

Adopted 2/4/2019

**Casco Busan Trustee Council
Resolution Regarding Disbursement of Funds
for Recreational Use Restoration Projects
for Fiscal Year 2019**

1. The State of California, acting through the Department of Fish and Wildlife (CDFW) and the California State Lands Commission (CSLC); the National Oceanic and Atmospheric Administration (NOAA); and the Department of the Interior (DOI), acting through the U.S. Fish and Wildlife Service (USFWS) and the National Park Service (NPS), are the trustees responsible for restoring those natural resources injured by the discharge of oil from the *M/V Cosco Busan* on November 7, 2007.
2. Sums recovered in the civil action *United States v. M/V Cosco Busan et al.*, and related actions, are being held in the DOI Natural Resource Damage Assessment and Restoration Fund (NRDAR Fund) and the San Francisco Bay Shoreline Parks and Recreational Use account established by the National Fish and Wildlife Foundation (NFWF Rec Account).
3. The trustees have entered into a Memorandum of Understanding (MOU) among themselves creating the Cosco Busan Trustee Council for the purpose of coordinating their trust responsibilities.
4. The MOU requires the Trustee Council to memorialize all decisions authorizing expenditures of funds from the above-referenced accounts in a Trustee Council Resolution signed by the participating voting members. The settlement funds may only be used for the design, implementation, permitting (as necessary), monitoring and oversight of restoration projects and for the costs of complying with the requirements of law to conduct a restoration planning and implementation process. The MOU further requires that in all cases, use of such funds be documented and an accounting provided to the Cosco Busan Trustee Council.
5. The Trustee Council provided implementation funds to the Richardson Bay Audubon Society through a USFWS cooperative agreement for the Aramburu Island Restoration Project. At the end of the cooperative agreement with the Audubon Society \$1,663.11 of unspent allocated funds remained. The Trustee Council acknowledges that the excess funds have been de-obligated from the cooperative agreement and authorizes USFWS to retain these funds and redirect them towards USFWS Cosco Busan Trustee Council administrative and participation costs.
