

State Wildlife Action Plan

The California Department of Fish and Wildlife (CDFW) invites you to participate in one of two public information sessions to share information about the upcoming release of the draft State Wildlife Action Plan (SWAP) 2025 and gather public input. Both sessions will include dedicated time for public questions.

Additional information, including background information on California's SWAP, is available on the [California SWAP website](#). The draft SWAP and online comment form will be posted online on Monday, March 3rd and available until Monday, March 31st.

Workshops will be held online on the following dates. The presentation for both sessions will be the same. Register for either below:

March 5, 2025 from 6:00 – 8:00 pm
