 - Hydrology Update (DWR and Reclamation)
 - No rain predicted in the next several days, maybe some rain next Monday, but too early to tell if it will be a significant event.
 - TUCP/TUCO & Drought Updates
 - Temporary Urgency Change Petition (TUCP), TUC Order (TUCO), and related documents (including information reported by Reclamation and DWR) are available on the [Water Board website](#)
 - No updates.

- Discussion Items
 - SWRCB asked for clarification regarding the brief mention of water quality issues in December during yesterday's SaMT/SMT Operations call. Reclamation clarified that there is a potential for salinity issues with DCC gates closed in December if dry conditions continue, which could require opening DCC gates. There is currently no change proposed, but it is something to watch.
- Elevation Items
 - No items to elevate to the Directors.

Next Meeting
