

## California Fish and Game Commission August 14, 2024 Field Trip Details

- Who:** Commissioners, staff, California Department of Fish and Wildlife staff, and members of the public
- What:** Discuss development plans, updates, and impacts of the offshore wind project in and around Humboldt Bay
- When:** Wednesday, August 14, 2024, approximately 3:45 p.m. to 6:00 p.m.\*\*\*
- Where:** Humboldt Bay Harbor District Office, 601 Startare Drive, Eureka, CA 95501

The Commission invites members of the public to join commissioners, staff, and California Department of Fish and Wildlife staff for a field trip Wednesday afternoon. Members of the public must provide their own transportation. The field trip will be focused on the offshore wind project being developed in and around Humboldt Bay, including its economic significance and potential impacts to other community industries, such as aquaculture and commercial fisheries.

The field trip will begin in the Humboldt Bay Harbor District office conference room with introductions and a brief description of the offshore wind project under discussion. A small subset of attendees (commissioners, a few staff, CDFW staff, and between one and three members of the public) first will take a short boat cruise around the bay for approximately 35-40 minutes to see some of the notable sites related to the project, to provide context for the conversation to follow at the harbor district office. Other participants, including representatives for the project developer, commercial fishing, aquaculture, fish processing, environmental non-governmental organizations, and staff not on the boat trip, will have a chance to converse in a casual setting at the harbor district office with beverages and light snacks while the boat tour is underway.

\*\*\*Timing is dependent upon when the Commission meeting ends. If you are able to watch or listen to the meeting webcast or webinar in the afternoon, it is recommended to meet at the Humboldt Bay Harbor District office approximately 30 minutes after the meeting ends.

### ***Meeting Location***

Humboldt Bay Harbor, Recreation and Conservation District  
Woodley Island Marina on Woolsey Island  
601 Startare Drive  
Eureka, CA 95501
