Newhall Ranch EIR/EIS Comments Attn: Dennis Bedford

Dear Mr. Bedford:

To echo the wise words of many more eloquent than we are, a 120-day time extension is imperative for the review of the Newhall Ranch/Santa Clara River Permit Plan.

Surely, you must agree that reviewing a 16,000 page document AND verifying the accuracy of it by June 26th is impossible.

We simply need more time. Thank you.
