The agenda items listed above may be considered in a different order pursuant to the determination of the project director. Times listed on the agenda are approximate only. At the discretion of the Stakeholder Advisory Group (SAG) Science Working Group, all items appearing on this agenda, whether or not expressly listed for action, may be deliberated upon and may be subject to action.

Meetings of this SAG Science Working Group are subject to the Bagley-Keene Open Meeting Act and will include opportunities for public comment. Comments during the public comment period shall be limited to matters within the SAG Science Working Group's scope.

Public comment is taken prior to a vote on any action item as well as at the end of the meeting. If you wish to speak, please complete a voluntary speaker card provided at the meeting. Prior to making your comments, please state your name for the record and identify any group or organization you represent. Depending on the number of individuals wishing to address the SAG Science Working Group, the project director may establish specific time limits on presentations.

If presenters intend to provide exhibits or handouts to the SAG Science Working Group members, copies must be provided to Melissa Miller-Henson (Melissa@resources.ca.gov or 916.654.2506) at least five days prior to the meeting for distribution to the members and to the public in attendance at the meeting.

Any person who wishes to request this notice or other meeting materials in an alternative format, requires translation services, or needs any disability-related modification or accommodation, including auxiliary aids
