Subject: Newhall Ranch Opposition

With the rapid and expansive development that has occurred in the Santa Clarita Valley in the last 20 years, we strongly oppose the development plan for Newhall Ranch due to environmental concerns. At the very least, we request that a 120 day extension be given to allow the public to respond to concerns.

Response 1

The Corps and CDFG appreciate the comment provided in your letter. Your opinion regarding the proposed Project will be included as part of the record and made available to decision makers prior to a final decision on the proposed Project. In response to this and other requests, the Corps and CDFG extended the comment period for the Draft EIS/EIR. Please refer to **Topical Response 1: EIS/EIR Public Review Opportunities**.
