End of Report

Total Records: 1,270,840

\* The commercial landings for kelp and other marine algae, as reported here, do not reflect actual harvest in California as license holders do not sell their harvest to fish dealers or processors. Commercial kelp and other marine algae harvest data can be found on the California Department of Fish and Wildlife's Commercial Kelp and Other Marine Algae webpage (<https://wildlife.ca.gov/Conservation/Marine/Kelp>).
