WESTERN POND TURTLE

Join Us for Tours, Tabling, and Community

Join our team as we host a Bushy Lake Eco-Cultural Restoration Community Celebration on April 29th 2023 from 10:00am - 1:00pm.

Come Learn More About us

Bushy Lake is an Eco-Cultural Restoration Project in Sacramento, CA (adjacent to Cal Expo) that was established in 2015 (www.bushylake.com). Eco-cultural restoration is a core component of our project and includes planting culturally significant native plant species. We are also conducting a Northwestern Pond turtle conservation project, conducting weekly bird surveys, and monitoring wildlife cameras.

TURTLE TRAPPING LIVE CAPTURE AND
RELEASE SURVEYS

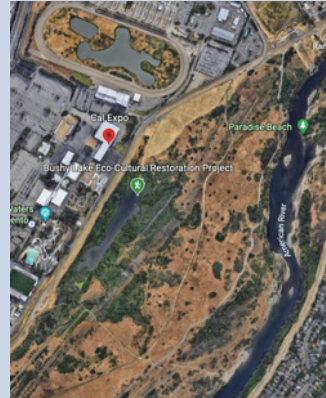

NATIVE VEGETATION PLANTING AND
NON NATIVE VEGETATION REMOVAL

SPOT WATERING NATIVE PLANT
SPECIES

Location

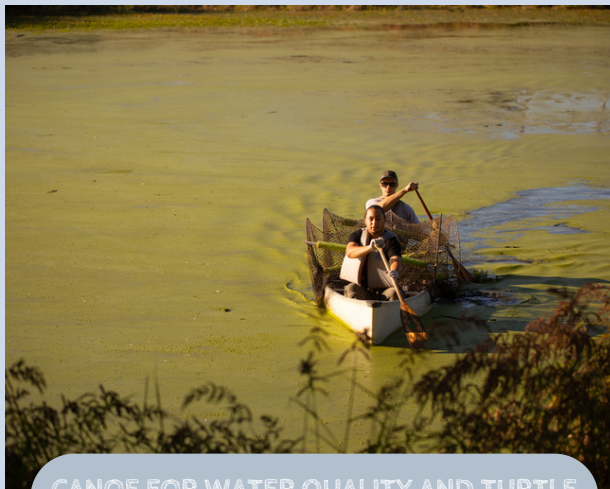

We will be meeting in the parking lot of the
Cal Expo RV Park
500 Ethan Way Sacramento CA 95815
