## Important Committee Meeting Procedures Information

### ***Welcome to a meeting of the California Fish and Game Commission Tribal Committee!***

The committee is composed of and chaired by up to two commissioners; these assignments are made by the Commission each year.

The goal of the Tribal Committee is to allow greater time to investigate issues before the Commission than would otherwise be possible. Committee meetings are less formal in nature and provide for additional access to the Commission. The committee follows the noticing requirements of the Bagley-Keene Open Meeting Act. It is important to note that the committee chairs cannot take action independent of the full Commission; instead, the chairs make recommendations to the Commission at regularly scheduled meetings.

The Commission's goal is preserving our outdoor heritage and conserving our natural resources through informed decision-making; committee meetings are vital in developing recommendations to help the Commission achieve that goal. In that spirit, we provide the following information to be as effective and efficient toward that end. Welcome, and please let us know if you have any questions.

### **Persons with Disabilities**

Persons with disabilities needing reasonable accommodation to participate in public meetings or other Commission activities are invited to contact the Department's Civil Rights Office (CRO) [formerly the Equal Employment Opportunity Office] at (916) 653-9089 or [CRO@wildlife.ca.gov](mailto:CRO@wildlife.ca.gov). Accommodation requests for facility and/or meeting accessibility and requests for American Sign Language Interpreters should be submitted at least two weeks prior to the event. Requests for real-time captioners should be submitted at least four weeks prior to the event. The timeframes are to help ensure that the requested accommodation is met. If a request for an accommodation has been submitted but is no longer needed, please contact the CRO Office immediately.

### **Stay Informed**

To receive meeting agendas about those subjects of interest to you, visit the Commission's website, [www.fgc.ca.gov](http://www.fgc.ca.gov), to sign up on our electronic mailing lists.

### **Submitting Written Comments**

The public is encouraged to attend committee meetings and engage in the discussion about items on the agenda; the public is also welcome to comment on agenda items in writing. You may submit your written comments by one of four methods (only one is necessary): **Email** to [fgc@fgc.ca.gov](mailto:fgc@fgc.ca.gov); **mail** to California Fish and Game Commission, P.O. Box 944209, Sacramento, CA 94244-2090; **deliver** to California Fish and Game Commission, 715 P Street, 16<sup>th</sup> floor, Sacramento, CA 95814; or **hand-deliver** to a committee meeting.

### **Comment Deadlines**

The **Written Comment Deadline** for this meeting is **5:00 p.m. on April 4, 2024**. Written comments received at the Commission office by this deadline will be made available to Commissioners prior to the meeting.

The **Supplemental Comment Deadline** for this meeting is **noon on April 12, 2024**.

Comments received by this deadline will be made available to commissioners at the meeting.

After these deadlines, written comments may be delivered in person to the meeting. Please bring **six** copies of written comments to the meeting and give them to the designated staff member just prior to speaking.

*The Committee **will not** consider comments regarding proposed changes to regulations that have been noticed by the Commission. If you wish to provide comment on a noticed item, please provide your comments during Commission business meetings, via email, or deliver to the Commission office.*

**Note:** Materials provided to the committee may be made available to the general public.

### **Petitions for Regulation Change**

As a general rule, requests for regulation changes must be directed to the Commission and submitted on the required petition form, FGC 1, *Petition to the California Fish and Game Commission for Regulation Change* (Section 662, Title 14, California Code of Regulations). However, at the committee's discretion, the committee may request that staff follow up on items of potential interest to the committee and possible recommendation to the Commission.

### **Speaking at the Meeting**

Committee meetings operate informally and provide opportunity for everyone to engage in the dialogue on agenda items. If you wish to speak about an item, please follow these guidelines:

- You will be given instructions during the meeting for how to be recognized by the committee co-chair(s) to speak.
- Once recognized, please begin by giving your name and affiliation (if any) and the number of people you represent.
- Time is limited; please keep your contributions concise so that everyone has an opportunity to speak.
- If there are several speakers with the same concerns, please try to appoint a spokesperson and avoid repetitive dialogue.
- If speaking during general public comment for items not on the agenda, the subject matter you present should not be related to any item on the current agenda (discussion of agenda items will take place at the time the committee members consider that item). As a general rule, general public comment is an opportunity to bring matters to the attention of the committee, but you may also do so via email, standard mail, or delivery to the Commission office. At the discretion of the committee, staff may be requested to follow up on the subject you raise.
