Dear Allegra Bukojemsky:

The California Department of Fish and Wildlife (Department) has completed its review of your bank agreement package, dated April 2024, for Johnson Cosumnes Mitigation Bank. The Department has determined that the bank agreement package is complete.

The Department will subsequently have 90 days from the date of this letter to determine whether or not the bank agreement package is acceptable. During this 90-day review period, further clarifying information may be requested from you. The Department will then provide you written notification of its determination, which is distinct from any determination by another signatory agency.

For further assistance on the banking process please visit the Department's web site at <https://www.wildlife.ca.gov/Conservation/Planning/Banking>.
