

LIVESTOCK LOSS DETERMINATION

California Department of Fish and Wildlife

Investigation ID: 063024-LAS

Date Investigated: 6/30/24

Cause of Death:

- Confirmed Wolf
- Probable Wolf
- Possible Wolf
- Non-Wolf Depredation
- Non-Depredation
- Unknown

General Area: Western Lassen County, private property, Harvey pack area

General situation and animal information: A dead calf was found on June 30 and was investigated the same day by Wildlife Services personnel.

Physical evidence of wolf predation: The size and location of teeth marks with associated premortem hemorrhage were indicative of wolf depredation.

Evidence of wolf presence near the time of the animal(s) death/injury: The calf carcass was found within a cluster of location points from WHA05F's satellite collar.

Summary: Evidence indicated the calf was killed by wolves.
