Subject: RE: Newhall Ranch Project

California Department of Fish and Game
Newhall Ranch EIR/EIS Comments
Attn: Dennis Bedford

I am a current resident of Santa Clarita and have been since 1990. I am very concerned about the environmental impact of the 21,000 unit Newhall Ranch project. I am for the 120 day extension so that the experts can have time to check the accuracy of the data.

093. E-mail from Alyse Korn, dated June 10, 2009

Response 1

In response to this and other requests, the Corps and CDFG extended the comment period for the Draft EIS/EIR. Please refer to **Topical Response 1: EIS/EIR Public Review Opportunities**.
