TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a continuation notice concerning the proposed regulations for the amendment of regulations relating to the issuance of permits for contests offering prizes for the taking of game fish, published in the California Regulatory Notice Register on April 29, 2022, Notice No. Z2022-0419-05, and scheduled for approval by the California Fish and Game Commission (Commission) at the February 8-9, 2023 meeting in Sacramento. This notice provides notice of revisions to the proposed regulatory language in Section 230, Title 14, California Code of Regulations (CCR).

Because these regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that we make these changes available to you for a written comment period. The proposed changes to the regulations are clearly indicated on the attached revised proposed regulatory text, and DFW Forms 774, 775, 776, and 777 as follows: additions of newly proposed text are shown in double underline; originally proposed text that is now proposed for deletion is shown in ~~single underline double strikeout~~; originally proposed text not affected by the changes described in this notice is indicated in single underline.

Please refer to the attached description of the specific edits to the regulatory text and forms.

Availability of Documents:

Documents relating to the proposed changes as including an amended initial statement of reasons are available for inspection on the Commission's website at <https://fgc.ca.gov/Regulations/2022-New-and-Proposed> and at the Commission's office at 715 P Street, 16th floor, Sacramento, California, 95814, Monday through Friday, except holidays between the hours of 8:00 a.m. and 5:00 p.m. To help maintain the safety of Commission staff and the public during the Covid-19 pandemic, in-person access to the Commission office is limited. Any member of the public wishing to visit the Commission office is requested to send an email to fgc@fgc.ca.gov describing the reason for your visit and your desired date and time.

Comments on the revisions to the proposed regulatory language, proposed forms, and documents incorporated by reference must be received via email to fgc@fgc.ca.gov or
