hunting on, over or adjacent to the waters of Morro Bay, San Luis Obispo County, the shooting time shall be from 7:00 a.m. to sunset.

Provisions Related to the Taking of Migratory Game Birds (T14 CCR §507)

[as defined in Section 502 but also includes mourning doves, white-winged doves, band-tailed pigeons, and snipe.]

(a) Authorized Methods

Only the following methods may be used to take migratory game birds:

(1) Falconry.

(2) Bow and Arrows or Crossbows.

Only arrows or crossbow bolts with flu-flu fletching may be used except that conventionally fletched arrows may be used to take waterfowl sitting on the water from scull boats or similar watercraft.

(3) Muzzle-loading Shotguns.

(4) Shotguns 10 Gauge or Smaller.

Shotguns 10 gauge or smaller using shot shells only and incapable of holding more than three shells in the magazine and chamber combined may be used, except no shotgun larger than 12 gauge shall be used in areas open to hunting on, over or adjacent to the waters of Morro Bay, San Luis Obispo County. If a plug is used to reduce the capacity of a magazine to fulfill the requirements of this section, the plug must be of one-piece construction incapable of removal without disassembling the gun. Shotgun shells may not be used or possessed that contain shot size larger than T shot in steel or other non-toxic shot approved by the U.S. Fish and Wildlife Service. All shot shall be loose in the shell.

(b) Use of Dogs.

Dogs may be used to take and retrieve migratory game birds.

(c) Prohibition on Electronically operated Devices.

Electronic or mechanically-operated calling or sound-reproducing devices are prohibited when attempting to take migratory game birds. It is unlawful to use devices that are either electronically-powered, or activated by anything other than natural wind, to directly or indirectly cause rotation of decoy wings or blades that simulate wings, when attempting to take waterfowl

between the start of the season and November 30th.

(d) Live Decoy Prohibition.

The use of live decoys is prohibited when attempting to take migratory game birds.

Nontoxic Shot Requirement for Waterfowl, American Coot, and Common Moorhen Hunting (T14 CCR §507.1)

Only bismuth-tin, steel, copper-plated steel, nickel-plated steel, tin-plated steel, zinc-plated steel, zinc chloride-plated steel, zinc chromate plated steel, iron-tungsten, iron-tungsten-nickel, tungsten-bronze, tungsten-iron-copper-nickel, tungsten-matrix, tungsten-polymer, tungsten-tin-iron, tungsten-tin-bismuth, tungsten-tin-iron-nickel, and tungsten-iron-polymer or other nontoxic shot approved by the U.S. Fish and Wildlife Service may be used or possessed for waterfowl, American coot and common moorhen hunting statewide.

NOTE: The U.S. Fish and Wildlife Service reviews and may approve applications for other types of non-toxic shot throughout the year. Other non-toxic shot types that may have been approved after the publication of this booklet may be found at: <https://www.fws.gov/story/2022-04/nontoxic-shot-regulations-hunting-waterfowl-and-coots-us>

Scull Boats (T14 CCR §507.5)

Migratory game birds may not be taken by a scull boat or similar watercraft while under motorized power. The motor shall be removed from its mountings before any take or approach is attempted.

This section shall not prohibit shooting migratory game birds from scull boats or similar watercraft with motor attached if beached or anchored; nor shall it prohibit the use of a motor for the sole purpose of picking up dead or injured birds.

Concurrence with Federal Regulations (T14 CCR §509)

(a) The regulations adopted by the United States through its Secretary of Interior under the Migratory Bird Treaty Act, as amended annually in Part 10, subparts A and B, and Part 20, Title 50, Code of Federal Regulations, are hereby adopted and made a part of this Title 14 except where said federal regulations are less restrictive than the provisions of Chapter 7 of this Title 14 (sections 500-509), the provisions of Chapter 7 prevail.

(b) Any violations of the regulations adopted pursuant to subsection (a) are violations of this section.

(c) It shall be unlawful for any person aged sixteen years or older to take any migratory waterfowl unless at the time of such taking the person carries in his or her immediate possession an unexpired Federal migratory-bird hunting and conservation stamp validated by his or her signature written by him or herself in ink across the face of the stamp or an unexpired Federal migratory-bird hunting and conservation electronic stamp, issued in his or her name prior to any taking of such birds.

Greater sage-grouse hunting is closed for the 2024-2025 season. In 2017, the Fish and Game Commission adopted quotas of zero for all sage grouse hunting zones due to declining population estimates conducted by the California Department of Fish and Wildlife and this closure remains in effect.

Drawing Process for Special Upland Game Wild Bird Hunts

Drawing application for the specially managed wild upland game bird hunt may be purchased online, at license agents, at CDFW license sales offices or by calling (800) 565-1458. To apply hunters must have a valid California hunting license. Adult hunters must also purchase an Upland Game Bird Validation to hunt upland game birds. Hunters may select their top three choices and may only apply once for each available hunt date for each area. Hunters must be successfully drawn through this random drawing application to participate in pheasant, chukar, quail, wild turkey and dove special hunts. For additional information and hunting opportunities go to <http://wildlife.ca.gov/Hunting/Upland-Game-Birds/Hunts>.

The Apprentice Pheasant Hunts for beginning hunters will continue to be applied at <https://nrm.dfg.ca.gov/ApprenticeHunts/Default.aspx>.

Resident Small Game Defined (T14 CCR §257)

“Resident small game” means the following resident game birds: Chinese spotted doves, Eurasian collared-doves, ringed turtle-doves of the family Columbidae, California quail and varieties thereof, Gambel’s or desert quail, mountain quail and varieties thereof, sooty (blue) grouse, ruffed grouse, sage grouse, white-tailed ptarmigan, Hungarian partridges, red-legged partridges, including the chukar and other varieties, ring-necked pheasants and varieties, and wild turkeys of the order Galliformes; and the following game mammals: jackrabbits and varying hares (genus *Lepus*), cottontail rabbits, brush rabbits, pygmy rabbits (genus *Sylvilagus*), and tree squirrels (genus *Sciurus* and *Tamiasciurus*).

Shooting Hours for Upland Game Birds (T14 CCR §310.5)

NOTE: Shooting times are on pages 21-22.

The shooting hours for all upland game birds, except for pheasants and the spring wild turkey season, shall be from one-half hour before sunrise to sunset. The shooting hours for pheasants shall be from 8:00 a.m. to sunset. The shooting hours for the spring wild turkey season shall be from one-half hour before sunrise to 5:00 p.m.

Methods Authorized for Taking Resident Small Game (T14 CCR §311)

[Refer to Section 507, page 32, for authorized methods of take for migratory game birds, i.e. mourning doves, white-winged

doves, band-tailed pigeon, and snipe.] The take or attempted take of any resident small game with a firearm shall be in accordance with the use of nonlead projectiles and ammunition pursuant to Section 250.1. Only the following may be used to take resident small game:

(a) Shotguns 10 gauge or smaller using shot shells only and incapable of holding more than three shells in the magazine and chamber combined. If a plug is used to reduce the capacity of a magazine to fulfill the requirements of this section, the plug must be of one piece construction incapable of removal without disassembling the gun;

(b) Shotgun shells may not be used or possessed that contain shot size larger than No. BB, except that shot size larger than No. 2 may not be used or possessed when taking wild turkey. All shot shall be loose in the shell.

(c) Muzzle-loading shotguns;

(d) Falconry;

(e) Bow and arrow (see Section 354 for archery equipment regulations);

(1) It shall be unlawful to take wild turkey by use of hunting arrows and crossbow bolts unless fitted with a broad head type blade which will not pass through a hole seven-eighths inch in diameter. Mechanical/ retractable broad heads shall be measured in the open position.

(f) Air rifles powered by compressed air or gas and used with any caliber of pellet, except that wild turkey may only be taken with a pellet that is at least 0.177 caliber;

(g) In addition to the methods listed in (a), (b), (c), (d), (e), and

(f) above, firearm rifles and pistols may be used for taking rabbits and squirrels only; except in Los Angeles County where rifles and pistols may not be used;

(h) In San Diego and Orange counties only, rabbits may be taken at any time during the open season by means of box traps. Such traps shall not exceed 24 inches in any dimension, shall be tended at least once every 24 hours, and shall show the name and address of the trap owner. All rabbits taken under this section shall be immediately killed and become a part of the daily bag limit;

(i) Electronic or mechanically-operated calling or sound-reproducing devices are prohibited when attempting to take resident game birds;

(j) Coursing dogs may be used to take rabbits;

RESIDENT SMALL GAME AND CROW REGULATIONS

(k) Archers hunting during any archery season may not use or possess a firearm while in the field engaged in archery hunting during an archery season except as provided in subsection (1).

(1) Nothing in this section shall prohibit the lawful possession of a concealed firearm by an active peace officer listed in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code or a retired peace officer in lawful possession of an identification certificate issued pursuant to Penal Code Section 25455 authorizing the retired officer to carry a concealed firearm. Nor shall this section prohibit the lawful possession of a concealed firearm pursuant to a concealed carry permit issued pursuant to Penal Code Section 26150 or 26155.

(l) The use of live decoys is prohibited when attempting to take resident game birds;

(m) Pistols and revolvers may be used to take sooty and ruffed grouse in those counties only and for the season described in Section 300(a)(1)(E).

(n) Crossbows, except for provisions of Section 354(d) and (g).

(o) Dogs may be used to take and retrieve resident small game.

Lands Pass Program

Since the 1990s, a lands pass has been required on certain CDFW lands for each visitor, 16 years or older, who is not carrying a valid hunting or fishing license.

Currently lands passes are required on

- Ash Creek Wildlife Area
- Bass Hill Wildlife Area
- Battle Creek Wildlife Area
- Boden Canyon Ecological Reserve
- Butte Valley Wildlife Area
- Canebrake Ecological Reserve
- Gray Lodge Wildlife Area
- Hollenbeck Canyon Wildlife Area
- Hope Valley Wildlife Area
- Horseshoe Ranch Wildlife Area
- Los Banos Wildlife Area
- Mouth of Cottonwood Creek Wildlife Area
- North Table Mountain Ecological Reserve
- San Felipe Valley Wildlife Area
- San Jacinto Wildlife Area
- Shasta Valley Wildlife Area
- Upper Butte Basin Wildlife Area
- Volta Wildlife Area
- Willow Creek Wildlife Area
- Woodbridge Ecological Reserve

In the future, additional properties listed in subsections 551(w) and 630(c) may be added to the lands pass requirement. An up-to-date list of properties that require a lands pass is maintained at wildlife.ca.gov/licensing/lands-pass. Lands passes can be obtained on-line at <https://wildlife.ca.gov/Licensing/Lands-Pass> and printed at home, by phone at (800) 565-1458, or in-person (sales agent and CDFW sales office locations at wildlife.ca.gov/Licensing).

Purchase lands passes in advance of your visit as they are not sold on-site and cell/wifi may be unavailable.

Plan Ahead Before Visiting a Wildlife Area

IMPORTANT: Check stations do not sell any license items, permits or passes. Be sure to purchase any needed licenses, passes and validations from a CDFW license sales office, a license agent or online at wildlife.ca.gov/Licensing/Online-Sales.

Mobility Impaired Hunter Requirements and Information

A number of State Wildlife Areas and National Wildlife Refuges have hunting blinds designated for use by mobility impaired hunters. A "mobility impaired hunter" is defined as any person who has been issued a Department of Motor Vehicles "Dis-

abled License Plate"; "Permanent Parking Placard Identification Card"; "Disabled Veteran License Plate"; or valid "Mobility Impaired Disabled Persons Motor Vehicle Hunting License" (DFW 1460). The blue plastic "Disabled Parking Placard" may not be substituted for the required "Identification Card" which bears the name of the mobility impaired person. Disabled hunters must provide the registration certificate for DMV issued disabled license plates.

Disabled Accessible Blind Sites Exist at the Following Areas

National Wildlife Refuges:

Sacramento (4), Colusa (2), Sutter (1), Delevan (3), Merced (1), Kesterson (2), Sonny Bono Salton Sea (2), Kern (2)

State Wildlife Areas:

Gray Lodge (5), Grizzly Island (2), Imperial (4), North Grasslands (2), Mendota (7), Los Banos (2), San Jacinto (2), Upper Butte Basin (7), Yolo Bypass (2).

Additional areas with Disabled access to assigned ponds:
Colusa and Sutter.

Area with disabled access to an island (no blind):
Yolo Bypass.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

PUBLIC USES ON STATE AND FEDERAL LANDS

Details regarding facilities at each location can be obtained by phoning the information number listed in this booklet for each area. Disabled accessible blind sites not filled through the reservation draw conducted by the department's License and Revenue Branch, will be filled through an on-site lottery draw or by a disabled only first-come, first-served waiting list or line. Disabled hunters, who enter the first-come, first-served waiting list or line, may not enter any other first-come, first-served list or line, on the wildlife area or refuge for that hunt day.

Waterfowl Reservation System

Reservations to hunt on specified State-controlled hunting areas during the waterfowl and pheasant seasons are issued by drawing. Resident, junior and nonresident hunters with annual hunting licenses may apply. Hunters may apply as many times per season as desired but no more than once for each area for each shoot day. Season-long and multiple choice reservation applications may be submitted through the Automated License Data System online, at CDFW license sales offices and license agents. Each reservation assures entry to the area selected for the date issued. Reservations may not be transferred to another person. Refunds will not be issued for emergency area closures due to unforeseen weather or other conditions. Reservations for areas that are closed due to flooding will not be accepted at other areas. Numbered reservations will be honored in numerical order, at the time the check station starts issuing permits for the hunt day, except for Grizzly Island and Mendota Wildlife Area, where reservations are processed in order of vehicle position. Reservation holders must be present at the time their reservation number is called.

How to Apply

Starting on September 1st, hunters may purchase season-long, multiple choice, active military, and veteran reservation applications through the Automated License Data System online, at department license sales offices, license agents, or on the Internet for any or every available Saturday, Sunday and/or Wednesday. The fee is \$1.34 per hunt choice. To be included in the drawing, completed applications must be submitted at least 17 days before the hunt date requested.

Disabled hunters may apply for a drawing to hunt at disabled accessible hunting sites by entering the hunt code for the desired disabled accessible hunting site on their reservation application. To apply, hunters must meet the requirements to hunt at a disabled accessible hunting site (see page 10). Hunters who apply for a disabled accessible hunting site at a given area may not apply for any other reservation draw for that area on that date.

DEPARTMENT OF FISH AND WILDLIFE LANDS

General Regulations for Public Use on All Department of Fish and Wildlife Lands (T14 CCR §550)

(a) All department land, except for fishing access and public access lands, is closed to visitor access and use until and unless the land is opened for a use or uses through regulations adopted by the commission in sections 550, 550.5, 551, 552, 630, and 702 of these regulations. The commission determines whether proposed designations and uses are consistent with the authorizing and reference statutes listed at the end of this section and the purposes for which the lands were acquired. Each proposed designation or use is subject to review pursuant to state and federal regulatory requirements prior to being authorized.

(b) Definitions.

(1) “Department land” is defined as:

(A) any state-owned real property over which the department has jurisdiction and management authority;

(B) real property over which the department has management authority through a current lease, memorandum of understanding, management agreement, or similar document;

(C) real property designated by the commission as a wildlife area (Section 551 of these regulations);

(D) real property designated by the commission as an ecological reserve (Section 630 of these regulations);

(E) real property held or administered by the department as a fishing access;

(F) real property held or administered by the department as a public access;

(G) real property designated by the commission as a public shooting area.

(2) “Compatible uses” is defined as:

uses that are consistent with the purposes and management of a particular department land. Predominant compatible uses on department lands are hunting, fishing, wildlife viewing, wildlife photography, environmental education and/or environmental research.

(3) “Environmental education” is defined as:

(A) department administered or sponsored interpretive programs offered to the public; or

(B) activities to increase the understanding and appreciation of wildlife and the natural environment conducted by organized youth or school groups.

(4) “Environmental research” is defined as:

the field study of biological, physical, or cultural processes or

values with the primary purpose of improving the understanding of the natural environment.

(5) “Visitor” is defined as:

any person, other than a department employee or designee performing official duties, who enters department land.

(6) “Entry permit” is defined as:

a permit which allows entry to specified department land for department-authorized activities where general access is restricted per subsection 550(c)(2)(D). Entry permits may require payment of a fee to the department.

(7) “Hunting Pass” is defined as:

a proof of payment of a fee that must be presented by a visitor in order to obtain an entry permit to hunt on specified department lands.

(8) “Lands Pass” is defined as:

a proof of payment of a fee for entry for authorized uses other than hunting that is required of visitors who are not carrying a valid hunting, fishing or trapping license on department lands listed in subsections 551(w) and 630(c).

(9) “Special use” is defined as:

an activity, use, event or gathering on department land that is not authorized in sections 550, 551 or 630 of these regulations but which may be allowed with written authorization from the department; typically in the form of a Special Use Permit. When allowed, special uses occur on a limited basis as defined in the Special Use Permit or other authorizing document. An authorized special use on department land shall not conflict with the normal uses, purposes or management of the department land.

(10) “Reservation” is defined as:

a randomly drawn application that assures entry onto a wildlife area, when presented with the appropriate entry pass as specified in Section 550.5(c), if applicable.

(11) “Non-shooter” is defined as:

a visitor who accompanies a hunter in the field or remains at a designated parking area.

(12) “Fishing” for the purposes of department land is defined as:

angling as defined in Section 1.05 of these regulations, or as taking fish on department wildlife areas using bow and arrow fishing tackle as defined in Section 1.23 of these regulations.

(13) “Hunting” for the purposes of department land is defined as:

the legal take (as take is defined in Fish and Game Code Section 86) of wildlife species pursuant to sections 550, 550.5, 551, 552, and 630 of these regulations, in addition to the general hunting regulations for seasons and method of take. The provisions of sections 550, 550.5, 551, 552, and 630 shall have

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

precedence over general hunting regulations on department land where there may be differences between them.

(14) “Camping” for the purposes of department land is defined as:

an overnight or after-hours visitor stay which may include a vehicle, trailer, motor home, boat, tent, or any other type of vehicle or shelter.

(15) “Wildlife viewing” for the purposes of department land is defined as:

pedestrian use of roads or designated trails when and where authorized by the department.

(16) “Dog training” for the purposes of department land is defined as:

the noncommercial act of training a hunting dog to improve the dog’s performance in hunting migratory or upland game birds and retrieval of downed game, and to enhance the hunting experience.

(17) “Dog trial” for the purposes of department land is defined as:

an organized competitive or scored event for testing hunting dog performance.

(18) “Upland game birds” for the purpose of department land is defined as:

the upland game bird species listed in Fish and Game Code Section 3683.

(c) Visitor Entry and Responsibilities.

(1) Visitors are responsible for knowing and complying with all regulations pertaining to fishing, hunting, and use of department land.

These regulations are incorporated by reference into and become a condition of all visitor entry, passes, entry permits, and special use permits. Failure to comply with any such regulations is a violation of this section.

(2) Visitor entry onto department land is at the discretion of the department, which may limit entry as it deems appropriate, to manage and protect fish, wildlife, native plants, habitats and other natural resources.

Entry may require payment of a fee, a pass and/or an entry permit as provided in subsection 550.5(c).

(A) Visitor entry, where authorized or designated, is for activities authorized according to sections 550, 550.5, 551, 552, or 630 of these regulations. It shall be unlawful to enter or use department land without complying with the applicable sections of these regulations.

(B) All visitors shall present and show valid entry permits; day season or annual passes, licenses; and all fish and game taken on department land at the checking station or upon the request

of any department employee. Visitors shall return all entry permits to the checking station or point of entry upon leaving department land.

(C) Visitor entry is authorized only from sunrise to sunset except during department-authorized hunting or fishing opportunities when access to hunting and fishing sites at other times may be permitted.

(D) The department may close all or portions of department land to visitors entirely, seasonally, or to specific activities or uses, and may limit the number of visitors entering an area for safety reasons, to reduce crowding, to avoid or reduce environmental disturbance, to limit the take of species, or to protect natural or cultural resources. Designated closures and use restrictions for specific properties are provided in sections 551 (for wildlife areas) and 630 (for ecological reserves) of these regulations.

1. The department may close any department land, or portion thereof, to any or all visitor use or access, without notice, by posting closed signs.

2. No visitor(s), other than those possessing written authorization from the department, shall enter or access any department land or portion thereof which is closed to visitors, including areas posted with closed signs and seasonally closed areas. This restriction does not apply to department employees or designees in the performance of official duties.

3. On all Type A and Type B wildlife areas during the waterfowl and pheasant seasons, no entry permits will be issued after 3:00 p.m.

(E) On department land where entry and exit sites are designated by the department, no visitor shall enter or leave the land except at those designated sites.

(F) It shall be unlawful for a visitor to enter any department land or portion thereof where the department has restricted visitor entry without a valid entry permit or pass. Subsection 550.5(c) specifies how to obtain an entry permit or pass.

1. Where a fee is required for entry, a pass must be purchased in advance through the department’s Automated License Data System. Passes are sold by license agents, department license sales offices, or online at wildlife.ca.gov.

2. Where an entry permit is required for hunting, a hunting pass must be presented with photo identification at the time of entry for issuance of an entry permit. Entry permits are available and issued by the department only at the area checking station, point of entry, or by mail for successful special drawing applicants.

3. Rules regarding entry and reservation fees required for hunting on certain wildlife areas are in subsection 550.5(c) and Section 702 of these regulations.

4. Where a fee is required for entry for authorized uses other

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

than hunting, a Lands Pass must be purchased in advance. Additional rules for Lands Passes are in subsection 550.5(c) of these regulations.

(3) Daily Entry Permit Revocations, Refusals, and Ejections.

Employees of the department are authorized to refuse entry or issuance of entry permits, revoke permits and/or eject any visitor from department land for violation of any regulations, drug or alcohol intoxication, disorderly conduct, or for any reason when it appears that the general safety or welfare of the property or persons thereon is threatened. The decision and duration of revocation, in such respect, of any department employee assigned management or enforcement responsibilities for the area shall be final.

(A) Visitors found to violate any such refusal, revocation or ejection may be cited and fined.

(B) Visitors affected by this subsection may appeal such actions to the commission.

(4)

Electric bicycles and motorized transportation devices (including but not limited to motorized bicycles, scooters, and carts) are prohibited on all department lands except where posted as allowed. The department may allow electric bicycles in particular areas based on the purposes for the department land; the infrastructure, capacity, and staffing available to support the activity; human safety considerations; and/or the protection of natural resources.

(5) Penalties.

(A) A visitor's failure to comply with sections 550, 551, 552 or 630 of these regulations may result in any or all of the following:

1. denial of permission to enter department lands;
2. revocation of any pass and/or permit already issued;
3. ejection from department lands for up to one calendar year from the date of discovery; and
4. citation or arrest under applicable provisions of the Fish and Game Code or these regulations.

(B) proceeding under any of the above provisions shall not preclude the exercise of any other remedy.

(d) Special Use Permits.

Any person, group, organization, agency or company wishing to request approval of a special use, as defined in subsection 550(b)(9), on any department land shall submit a Permit Application for Special Use of Department Lands and the permit fee as specified in Section 702 of these regulations to the department. Additional regulations that apply to Special Use Permits are located in Section 550.5 of these regulations. Department

review and issuance is dependent upon staffing availability. If the department determines that the requested special use can be conducted in a manner that is not in conflict with current uses, management, or purposes of the department land on which the special use is proposed, the department may issue a special use permit.

(1) The department will charge fees to recover the department's reasonable costs to review and issue Special Use Permits.

(2) Conditions of issuance of the Special Use Permit may include a requirement to reimburse the department for any staff time or other costs related to the special use.

(3) All permittees shall observe and comply with all local, state and federal laws, regulations, requirements, terms, and conditions applicable to the special use.

(4) The Special Use Permit must be approved in writing by the department and in possession of the permittee prior to entering, and during the use of, department land.

(e) Environmental Education.

Environmental education activities on department land shall be conducted only under written authorization from the regional manager or designee and coordinated with the area manager.

(1) If a purpose of the environmental education activity is to generate revenue for a person, entity or organization, the written authorization shall be in the form of a Special Use Permit.

(f) Research.

Environmental research on department land shall be conducted only under written authorization from the regional manager or designee. Authorization may be given if the department determines that the environmental research and associated activities are compatible with current uses, management and purposes of the property. Conditions of approval may include, but are not limited to:

- (1) proof of all necessary collecting permits;
- (2) submission of written progress reports to the department;
- (3) a schedule of activities and deliverables;
- (4) provision of electronic copies of geospatial and all other field data and reports in a digital format specified by the department; and
- (5) submission of copies of Natural Diversity Database field data forms for species tracked by the department.

(g) Protection of Resources.

Except for the take of fish and/or wildlife in compliance with general and site-specific hunting and fishing regulations, or under written authorization from the department to conduct environmental research or environmental education, no visitor

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

shall:

(1) mine or disturb geological formations, archeological, cultural or anthropological artifacts, structures, or resources;

(2) take or disturb any bird nest, or eggs thereof;

(3) cut, saw, trim, remove, or disturb any plant, mammal, fish, mollusk, crustacean, amphibian, reptile, soil, sand, gravel, rock, mineral, or any other form of plant or animal life on department land, except that non-woody vegetation may be cut and used for temporary hunting blinds; or

(4) construct or build any type of structure, including those made of vegetation (except as provided in subsection 550(g) (3)) or any other type of material, on department land except as may be specifically authorized by a Special Use Permit.

(h) Fishing.

Fishing (as defined in subsection 550(b) (11)) on department land shall be allowed except as otherwise stated in subsections 551(o), 551(y) or 630(e) of these regulations, or when the area is closed according to these regulations or posted by the department with signs that prohibit entry or fishing.

(1) Fishing shall be conducted in accordance with general fishing regulations, except that it shall be limited to fishing from the shore unless boating facilities and/or areas for boats or other floating devices are designated or as allowed in subsections 551(o), 551(y) or 630(e) of these regulations.

(2) No visitor shall take fish (as defined in Fish and Game Code Section 45) from department land for commercial purposes.

(i) Regional Manager's Authority.

(1) The regional manager or their designee shall have the authority to place temporary restrictions on visitor use of department land for the purposes of protecting public health and safety or natural resources when circumstances warrant additional restrictions, and where such restrictions are not provided in sections 550, 550.5, 551, 552, and 630 of these regulations.

(2) On state wildlife areas, the regional manager may authorize junior pheasant hunts during or outside the general pheasant season and may authorize junior turkey hunts during the regular season.

(3) For Lower Sherman Island Wildlife Area only, the Regional Manager may determine whether decoys may be left in the field.

(j) Wildlife viewing, hiking, and photography are allowed on department land except when the property or portion of the property is specifically closed.

(1) Photography, videography, or filming of any type for commercial (profit or sale) purposes on or of department land requires a Special Use Permit from the department and a permit from the California Film Commission, pursuant to Government

Code section 14998.8, et seq. The department shall not authorize or issue a Special Use Permit for any commercial photography, videography, or filming of any type without a valid permit from the California Film Commission.

(k) Introduction of Species.

Visitors are prohibited from releasing, introducing, or transplanting animal or plant species, including domestic or domesticated species, onto or within department land or waters without a valid permit issued by the department or except as authorized for dog training in a designated area.

(l) Feeding of Wildlife.

Visitors are prohibited from feeding fish or wildlife except as part of an otherwise legal activity, such as fishing in compliance with general fishing regulations, and Section 550(h).

(m) Pets.

Visitors are prohibited from bringing pets, including but not limited to dogs and cats, onto department land except on a leash of less than ten feet or inside a motor vehicle, unless otherwise prohibited or restricted in subsections 551(o) or 630(h) of these regulations, or by prohibitions posted on the department land. Visitors may use dogs for hunting during an open season for an authorized species pursuant to subsection (n) of this section, unless otherwise prohibited.

(n) Use of Dogs for Hunting, Training and Dog Trials.

The department may prohibit or restrict dog training, dog trials, or the use of dogs for any purpose on any department land. While in parking lots or checking stations, dogs must be leashed. While engaged in authorized hunting, training or dog trials, dogs may be off leash. On wildlife areas, while in transit between parking lots or check stations and the areas where authorized hunting, training or dog trials take place, dogs may be off leash but must be kept within ten feet of their owner or handler. On ecological reserves, when not engaged in authorized hunting, training or dog trials, dogs must be controlled per subsection (m) of this section.

(1) Dog training is allowed only on department lands with designated dog training areas as identified in subsections 551(i) and 630(i) of these regulations and, pursuant to those subsections, may require written authorization.

(2) Dog trials are authorized on department land identified in subsection 551(i) of these regulations and require a Special Use Permit pursuant to subsection 550.5(d) of these regulations.

(3) The use of dogs for hunting mammals or training or training to prepare for or simulate hunting mammals on department land is subject to the provisions of Section 265 of these regulations.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

(4) Additional site-specific regulations pertaining to dogs apply as specified in subsection 551(o) of these regulations.

(o) Horses, Pack Stock, and Horseback Riding.

Recreational use of horses is allowed on department lands designated as wildlife areas except when the area is specifically closed or as specified in subsection 551(l) of these regulations. The recreational use of horses is prohibited on all other department lands except lands with department-designated horse trails or areas identified in subsection 630(g) of these regulations.

(p) Camping, Motorhomes, and Camp Trailers.

(1) No visitor shall camp, including on a boat, on any department land except on those wildlife areas where the department has designated campsites or camping areas, as provided in subsection 551(m) and Section 552 of these regulations. Within these wildlife areas, camping shall occur only in the department-designated campsites or areas. Camping, where authorized, may be conducted for up to seven consecutive nights and for a total of no more than fourteen nights per calendar year.

(2) The department may provide written authorization to camp outside of designated camping areas for authorized research, monitoring or management purposes. Such written authorization shall be in the immediate possession of the authorized person(s) at all times while on department land.

(3) Campers, camp trailers and motorhomes are prohibited on department lands except on those lands with department-designated camp trailer or motorhome accessible camping or parking areas.

(A) Visitors who wish to camp must register their camper, camp trailer or motorhome at the checking station or appropriate office and are limited to one camper, camp trailer or motorhome per registrant in the parking area. Utility trailers and cargo trailers are prohibited in designated camper, camp trailer and motorhome accessible camping and parking areas unless specifically authorized under a Special Use Permit.

(B) Parking areas are for visitor use only. The visitor responsible for the registered camper, camp trailer or motorhome shall show proof of use of the area within the previous seven days upon request. Failure to do so may result in citation and removal of the truck and camper, camp trailer or motorhome at the owner's expense.

(C) Campers, camp trailers and motorhomes over 30 feet in length are prohibited on all department lands.

(D) Tow vehicles for camp trailers must be stowed in designated vehicle parking lots.

(4) Camping is prohibited on all department lands designated as ecological reserves.

(q) Fires.

(1) Except as further restricted in subsection 551(n) of these regulations, fires are restricted to portable gas stoves, charcoal briquette barbecues, or fireplaces or pits developed by the de-

partment for visitor use, within department-designated campsites or camping areas on those lands designated as wildlife areas.

(2) Visitors are prohibited from using any form of fire on other department lands, including but not limited to wildlife areas that do not include designated campsites or camping areas and those lands designated as ecological reserves.

(3) No fire shall be left unattended and all fires shall be completely extinguished by the visitor before leaving the site.

(r) Hazardous Substances.

No visitor shall apply, leave, dump, bury, release or dispose of any pesticide, herbicide, or hazardous substance, material or waste in, on, or from department land.

(s) Farming or Grazing.

Unauthorized farming or grazing (including but not limited to cattle, horses, sheep, goats, and hogs) and associated activities on department land are prohibited.

(t) Vandalism.

No visitor shall tamper with, deface, damage, destroy or remove any property not their own when such property is located within any department land.

(u) Signs and Markers.

No visitor shall tamper with, deface, damage, destroy or remove any barrier, sign, signpost, trail marker, or signboard on any department land. No visitor shall place any sign, flagging, or marking of any kind on any department land without prior written authorization from the department.

(v) Litter.

It shall be unlawful to leave, deposit, drop, dump, bury, or scatter any bottles, cans, glass (including broken glass), feathers, hides, carcasses, targets, shells, casings, vegetation, earth, rock, waste, sewage, cigarettes, cigars, or other debris or trash ("refuse") on any department land except in a receptacle or area designated for that purpose. Where no designated receptacles are provided, visitors must remove all refuse from the area.

(1) Visitors shall remove all of their personal equipment and belongings from department land daily. Failure to do so may result in unremoved items being deemed litter and disposed of.

(w) Fireworks/Explosives.

No visitor shall import, possess or use fireworks, explosives or incendiary devices of any type on any department land unless authorized under permit by the department for management purposes.

(x) Possession and Use of Alcohol, Marijuana, and Controlled Substances.

(1) No visitor shall possess, use, or be under the influence of

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

alcohol while in the field hunting. For the purpose of this section, “in the field” is defined as all areas of department land except designated parking and camping areas. Visitors under the influence of alcohol to a level determined to be unsafe may be cited and ejected per section 550(c)(3).

(2) No visitor shall possess, use, or be under the influence of marijuana on any department land. Visitors in possession of medical marijuana cards and/or other legal authorization to possess marijuana for medical purposes (per Health and Safety Code sections 11362.7 through 11362.83) may only possess marijuana in that visitor’s transport vehicle. Visitors with authorization to possess marijuana may not use it or be under its influence on department land. Visitors using or determined to be under the influence of marijuana on department land, or in possession of marijuana in violation of this section, may be cited and ejected per section 550(c)(3).

(3) No visitor shall possess, use, or be under the influence of any illicit controlled substance on any department land. Visitors possessing, using or under the influence of any illicit controlled substance on any department land may be cited and ejected per section 550(c)(3). Illicit controlled substances for purposes of this regulation are those substances where no medical authorization exists and no legal authorization allows possession for legitimate use of the substance.

(y) Motor Vehicles.

(1) Visitors are prohibited from driving or operating any motor vehicle or trailer on department lands except on designated roads.

(2) Visitors are prohibited from stopping any motor vehicle between designated parking areas to drop off passengers or hunting equipment.

(3) On department lands where auto tour routes are provided, visitors shall use any pullouts or wide spots along the route to stop and view wildlife rather than block the road for other visitors.

(4) Designated parking areas are for visitor use only. Parking motor vehicles and trailers outside of designated parking areas is prohibited except for special use or research permittees who may be authorized otherwise. Utility, flatbed, cargo, or similar trailers are prohibited on department lands except as authorized under a Special Use Permit.

(5) No visitor shall operate a motor vehicle carelessly in willful disregard of the rights or safety of others, or without due caution, or at a speed or in a manner likely to endanger any person, property, natural resources, or wildlife on department lands.

(6) Operators of motor vehicles shall not exceed 15 mph, unless otherwise posted, and shall comply with traffic and other signs posted on department lands.

(7) The use of off highway vehicles (OHVs), all-terrain vehicles (ATVs), motorcycles, and snowmobiles is prohibited on all department land, except where authorized and designated in subsection 551(k) of these regulations.

(z) Boats and Swimming.

(1) The department may restrict the use and operation of boats, boat motors, and floating devices (“boating”) on department lands to protect natural resources or provide for the orderly operation of compatible uses on these areas. Boating restrictions may include but are not limited to, prohibitions on use and operation or, if boating is allowed, limiting boat speeds and/or motor size and type. During the times waterfowl are present, the provisions of Section 251 of these regulations, which prohibits pursuit or shooting of birds or mammals from a motor driven vehicle (including but not limited to motorboats, airboats, or sailboats) also apply.

(2) Boats and floating devices are generally allowed on wildlife areas, except as restricted or prohibited in subsection 551(l) and Section 552 of these regulations. Boats are generally prohibited on ecological reserves except as provided in subsection 630(f) of these regulations. Where boats and/or floating devices are allowed on department land, they shall be used subject to the following regulations:

(A) no visitor shall operate a vessel carelessly in willful disregard of the rights or safety of others, or without due caution, or at a speed or in a manner likely to endanger any person, property, or wildlife;

(B) where launch sites are designated by the department, all boats must be launched and removed from those sites;

(C) any boat trailer shall remain attached to the tow vehicle and be stowed in a designated parking area;

(D) all visitors shall remove their boats or floating devices from the water or beach when instructed to do so by an employee of the department. Any peace officer may remove the boat or floating device of any visitor who has been instructed to remove it from the water or beach and fails to comply with that instruction;

(E) the use of boats or other floating devices may be restricted to certain zones designated by the department;

(F) boat speed shall not exceed five miles per hour unless otherwise posted; and

(G) any peace officer may remove any boat or floating device that is left unattended on department land or in the water in excess of 72 hours.

(3) Swimming is prohibited on department lands except where designated and authorized in subsection 630(f) of these regulations.

(aa) Aircraft.

No visitor shall operate any aircraft, **drone, or other unmanned aircraft system (UAS)**, hovercraft, or hot air balloon within department lands except as authorized by a Special Use Permit issued by the department.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

DEPARTMENT OF FISH AND WILDLIFE LANDS

(bb) Bicycles and bike riding

are prohibited on department lands except where authorized and designated in subsection 551(j), Section 552, and subsection 630(g) of these regulations.

(1) On department lands where trails or roads have been designated for bicycles, no visitor shall ride, operate, leave, or park a bicycle except on those designated areas.

(cc) Firearms, Archery, and Other Propulsive Equipment.

(1) Nothing in this section shall prohibit the lawful possession of a concealed firearm by an active peace officer listed in Chapter 4.5 (commencing with Section 830) of Title 3 of Part 2 of the Penal Code or a retired peace officer in lawful possession of an identification certificate issued pursuant to Penal Code Section 25455 authorizing the retired officer to carry a concealed firearm. Nor shall this section prohibit the lawful possession of a concealed firearm pursuant to a concealed carry permit issued pursuant to Penal Code Section 26150 or 26155.

(2) Possession, discharge, and use of firearms or archery equipment is prohibited on department lands except within department-designated hunting areas or shooting sites, or with a permit issued by the department, or as authorized for dog training in a designated area, or when fishing with bow and arrow tackle as defined in subsection 550(b)(11) and allowed in subsection 550(h). This prohibition includes air or gas operated devices or guns and all other propulsive devices.

(3) General (Non Hunting) Uses

(A) The use of glass or porcelain targets is prohibited on all department lands. Clay targets shall be used only at designated shooting sites where their use is allowed.

(B) Designated shooting sites are open daily from sunrise to sunset unless otherwise listed in subsections 551(v) or 630(j) of these regulations.

(C) Except as otherwise provided, an adult supervised youth may possess and discharge a BB gun on any wildlife area. A BB gun is not an authorized method of take and may not be used to take wildlife on any wildlife area. A BB gun is defined as an air and/or spring-actuated rifle similar to Daisy BB gun models 96 (Timberwolf), 105 (Buck), or 1938 (Red Ryder), firing a spherical BB no larger than 0.177 inches in diameter (4.5 mm) at a muzzle velocity no greater than 350 feet per second. For the purpose of this section a youth is defined as a visitor under the age of 16.

(4) Hunting Method of Take.

Where hunting is allowed, it shall be conducted in accordance with general hunting regulations and subject to sections 550, 550.5, 551, 552, and 630 of these regulations.

(A) Possession or discharge of shotguns larger than twelve gauge is prohibited on all department lands designated as Type A or Type B wildlife areas.

(B) Except for bow and arrow tackle as defined subsection 550(b)(11) and allowed in subsection 550(h), or as otherwise provided, no rifles, pellet or BB guns, combination rifle-shotguns, pistols, archery equipment, or revolvers shall be possessed in the field or discharged on any Type A or Type B wildlife areas. All legal firearms and archery equipment may be used on Type C wildlife areas unless prohibited in subsection 551(r) of these regulations. Firearms and archery equipment may be used on ecological reserves where hunting is authorized in subsection 630(d) of these regulations, subject to any restrictions therein.

(C) The use or possession of shot size larger than T in steel or BB in non-toxic (other than steel) shot is prohibited on all department lands and national wildlife refuges. On those department lands where big game species may be hunted, shotguns with slugs may be used.

(D) A hunter shall not possess more than 25 shot shells while in the field on Type A wildlife areas during the waterfowl season unless otherwise provided for in subsection 551(o) of these regulations. Subsection 551(o) also specifies additional wildlife areas where a hunter shall not possess more than 25 shot shells in the field during the waterfowl season. Only those visitors possessing a valid hunting permit for that day may possess ammunition in the field.

(E) It shall be unlawful to take wildlife except in compliance with the non-toxic shot and certified nonlead projectile requirements of Section 250.1 of these regulations.

(F) Except for bow and arrow tackle defined in subsection 550(b)(11) and allowed in subsection 550(h), archery equipment shall not be used during the waterfowl and pheasant seasons on Type A or Type B wildlife areas, unless provided in subsection 551(u) of these regulations.

(G) Loaded firearms, as defined in Fish and Game Code Section 2006 or Section 25850 of the Penal Code, are prohibited in parking lots, visitor areas, checking stations, and any other facility on department lands.

(dd) Falconry.

(1) On ecological reserves, falconry is prohibited.

(2) On Type C wildlife areas, raptors may be used to take legal game in accordance with general hunting and falconry regulations.

(3) On Type A and Type B wildlife areas, raptors may be used to take legal game only from the first Saturday following the end of the waterfowl season through the end of the falconry pheasant season. Raptors may be used only on Saturdays, Sundays, and Wednesdays.

(ee) Woodcutting.

Woodcutting is prohibited on all department lands.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

RESERVATIONS, ENTRY PERMITS, FEES, PASSES, AND SPECIAL USE PERMITS

Reservations, Entry Permits, Fees, Passes, and Special Use Permits (T14 CCR §550.5)

(a) Reservations for Hunting Activities.

(1) Reservations for waterfowl and pheasant hunting are available for Type A wildlife areas for all authorized shoot days of the season. On Type B wildlife areas, reservations are required for the opening weekend of waterfowl season and may be required for the opening of pheasant season.

(A) Reservations shall be issued by random drawing. Applications are available through the Automated License Data System at license agents, department license offices and online. To find the locations of department license agents, department license offices or to apply for a reservation online, go to the department's website at wildlife.ca.gov. Applicants must possess an annual or lifetime hunting license valid for the hunting season for which they are applying. Two-day nonresident hunting licenses shall not be used to apply for reservation drawings. To be included in a reservation drawing, applications must be received by the department through the Automated License Data System at least 17 days prior to the hunt date. Late, incomplete, or incorrect applications will not be included in the drawing. The fee to apply for a reservation is specified in Section 702 of these regulations. The application fee is non-refundable.

(B) Unless otherwise provided in Section 551 of these regulations, the reservation system only serves to assure entry onto a wildlife area and does not necessarily constitute a method for prioritization over other users.

(C) Multiple Applications.

1. An applicant is limited to one application for each wildlife area for each authorized shoot day. Shoot days are specified under subsections 551(e), 551(o), 551(p), 551(q), 551(s), and 552(a) of these regulations.

2. The department may eliminate applications that are not in compliance with these regulations from any reservation drawing. Persons who submit more than one application for the same shoot day for the same wildlife area may be barred from hunting on department-operated areas for a period of one year following the date the department discovers the violation. Any reservation issued as a result of such improper submission, or to any person currently barred from the department-operated areas, shall be void (not valid).

(D) Unless otherwise stated on the hunting reservation or on information mailed with the reservation, each successful reservation applicant shall be granted a one-day entry permit during the waterfowl or pheasant season. The entry permit shall be issued to the successful applicant for the date and wildlife area stated on the hunting reservation upon the applicant presenting a one-day, two-day, or season pass. Verification of the suc-

cessful applicant/reservation holder shall require identification per subsection 700.4(c) of these regulations. Unless otherwise provided, the reservation will expire one and one-half hours before shoot time for the date stated on the reservation. For some wildlife areas, the department will number reservations in the order in which they are drawn. These reservations will be accepted at checking stations in numerical order. The reservation holder must be present at the time the number is called in order to have priority over other, lower-priority reservations.

(E) Except as provided in subsection 550.5(a)(1)(F) or subsection 551(x) of these regulations, a reservation shall be valid for entry for up to six visitors who must hunt as a party. No more than two visitors in a hunting party may be adult hunters (18 years of age or older as of July 1 of the licensing year). Each adult may be accompanied by up to two hunters holding junior hunting licenses or two non-shooters irrespective of age, or one of each. All hunters must be in possession of a valid hunting license. Non-shooters (as defined in subsection 550(b)(11)) shall not discharge or possess ammunition or a firearm on the wildlife area.

(F) When hunting a designated hunting zone, assigned pond, or blind area, a reservation will assure entry only for the number of visitors (adult hunters, junior hunters, and/or non-shooters) that does not exceed the capacity of the designated zone, assigned pond or blind area.

(b) Reservations for Wildlife Viewing.

Reservations for wildlife viewing may be available for certain department lands during peak viewing periods or when guided tours are offered. The department may limit the number of reservations available for each of these opportunities.

(c) Entry Permits, Fees, and Passes.

(1) Where the department has determined that entry permits are required per subsection 550(c)(2) of these regulations and/or that fees are necessary to offset the department's costs of providing public recreational opportunities, an appropriate pass must first be purchased for a fee through the department's Automated License Data System at a license agent, department license office or on the department's website at wildlife.ca.gov. An entry permit will be issued only when an appropriate hunting pass is presented at the checking station or point of entry.

(2) Passes for hunting during the waterfowl season are sold as one day, two day, or Type A or Type B season hunting passes. Applicable fees are listed in subsection 702(b) of these regulations.

(3) Entry permits and hunting passes are required for waterfowl hunting on all Type A wildlife areas.

(4) Entry permits and proof of either a Type A or Type B season hunting pass are required for waterfowl hunting on all Type B wildlife areas. One or two day passes are not accepted at Type B wildlife areas.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

RESERVATIONS, ENTRY PERMITS, FEES, PASSES, AND SPECIAL USE PERMITS

(5) Entry permits and/or passes or special drawings may be required for hunting on Type C wildlife areas where the department has determined that restricted access is necessary per subsection 550(c) of these regulations (see subsection 551(q) of these regulations).

(6) Each visitor must have a valid entry permit in their immediate possession while on department lands that require an entry permit.

(7) Any visitor with a valid junior hunting license in their own name is exempt from purchasing a daily or annual hunting pass. A visitor who is under the age of 16 will only be issued an entry permit and allowed to hunt when carrying a valid hunting license in their own name and is accompanied by an adult. An adult is defined as a person 18 years old or older. An adult hunter or non-shooter may accompany up to two junior hunters on department lands.

(8) Any visitor 16 or 17 years of age, in possession of a valid hunting license in that visitor's own name and an valid entry permit, may hunt independently. Hunters 16 or 17 years of age who hunt without an adult shall not be accompanied by any visitor under the age of 16.

(9) Any required entry permits will be issued on a first-come, first served basis and/or by a reservation drawing to be held at a designated department office. The department shall inform the commission in writing and the public via the news media when limits imposed under this section differ substantially for a specific area from the prior year. Such notification shall include: the land affected; the time period; the reason for the limitation or closure; the number of entry permits to be issued; and the method of issuance.

(10) Entry permits are non-transferable. Forgery, duplication, alteration or fraudulent use of entry permits, passes, or processes for obtaining them, is prohibited. Any person who violates these regulations may be barred from department lands for one calendar year from the date the department discovers the violation.

(11) A Daily or Annual Lands Pass for Authorized Uses Other than Hunting (Lands Pass) is required for visitor entry on department lands listed in subsections 551(w) and 630(c) of these regulations. A Lands Pass must be purchased in advance and carried by each visitor, on their person, while on the subject property. Information about how to purchase a Lands Pass is explained in 550.5(c)(1) of these regulations. Exceptions to the Lands Pass requirements are as follows:

(A) Visitors carrying a valid California sport fishing, hunting, or trapping license issued in the visitor's own name are not required to purchase a Lands Pass.

(B) Participants in school or organized youth group field trips, or visitors who are under 16 years of age are not required to obtain a Lands Pass.

(12) In addition to the sources listed for purchasing passes in subsection 550.5(c) (1), Lands Passes may be purchased at the Elkhorn Slough Ecological Reserve Visitor Center at the time of entry during business hours.

(d) Special Use Permits.

Special uses, as defined in subsection 550(b)(9) of these regulations, on department lands require written authorization from the department. Such authorization will typically be in the form of a Special Use Permit (per subsections 550(d) and 550(n)(2) of these regulations). The department shall not issue Special Use Permits for activities or uses that conflict with the current uses, management or purposes of a department land, would have a significant environmental effect, or would constitute an unlawful use of state resources under Government Code Section 8314.

(1) Types of Special Use.

(A) Type 1 Special Use. A Type 1 special use is an activity that meets all of the following criteria:

1. involves 30 or fewer visitors on site;
2. involves ten or fewer (0-10) animals (such as dogs or horses) or bicycles (or other pedaled vehicles) in total;
3. does not require the use of animals, bicycles, vehicles, or large equipment outside of designated parking areas, roads, trails, or other areas authorized for visitor use; and
4. does not require use of the site for more than one calendar day during normal operating hours of the department land.

(B) Type 2 Special Use. A Type 2 special use is a hunting dog trial or testing event or activity.

(C) Type 3 Special Use. A Type 3 special use is an activity that meets any one of the following criteria:

1. involves more than 30 visitors on site;
2. involves more than ten animals or bicycles in total;
3. requires the use of animals, bicycles, vehicles, or large equipment outside of designated parking areas, roads, trails, or other areas authorized for visitor use; or
4. requires use of the site for more than one calendar day or outside of normal operating hours of the department land.

(2) Application Process for Special Use Permits.

(A) Application for a Special Use Permit shall be made on the "Permit Application for Special Use of Department Lands", as specified in Section 702 of these regulations. Failure to disclose fund-raising or commercial activities or other information per the instructions on the application may result in a citation and fine.

(B) Applications and Special Use Permit fees shall be submitted at least 45 days prior to the date of the requested activity

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

RESERVATIONS, ENTRY PERMITS, FEES, PASSES, AND SPECIAL USE PERMITS

or event to the appropriate regional office. The permit fees for Type 1, Type 2, and Type 3 Special Uses are specified in Section 702 of these regulations. Applications will not be processed unless they are complete, and the entire permit fee is paid.

1. After a Special Use Permit is approved, the permit fees are refundable only if none of the permitted activities have taken place and all of the activities and dates covered by the permit are cancelled in writing, in an email or hardcopy, submitted to the area manager or their designee.
2. Type 3 permit fees are only refundable until 10 calendar days prior to the scheduled start of any of the permitted activities, after which the permit fee will be forfeited if the permittee cancels the special use. Cancellations prior to 10 calendar days before the start of a Type 3 special use must be provided to the area manager or designee in writing as an email or hardcopy.
3. All Special Use Permit fees are refundable if the department does not approve a special use permit application or does not have adequate staff available to review an application.

(3) Special Use Permit Application Review Process

(A) Evaluation Criteria. Criteria used to evaluate Special Use Permit applications shall include, but not be limited to, the following:

1. Will the proposed special use create a greater potential hazard or liability to the State, resources, or the public than typical operations within the department land on which the special use is proposed?;
2. Is the special use a compatible use as defined in subsection 550(b)(2)?;
3. Can the use be conducted so as not to conflict with the current uses, management or purposes of the property?;
4. Will the special use require the exclusive use of part or all of a property?;
5. Will the special use interfere with other visitors' use of the property?;
6. Will additional department staffing or staff time be required to prepare for, monitor or assist with, or return department land to its previous condition following the special use?;
7. Will the permittee charge any fees and, if so, will the proposed fees exceed those the department charges for licenses, day use fees, or passes?;
8. Will any items, products, or services be sold?; and,
9. Has the applicant complied with the terms and conditions of any prior Special Use Permit issued by the department?.

(B) Notification of Approval of Special Use Permit. If the department intends to issue a Special Use Permit, it will provide written notification to the applicant. The notification will provide an itemized explanation of any fees, charges or deposits that need to be paid, as well as terms and conditions that need to be accepted by the applicant/permittee, in order for a Special Use Permit to be finalized and valid. Payment instructions will

be included with the notification.

(C) Notification of Denial of Special Use Permit. If the department intends to deny issuance of a Special Use Permit, it shall provide written notification to the applicant that the application for a Special Use Permit is denied and include the reason(s) for the denial in the notification.

(4) Possible Costs In Addition to the Special Use Permit Fee.

(A) For department lands that normally require a fee for a Lands Pass or entry permit, the Lands Pass or entry fee will be required in addition to the Special Use Permit fee. Whether the Lands Pass or entry fee for each special use participant will be paid directly to the department by the participants or by the permittee will be determined as part of the development of the Special Use Permit

(B) Additional Anticipated Costs. If the regional manager or his designee determines in advance that department staff will need to conduct work outside of normal duties or hours to prepare for the special use, monitor or assist with the special use, or return department land to its previous condition following the special use, payment of the additional anticipated cost to the department will be added to the Special Use Permit fee specified in Section 702 of these regulations and required to be paid as a condition of the department issuing a Special Use Permit. The additional cost shall be based on the estimated number of hours, the job classification of state personnel required to conduct the work, and the department's costs for employee benefits, overhead, mileage, and use of department equipment and supplies.

(C) Cleaning or Damage Deposit. Depending on the anticipated need for cleaning or repair to department property, including land, infrastructure and/or equipment, the department may charge the applicant a cleaning or damage deposit in an amount determined by the regional manager or his designee. Costs to return department property to its previous condition following the special use shall be deducted from this deposit. The regional manager or his designee shall determine whether all, a portion or none of the deposit is refunded based on department costs to clean up or repair damage.

(D) For-Profit or Fund Raising Activities. Any person, entity, or organization is prohibited from holding, sponsoring, leading, or otherwise conducting a recreational, educational, or other activity occurring wholly or partially within or on any department land for the purpose of generating revenue or fund raising without adequate compensation for the use of State resources. Applications for such events or activities are incomplete and will not be processed unless Attachment C of Form 730 (incorporated by reference in subsection 702) is complete and included with the application. Unless an event is sponsored or co-sponsored by the department, payment to the department of a guaranteed minimum fee or percentage of the gross revenue of the event shall be a condition of any Special Use Permit that authorizes activities on department land that are intended to generate rev-

RESERVATIONS, ENTRY PERMITS, FEES, PASSES, AND SPECIAL USE PERMITS

enue or raise funds. The rate or amount of compensation shall be specified in the draft Special Use Permit. The criteria used to determine the rate or amount of compensation shall include, without limitation:

1. the extent of the department land to be used;
2. the duration, size and scope of the event;
3. the anticipated impact on department resources and facilities;
4. prevailing fees for comparable facilities in the locality;
5. amount and type of permittee's equipment and materials to be used on the department land;
6. the number of people, vehicles, bicycles, and/or domestic animals on the department land because of the special use;
7. the amount of gross revenue the permittee expects to generate from the event;
8. the cost of services or time required of or by the department;
9. whether the applicant is a non-profit organization with tax-exempt status under section 501(c), Subtitle A of the U.S. Internal Revenue Code; and
10. any other considerations as appropriate.

(5) Terms and Conditions of Special Use Permits.

(A) To protect human health and safety, natural or cultural resources, or department facilities, the regional manager or his designee may impose special conditions in addition to the standard terms and conditions included in the Permit Application for Special Use of Department Lands as specified in Section 702. The department must provide notice of any special conditions as part of the notification of approval referenced in subsection 550.5(d)(3)(B) of these regulations.

(6) Acceptance of the Terms and Conditions of Special Use Permits and Payment of Fees.

(A) Type 1 or Type 2 Special Use Permit. The notification of approval for a Type 1 or Type 2 Special Use Permit will include a Special Use Permit signed by the wildlife area or ecological reserve manager and the regional manager or his designee. The Special Use Permit will include an attachment titled: Attachment B: Applicant Acceptance of Terms, Conditions and Costs as specified in Section 702. The Special Use Permit is not valid unless the permittee accepts the terms and conditions of the Special Use Permit by signing and submitting the signed original of Attachment B and the full payment of any additional costs or deposits indicated on the permit to the appropriate regional office at least five calendar days before the beginning of the event or activity. The permittee should make and keep a copy of the signed Attachment B with the Special Use Permit. Conducting a special use event or activity without a valid permit is a violation of subsections 550(c)(2)(A) and 550.5(d)(8) of these regulations.

(B) Type 3 Special Use Permit. The notification of approval for a Type 3 Special Use Permit will include a draft permit (not valid). The draft Special Use Permit will include an attachment titled: Attachment B: Applicant Acceptance of Terms, Conditions and Costs as specified in Section 702. In order to receive a final,

valid Special Use Permit, the applicant must accept the terms and conditions of the Special Use Permit by signing Attachment B, and sending the signed original draft permit and the full payment of any additional costs or deposits indicated on the permit to the appropriate regional office at least ten calendar days before the beginning of the event or activity. After the Special Use Permit is signed by the wildlife area or ecological reserve manager and the regional manager or his designee, it will be mailed back to the permittee as the valid permit. Conducting a special use event or activity without a valid permit is a violation of subsections 550(c)(2)(A) and 550.5(d)(8) of these regulations.

(7) Valid Special Use Permit.

A valid Special Use Permit includes the completed application, including the permit section of the form signed by the wildlife area or ecological reserve manager and the regional manager or his designee, and any and all attachments referenced in the Special Use Permit. In order for a Special Use Permit to be valid, all costs that are required to be paid in advance, as indicated on the permit, must be paid-in-full by the permittee.

(8) Possession of Special Use Permit.

The permittee or their representative shall have the valid Special Use Permit in his immediate possession and on-site during the special use and shall present it to any department employee upon request.

(9) Authorized Activities.

Only the activities or uses specifically authorized in the Special Use Permit are permitted. Issuance of a Special Use Permit does not grant visitors any right to conduct activities not covered by the Special Use Permit. Conducting activities or uses not covered by the Special Use Permit shall result in revocation of the Special Use Permit, and may result in a citation and fine.

(10) Termination of Special Use Permit.

The regional manager or his designee may terminate any Special Use Permit when the department deems termination necessary for human health and safety, protection of natural or cultural resources or department facilities. In addition, any Special Use Permit may be cancelled without notice in the event of a disaster or unforeseen emergency.

(11) Revocation of Special Use Permit.

The regional manager or his designee may revoke a Special Use Permit and deny future Special Use Permit applications for violation of any rules or regulations of the department or conditions of a Special Use Permit.

(e) Types of Wildlife Areas:

(1) "Type A" wildlife areas are defined as wildlife areas which have restricted hunter access during waterfowl season, and require a hunting pass to be purchased in advance and exchanged for an entry permit at the wildlife area, per subsections 550.5(c) and 702(b) of these regulations. Reservations are available per subsection 550.5(a) of these regulations during waterfowl season. Species open for hunting are waterfowl, coots, moorhens, snipe, pheasant, and dove, unless otherwise specified in subsection 551(s). Except as provided in subsection 551(p) and Section 552 of these regulations, shoot days are Saturdays, Sundays, and Wednesdays during waterfowl season, youth waterfowl hunt days authorized in Section 502 of these regulations, and daily during the September dove season only. All Type A wildlife areas are closed to hunting on Christmas Day.

(2) "Type B" wildlife areas are defined as wildlife areas which have restricted hunter access during waterfowl season and require a Type A or Type B season hunting pass to be purchased in advance and presented for an entry permit at the

wildlife area, per subsection 550.5(c) and Section 702 of these regulations. Reservations are required for opening weekend per subsection 550.5(a) of these regulations. Species open for hunting include waterfowl, coots, moorhens, snipe, pheasant, and dove, unless otherwise specified in subsection 551(s). Except as provided in subsection 551(p), shoot days are Saturdays, Sundays, and Wednesdays during waterfowl season and daily during the September dove season only. All Type B wildlife areas are closed to hunting on Christmas Day, except as provided in subsection 551(o).

(3) "Type C" wildlife areas are defined as wildlife areas that, except as provided in subsections 551(q) and 551(t), are open daily for hunting all legal species and do not require the purchase of a hunting pass for entry.

(4) For Perris Reservoir State Recreation Area, the fee to obtain an entry permit for hunting shall be the day-use fee determined by the California Department of Parks and Recreation (parks.ca.gov).

(f) Shooting Hours:

(1) Water fowl: Except as provided in subsections 551(p) and 551(q), waterfowl shooting hours on all wildlife areas shall be from one half-hour before sunrise to sunset (pursuant to Section 506 of these regulations).

(2) Other Species: Except as provided in subsections 551(p), 551(q), and 551(s), species other than waterfowl may be taken where authorized only during the legal shooting hours for the taking of each species as specified in sections 250.5, 310, 310.5, 352, and 474 of these regulations.

(g) Deferred Openings:

When the department considers such deferral desirable to protect agricultural crops from waterfowl, it may defer opening a wildlife area to visitor access until, in the opinion of the department, the danger of crop damage in the immediate region is abated.

(h) Assigned Hunting Zones:

In order to assure proper hunter dispersal and promote safety, the department may subdivide the open hunting portion of any wildlife area into zones, assign hunters to zones and/or designate where hunters shall park.

NOTE: The remainder of Section 551 includes regulations for wildlife areas organized by type of public use. To see the same regulations organized by wildlife area, go to: wildlife.ca.gov/Lands/Regulations.

ECOLOGICAL RESERVES

Additional Visitor Use Regulations on Department Lands Designated as Ecological Reserves (T14 CCR §630)

(a) The areas listed in this section have been designated by the commission as ecological reserves.

A legal description of the boundaries of each ecological reserve is on file at the department's headquarters. All ecological reserves are maintained for the primary purpose of developing a statewide program for protection of rare, threatened, or endangered native plants, wildlife, aquatic organisms, and specialized terrestrial or aquatic habitat types. Visitor uses are dependent upon the provisions of applicable laws ~~and upon a determination by the commission that opening an area to such visitor use is compatible with the purposes of the property.~~

Visitor use is subject to the regulations below, in sections 550 and 550.5 of these regulations, as well as any other commission regulations that may apply. These regulations are incorporated by reference into and become a condition of entry, passes, and/or permits. It is the responsibility of all visitors to know and understand these regulations prior to entry. Ecological reserves that are marked with an asterisk (*) in subsection 630(b) are adjacent to or share sensitive marine environments with Marine Protected Areas (MPAs), Marine Managed Areas (MMAs), and/or Special Closures that are defined in Section 632 of these regulations. The general regulations for MPAs, MMAs, and Special Closures are in subsection 632(a) of these regulations, and site-specific regulations for each area are in subsection 632(b) of these regulations. The designated names of the MPAs in subsection 632(b) of these regulations generally correspond with the names of adjacent or overlapping ecological reserves. For example, Fagan Marsh Ecological Reserve shares marine waters with the Fagan Marsh State Marine Park and Moro Cojo Ecological Reserve is adjacent to the Moro Cojo State Marine Reserve.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

OTHER LAWS RELATED TO HUNTING

Safety

It is always unlawful to:

- Hunt while intoxicated (FGC 3001)
- Shoot at any game bird or mammal from a powerboat, sailboat, motor vehicle, or aircraft while under power or still moving from use of sail or motor vehicle, or airplane (FGC 3002) except when the motor of such motorboat, airboat, or sailboat has been shut off and its progress has ceased and the vessel is drifting, beached, moored, resting at anchor or being propelled by paddle, oar, or pole. (CCR T14-251.(a) (1))
- Shoot any firearm from or upon a public road or highway (PC 374(c)).

Discharging Firearms or Other Deadly Weapons

It is unlawful for any person, other than the owner, person in possession of the premises, or a person having the express permission of the owner or person in possession of the premises, to hunt or to discharge while hunting, any firearm or other deadly weapon within 150 yards of any occupied dwelling house, residence, or other building or any barn or other out-building used in connection therewith. The 150-yard area is a "safety zone." (FGC 3004.(a))

Public Road or Way Open to the Public

Public road or way open to the public includes any roads or established way open to public access, even if they are not paved. (FGC 3004.(b))

Firearms

It is always unlawful to:

- Fail to send a complete written report to the Department within 48 hours after killing or wounding while hunting, any human being, or domestic animal belonging to another, or after witnessing such killing or wounding.
- Use a shotgun larger than 10 gauge
- Use, for the taking of any game bird or game mammal, a shotgun capable of holding more than three shells in the magazine and chamber combined
- Use or possess shotshells containing shot size larger than No. BB in lead or No. T in steel when hunting migratory game birds
- Use shot that is not loose in the shell for taking resident small game and migratory game birds
- Possess a machine gun, silencer, shotgun with barrel less than 18 inches in length, or rifle with barrel less than 16 inches in length

Parks and Refuges

It is unlawful to:

- Hunt in some National Park or Monument, in State of California Beaches and Parks or Monument areas, or in any State Game Refuge, or to shoot into such an area any

weapon capable of taking any bird.

- Possess in any State Game Refuge any bird or mammal or part thereof, or any weapon capable of taking any bird. However, possession of fire-arms or bows and arrows by persons traveling through game refuges on a public highway or other public thoroughfare or right of way is permitted when the firearms are taken apart or encased and unloaded, and the bows are unstrung.

National Parks and Monuments have special regulations regarding the possession of weapons, game and the running of hunting dogs. Check with federal officials before entering these areas.

Respect for Property

It is always unlawful to cause damage to other's real property through carelessness or negligence while hunting. (FGC 2004.)

Trespassing

If the land you hunt on is not your own, it belongs to someone else. Make sure you have a legal right to be there. Contact the owner or person who administers the property, and secure written permission to hunt. A hunting license does not entitle you to enter private property. It is unlawful to enter any lands under cultivation or enclosed by a fence, belonging to, or occupied by, another, or to enter any uncultivated or unenclosed lands, including lands temporarily inundated by waters flowing outside the established banks of a river, stream, slough, or other waterway, where signs forbidding trespass or hunting, or both, are displayed at intervals not less than three to the mile along all exterior boundaries and at all roads and trails entering those lands, for the purpose of discharging any firearm or taking or destroying any mammal or bird, including any waterfowl, on those lands without having first obtained written permission from the owner, or his or her agent, or the person in lawful possession of, those lands. Signs may be of any size and wording that will fairly advise persons about to enter the land that the use of the land is so restricted. (FGC 2016.)

Hunting and ATVs

Rider Licensing

A driver's license is not required for adult riders, but a person with a suspended or revoked license may not operate any motor vehicle, including an ATV (VC 14601(a)). Riders under 18 years old must have completed an ATV safety course and have a certificate of completion in their possession while riding (VC 38503) or be supervised by an adult with an ATV safety certificate. Riders under 14 must also have direct supervision by an adult (VC 38504). Parents of youth riders who permit them to ride without a safety certificate may also be cited (VC 38504.1). ATV safety courses may be obtained by calling ASI at 800-887-2887, and motorcycle safety courses may be obtained through the Motorcycle Safety Foundation's Dirt Bike School at 877-288-7093.

Vehicle Registration

All OHV's that are transported on the highway or parked or operated on public land must be registered through DMV (VC

OTHER LAWS RELATED TO HUNTING

38020). Vehicles may be issued either a “green sticker” or a “red sticker.” Red sticker vehicles may only be operated during certain times of the year in some locations (CCR T13-2412(f)). Current Red Sticker riding seasons can be found on the California State Parks Off-Highway Motor Vehicle Recreation Division website at ohv.parks.ca.gov. You will need to purchase a special “Non-Resident OHV Permit” if you are not a California resident AND your off-highway vehicle or snowmobile is not registered in your home state. For more information and to find out where these Non-Resident OHV Permits can be purchased and to get more information on the program, please see the California State Parks Off-Highway Motor Vehicle Recreation Division (OHMVR Division) website at ohv.parks.ca.gov.

Equipment

No person shall use, operate, or allow to be used or operated, any off highway motor vehicle on any forest-covered land, brush-covered land, or grass-covered land unless the vehicle is equipped with a spark arrester maintained in effective working order (VC 38335(a)).

OHV's also must have a working muffler (VC 38365(a)) and brake system (VC 38335(a)). A headlight and taillight are required for night time operation (VC 38335/38345).

Operation

The operator of an off-highway motor vehicle shall be able to reach and operate all controls necessary to safely operate the vehicle (VC 38304). No person shall operate, ride, or be otherwise propelled on an all-terrain vehicle on public lands unless the person wears a safety helmet meeting requirements estab-

lished for motorcycles and motorized bicycles (VC 38505). No operator of an all-terrain vehicle may carry a passenger when operating on public lands, unless the ATV is designed to carry a passenger (VC 38506). It is also unlawful to ride in the bed of a pickup truck, unless the bed is equipped with seats and safety belts (VC 21712). The speed limit is 15 mph for ATV's and motorcycles when operated within 50 feet of a campground, campsite, or congregation of people or animals (VC 38305). ATV's may not be ridden at any speed that is unsafe for the conditions. It is illegal to operate an ATV in a wilderness area (FGC 10740 or VC 38301.3) or any other closed area (VC 38301), or in a manner likely to cause damage to land, wildlife habitat, or vegetation (VC 38319).

Alcohol

Laws concerning alcohol and ATV's reflect alcohol laws for regular motor vehicles. The same standard for driving under the influence of alcohol applies when riding an ATV (VC 23152). Also, open containers of alcohol are not permitted on ATV's and alcohol must be transported in a locked container (VC 23225(a)(3)).

Firearms

It is illegal to possess a loaded firearm on an ATV while on a public road or other way open to the public (FGC 2006). It is illegal to shoot at game from an ATV (FGC 3002) or to shoot from a public roadway (PC 374c).

Information about off-highway motor vehicle laws and riding opportunities can be found online at ohv.parks.ca.gov or at 916-324-4442.

Interstate Wildlife Violator Compact

The Interstate Wildlife Violator Compact (IWVC) is an agreement between 48 states, which allows for the reciprocal recognition of hunting, fishing and trapping license suspensions. If your license privileges have been suspended by another state, the suspension may be recognized here in California. For example, if your sport fishing, hunting or trapping privileges have been suspended in Colorado for five years, your privileges may also be suspended for five years in California or any of the states participating in the IWVC. The purchase of licenses or tags during the term of the suspension is a violation of the law and may result in prosecution.

2024-2025 WATERFOWL, UPLAND GAME, AND LANDS REGULATIONS

SPECIAL CLOSURES

Humboldt Bay (FGC §3681)

This section applies the Humboldt Bay area on Mondays, Tuesdays, Thursdays, and Fridays. See game warden before shooting on these days:

“In Districts 8 and 9, it is unlawful to take ducks or geese in any manner below the incoming or outgoing tidewater’s edge or from any blind, boat, floating device, island, islet, or exposed tidal flat except on Saturdays, Sundays, Wednesdays, holidays and the opening and closing days during the prescribed open season except that the use of boats is permitted to retrieve crippled or dead birds.”

In addition, hunters should be aware that there is a special waterfowl closure for south Humboldt Bay.

Fish and Game District 8 (FGC §11016)

The following constitutes Fish and Game District 8: The waters and tidelands to high-water mark of Humboldt Bay lying north of a straight line running east from the center of apron at the approach of the south jetty at the entrance of Humboldt Bay to the east shore line of the bay including the entrance of Humboldt Bay not included in District 7, and excluding all rivers, streams

and sloughs emptying into the bay.

Fish and Game District 9 (FGC §11017)

The following constitutes Fish and Game District 9: The waters and tidelands to high-water mark of Humboldt Bay lying south of a straight line running east from the center of apron at the approach to the south jetty at the entrance of Humboldt Bay to the east shore line of the bay, excluding all rivers, streams and sloughs emptying into the bay. The following is a synopsis of Federal Regulations that pertain to the hunting of migratory game birds. Persons requiring more information should go to <https://www.fws.gov/library/collections/hunting>, where they will find a complete version of 50 CFR Part 20. When State law is different from the following Federal law the hunter must comply with the most restrictive law.

Migratory Birds are birds protected by federal law as a result of treaties signed with other countries. Protected migratory birds are listed in Title 50 Code of Federal Regulations, Section 10.13. This list includes almost all birds found in the United States with the exception of the house sparrow, feral pigeon (commonly called rock dove), European starling, Eurasian collared-dove, mute swan, and upland game birds (which are protected by state laws).

NUTRIA:

Eating and destroying the wetlands needed by waterfowl and other native species.

Invasive nutria also threaten California's levees, flood control, irrigation and other water infrastructure through their extensive burrowing and rapid reproduction.

HOW HUNTERS CAN HELP:

Report nutria sightings, preferably accompanied by a photo or video and the animals' location, to CDFW at invasives@wildlife.ca.gov or by phone at (855) 440-9530.

HOW TO DISTINGUISH NUTRIA:

Often confused with beaver and muskrat, nutria have the following distinguishing characteristics:

- White whiskers (in addition to white muzzle)
- Round, rat-like tail
- Dark black ears with golden-colored fur below
- Body length up to 2 feet
- Weighs up to 25 pounds
- Partially webbed hind feet
