Receive public comment regarding topics within the Commission's authority that are not included on the agenda.

Summary of Previous/Future Actions

- **Today's receipt of requests and comment** Feb 8-9, 2023; Sacramento
- Consider granting, denying, or referring Apr 19-20, 2023

Background

This item is to provide the public an opportunity to address the Commission on topics not on the agenda. Staff may include written materials and comments received prior to the meeting as exhibits in the meeting binder (if received by the written comment deadline), or as supplemental comments at the meeting (if received by the supplemental comment deadline).

General public comments are categorized into two types: (1) requests for non-regulatory action and (2) informational-only comments. Under the Bagley-Keene Open Meeting Act, the Commission cannot discuss or take action on any matter not included on the agenda, other than to schedule issues raised by the public for consideration at future meetings. Thus, non-regulatory requests generally follow a two-meeting cycle (receipt and direction); the Commission will determine the outcome of the non-regulatory requests received at today's meeting at the next regularly-scheduled Commission meeting, following staff evaluation (currently Apr 19-20, 2023).

Significant Public Comments

All written comments are summarized and provided as exhibits under Agenda Item 2.

Recommendation

Commission staff: Consider whether to add any future agenda items to address issues that are raised during public comment.
