- 9.01.1 Budget Flexibility:** The Grantee must submit all budget line-item revision requests, in writing, to the CDFW Grant Manager, prior to implementing any changes. All proposed budget changes require prior approval from the CDFW Grant Manager, regardless of budgetary impact.

Informal Budget adjustments between existing line-items may be permitted. Any revision to the Line-Item Budget Detail must comply with Section 5.07 – Amendments. Considerations for informal Budget adjustments, if granted, must include:

1. Revisions which are consistent with the purpose, objectives, and description of the Project as detailed in Section 6 – Project Statement;
2. Revisions that do not increase or decrease the total Agreement amount;
3. Revisions that do not substitute key personnel; and
4. Line-item shifts **within** a budget category (e.g., Field Supplies to Travel) up to \$25,000 or 10% of the Agreement amount, whichever is less.

Formal Budget adjustments will be considered by the Grantor, with prior approval from the CDFW Grant Manager. An amendment to the Agreement is required if a formal Budget adjustment is approved. Considerations for formal amendments, if granted, include:

1. Shifting Grant Funds between budget categories (e.g., Personnel Services to Operating Expenses);
2. Increasing or decreasing the total Agreement amount;
3. Substituting key personnel; or
4. Line-item shifts **within** a budget category (e.g., Field Supplies to Travel) that exceeds \$25,000 or 10% of the Agreement amount, whichever is less.

- 9.01.2 Indirect Costs for Federally Funded Payable Grants:** Indirect costs (Administrative overhead) are those that cannot be directly assigned to a particular grant activity but are necessary to the operation of the organization and the performance of this Project. Indirect costs include operating and maintaining facilities, accounting services, and administrative salaries that cannot be recovered in other budget categories.

In accordance with the Federal Uniform Grant Guidance 2017 (2 CFR 200), Grantees have two options for requesting indirect costs:

**QXX91XXX (Box 2, DFW 177)**

**GRANTEE LEGAL NAME (Box 3, DFW 177)**

1. Use their federally approved Indirect Cost Rate. Federal approval documentation and a supporting budget spreadsheet must be included as supplemental information; OR
2. Use De Minimis rate, an amount up to 10% of the Grantee's Modified Total Direct Costs (MTDC). The MTDC base cannot include any distorting costs, such as equipment, rent, capital expenditures, or any sub-awards, contracts, or consultants beyond the first \$25,000.

Per 2 CFR §200.68:

Modified Total Direct Cost (MTDC) all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and subawards and subcontracts up to the first \$25,000 of each subaward or subcontract (regardless of the period of performance of the subawards and subcontracts under the award). MTDC excludes equipment, capital expenditures, charges for patient care, rental costs, tuition remission, scholarships and fellowships, participant support costs and the portion of each subaward and subcontract in excess of \$25,000. Other items may only be excluded when necessary to avoid a serious inequity in the distribution of indirect costs, and with the approval of the cognizant agency for indirect costs.

## **9.02 Payment Provisions:**

**9.02.1 Disbursements:** The Grantor will disburse Grant Funds to the Grantee not more frequently than [monthly, quarterly, annually] (must match frequency in the deliverable table and Box 17, DFW 177) in arrears, upon receipt of an original itemized invoice and any required mandatory documentation as identified in Section 6.07 – Schedule of Due Dates and Deliverables.

**9.02.2 Invoice Documentation:** Each invoice for payment must be accompanied by a written description, not to exceed two pages in length, of the Grantee's performance under this Agreement since the time the previous such report was prepared. The report shall describe the types of activities and specific accomplishments during the period for which the payment is being made rather than merely listing the number of hours worked during the reporting period. The Final Invoice must include a budget summary of all cost share expenditures by fund source, as applicable. The CDFW Grant Manager will provide the Grantee with a sample invoice template upon request. The Final Invoice is due in accordance with Section 6.07 – Schedule of Due Dates and Deliverables. The invoice package must be either mailed hard copy or electronic submission to the CDFW Grant Manager contact located in Section 7 – Contacts.
