Dear Chris McColl:

The California Department of Fish and Wildlife (Department) has completed its review of your resubmitted bank amendment package received by the Department on June 14, 2023, for the Colusa Basin Mitigation Bank. The Department has determined the bank amendment package is complete and complex.

The Department has 90 days from June 23, 2023 to determine whether or not the bank amendment package is acceptable. During this 90-day review period, further clarifying or supplemental information may be requested from you.

At the end of the review period the Department will provide you written notification of its determination, which is distinct from any determination by another signatory agency.
