

Staff Summary for February 12-13, 2025

17. State Water Resources Control Board Presentations**Today's Item****Information** **Action**

Receive and discuss presentations from leadership at the State Water Resources Control Board (Board) regarding actions the Board has recently taken, or will consider in the near future, to contribute clean and cold water to California's rivers and streams, and to help ensure healthy habitats for the state's fish and wildlife.

This item has been postponed to a future meeting to prioritize Los Angeles wildfire recovery efforts.
