Subject: Proposed 21,000 unit on Newhall Ranch Rd

To Whom It May Concern,

I am writing to you to ask for an extension of the proposed 21,000 unit project proposed by Newhall Land and Farming.

The 16,000 page plan will require many experts a significantly longer time to thoroughly read and evaluate the contents. June 26, 2009 is simply not enough time. Please grant an extension for biologist and community members to conduct further research.

Sincerely,
Eileen Daniels
