Re: Newhall Ranch EIR/EIS

The time for review of these reports - 16,000 pages - needs to be extended beyond 6-26.
We have our lives here. This is a huge development which will impact our community in too many ways.
This needs more time for review. Please extend this time frame for review of documentation.

In response to this and other requests, the Corps and CDFG extended the comment period for the Draft EIS/EIR. Please refer to **Topical Response 1: EIS/EIR Public Review Opportunities**.
