COMMENTS

~~The~~ The rights of private property are maintained by society not by force and come second to the rights of that society to a clean safe and sustainable environment. The individual or subgroups that profits from the use or sale of property must bear the cost of that use or sale, not society at large. Society must be compensated for increased traffic, degraded environment (including air quality, water quality and cost and aesthetic loss). Wild life is an important part of our healthy and sustainable environment.

DATA REQUIRED BY THE PRIVACY ACT

AUTHORITY: 33 CFR 327

PRINCIPAL PURPOSE: Distributed at Public Meetings and Workshops to provide a record of attendees, and to develop a mailing list for future public meetings in keeping with the policy of OCE to conduct Civil Works Program in an atmosphere of public understanding, trust and mutual cooperation. All interested individuals and agencies are to be informed and afforded an opportunity to be heard and their views considered in arriving at conclusions, decisions, and recommendations in the formulation of civil works proposals, plans, projects, and on the proposed uses of navigable waters.

ROUTINE USES: Utilized for determining attendance at Public Meetings; determining who desires to speak at Corps Public Meetings and developing mailing lists for various Corps studies.

DISCLOSURE: Voluntary. Failure to provide information may result in not being contacted for future public meetings, etc.

139. Public Hearing Comment Card from David Lutness, dated June 11, 2009

Response 1

The comment addresses subject areas which received extensive analysis in the Draft EIS/EIR, **Section 4.4**, Water Quality; **Section 4.5**, Biological Resources; **Section 4.7**, Air Quality; **Section 4.8**, Traffic; and **Section 4.15**, Visual Resources. In addition, for further responsive information, please see revised **Sections 4.4, 4.5, 4.7, and 4.8** of the Final EIS/EIR. The comment does not raise any specific issue regarding that analysis and, therefore, no additional response is provided. However, the comment will be included as part of the record and made available to the decision makers prior to a final decision on the proposed Project.

The U.S. Army Corps of Engineers (Corps) and California Department of Fish and Game (CDFG) appreciate the comment provided in your letter. Your opinion regarding the proposed Project will be included as part of the record and made available to decision makers prior to a final decision on the proposed Project.
