Subject: 120 day extension

While I am unable to attend the meeting on June 11, I support the request for the 120 day extension to review the document presented by newhall Ranch Co to develop along the Santa Clara River. This will impact our community for a very long time and time needs to be given to analyzing the document. Thank you for your kind attention.

Kathy Crandall

Response 1

In response to this and other requests, CDFG and the Corps extended the comment period for the Draft EIS/EIR. Please refer to **Topical Response 1: EIS/EIR Public Review Opportunities**.
