

California Fish and Game Commission December 2023 Field Trip Details

- Who:** Commissioners, staff, California Department of Fish and Wildlife staff, and members of the public
- What:** Field trip to learn from and meet with members of the commercial fishing fleet and the commercial passenger fishing vessel fleet, and representatives from the Port of San Diego
- When:** Wednesday, December 13, 2023, 3:00 p.m. to approximately 5:30 p.m.
- Where:** Part 1: Tuna Harbor, 800 Embarcadero, San Diego, CA 92101
Part 2: Sportfishing Association of California, 5060 North Harbor Drive, San Diego, CA 92106

The Commission invites members of the public to join commissioners, staff, and California Department of Fish and Wildlife staff for a field trip Wednesday afternoon. Members of the public are welcome to attend but must provide their own transportation.

This field trip takes place indoors and outdoors. Please bring appropriately warm clothing, sun protection, and drinking water for the conditions.

Meeting Location

Part 1: Meet at Tuna Harbor. Meet in the grassy area just south of The Fish Market – San Diego restaurant and north of the public restrooms.

Part 2: Meet at the offices of the Sportfishing Association of California, at the address listed above.

Field Trip Overview

Part 1: (Begins at 3:00 p.m.) The field trip will commence at Tuna Harbor where commercial fishing representatives from San Diego Fishermen’s Marketing Association and the Tuna Harbor Dockside Market will speak with the Commission regarding local commercial fisheries, current issues facing commercial fishers, and fisher’s engagement in visioning the future of fishing as a core part of San Diego port’s future.

Part 2: (Begins at 4:30 p.m.) The Sportfishing Association of California will share information about the participation of its members in scientific data collection projects in collaboration with the scientific community, as well as current priorities and needs of the commercial passenger fishing vessel fleet. In addition, staff from the Port of San Deigo will share topics related to their nature-based solutions and developing aquaculture programs that enhance growth opportunities and port diversification within the Blue Economy sector.

We hope you will join us!
