

IEP Data Management Plan

Project Element Number:

249

Year:

2024

Date Updated:

04/13/2023

Start Date:

01/01/2024

Study Title

IEP Gear Efficiency Evaluations in Support of Modeling Efforts for Delta Smelt

Principal Investigator

Lara Mitchell, USFWS, Lara_Mitchell@fws.gov, (209) 334-2968 x 345

Point of Contact

Same as above

Data Description

We will use fish survey data collected routinely by CDFW (Spring Kodiak Trawl Survey, Fall Midwater Trawl Survey, 20-mm Survey, etc.) and USFWS (Enhanced Delta Smelt Monitoring program). These datasets are available online and by request from these agencies.

Related Data

NA

Metadata

Metadata are available from the agencies collecting the survey data. Information on how the data were used in the analyses will be provided in a technical report and potential manuscript.

Storage and Backup

NA

Archiving and Preservation

NA

Format

Any processed datasets produced as a result of this Element would likely be in spreadsheet (.xlsx or .csv) format.

Quality Assurance

QA/QC of raw survey data is carried out by CDFW and USFWS staff according to agency guidelines.

Access and Sharing

Raw survey data are shared by the collecting agencies according to their respective Data Management Plans (Summer Towntnet: PEN 007, Fall Midwater Trawl: PEN 003, Spring Kodiak Trawl: PEN 088, 20-mm Survey: PEN 033, EDSM: PEN 325). Any processed datasets produced as a result of the analyses in this Element will be available upon request.

Rights and Requirements

CDFW policies on data quality are available to the [Science Institute](https://www.wildlife.ca.gov/Science-Institute) web page. URL: <https://www.wildlife.ca.gov/Science-Institute>. Data use rights and requirements for federal government datasets can be found on the [Learn about copyrighted government works](https://www.usa.gov/copyrighted-government-works) web page.
