### Save the Dates: March 21-24, 2023

Greetings Interagency Ecological Program Community Members,

The Interagency Ecological Program (IEP) will hold its annual workshop at the [California Natural Resources Agency \(CNRA\) headquarters building](#) on March 21 – 24, 2023. CNRA Headquarters is located at 715 "P" Street in Sacramento.

The workshop will be a **FREE** hybrid (in-person and virtual) event.

Workshop session presentations will be shared in the 300-seat auditorium and the posters will be showcased on the 2<sup>nd</sup> floor. Training courses will be provided on the 4<sup>th</sup> day of the workshop on the 2<sup>nd</sup> floor. Space is limited for the in-person events.

#### Workshop Registration:

**Registration for the in-person events and the virtual attendance will be free.**

Registration will open in early 2023.

Training courses will be in-person only. Registration will be required as seating is limited. More information on training will be coming soon.

## **Poster Session:**

The poster session will be incorporated as part of the main workshop schedule, so there will be an opportunity to engage with poster authors each day.

The Poster Session Chairs will be soliciting a call for poster abstracts in early November. Posters will be accepted on a first-come, first-served basis. To be eligible for consideration, the primary poster author must register to attend the workshop in-person.

## **Mentor Luncheon:**

The IEP Workshop will host a Mentor luncheon for students and early-career professionals. Participants will be paired with established career professionals to discuss research interests and career-building. Seating is limited and registration is required to participate. Registration will open soon. The luncheon is being sponsored by the State Water Contractors.

## **Questions?**
