Subject: Extension request for Newhall Ranch Co. Plan

This is a request for you to grant a 120 day extension for the review period for the Newhall Ranch Company's plan for the project on the Santa Clara River. It seems only reasonable that such a large and important document should have adequate time for review. I strongly urge you to honor this request.

Thank you

Sincerely,

David White PhD
Executive Director
Center for Regenerative Agriculture

061. E-mail from David White, Center for Regenerative Agriculture, dated May 30, 2009

Response 1

In response to this and other requests, the Corps and CDFG extended the comment period for the Draft EIS/EIR. Please refer to **Topical Response 1: EIS/EIR Public Review Opportunities**.
