Fish and Game Commission

*Wildlife Heritage and Conservation
Since 1870*

August 21, 2024

TO ALL INTERESTED AND AFFECTED PARTIES:

Pursuant to the requirements of California Government Code Section 11346.8, subdivision (c), and Section 44 of Title 1 of the California Code of Regulations, the California Fish and Game Commission is providing you with a notice of sufficiently related changes to the proposed regulations concerning marine logbooks and fishing block charts, published in the California Regulatory Notice Register on May 31, 2024, Notice No. Z2024-0517-01, and adopted by the California Fish and Game Commission (Commission) on August 14, 2024.

This notice provides notification of a revision to the proposed amendments to the regulatory language in Section 190, Title 14, California Code of Regulations (CCR).

Because these regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that we make these changes available to you for a fifteen-day written comment period. The proposed changes to the regulations are clearly indicated on the attached revised proposed regulatory language as follows: additions of newly proposed text are shown in double underline; originally proposed text that is now proposed for deletion is shown in ~~single underline double strikeout~~; originally proposed text not affected by the changes described in this notice is indicated in single underline.

Pursuant to APA requirements, we are providing you with the full text of all sections of the originally proposed regulatory language; however, there are no revisions to the originally proposed regulatory language in sections 120.7, 122, 165, and 705.1, Title 14, CCR.

Please refer to the attached description of the specific edits to the regulatory language.

Written comments on the revisions to the proposed regulatory language that are mailed or emailed to the Commission office, must be received between August 23, 2024 and September 7, 2024 at 5:00 p.m. and may be sent via email to fgc@fgc.ca.gov or mailed to Melissa Miller-Henson, Executive Director, California Fish and Game Commission, P.O. Box 944209, Sacramento, California 94244-2090.

Please refer to the original notice (<https://fgc.ca.gov/Regulations/2024-New-and-Proposed#sec-120-7>) for more information.

Sincerely,

Jenn Bacon
Regulatory Analyst
