### TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a continuation notice concerning the proposed regulations for updates to Klamath River Basin sport fishing regulations, published in the California Regulatory Notice Register on March 17, 2023, Notice No. Z2023-0307-04, and scheduled for adoption by the California Fish and Game Commission (Commission) on May 17, 2023.

This notice provides notice of revisions to the proposed regulatory language in Sections 7.40, Title 14, California Code of Regulations (CCR). No revisions are being made to Section 5.87, Title 14, CCR.

The proposed changes to the regulations are clearly indicated on the attached revised proposed regulatory text as follows: additions of newly proposed text are shown in double underline; originally proposed text that is now proposed for deletion is shown in ~~single underline double strikeout~~; originally proposed text not affected by the changes described in this notice is indicated in single underline.

Please refer to the attached description of the specific edits to the regulatory text.
