Subject: EIS/EIR Public Review Extension

The Department of Fish and Game, in coordination with the U.S. Army Corps of Engineers, is pleased to announce an extension of the public comment and review period for the Newhall Ranch Resource Development and Management Plan (RMDP) and Spineflower Conservation Plan (SCP) Draft EIS/EIR. The public comment period, which began on April 27, 2009, was scheduled to close June 26, 2009. The public

comment period as extended will now close on August 25, 2009.

For additional information about the RMDP and SCP Draft EIS/EIR, the public comment period, and how to submit written comments to the Department, please see the attached notice.

**115. E-mail from L. Schallert, dated June 29, 2009**

---

**Response 1**

This comment acknowledges the extension of the Draft EIS/EIR public review period and no additional response is provided.
