

**Region 6 Barrier ID: W144 (Barrier).**

**Barrier Name:** Fontana Union Water Company Operational Berm.

**Linear Infrastructure:** Fontana Union Water Company Operational Berm.

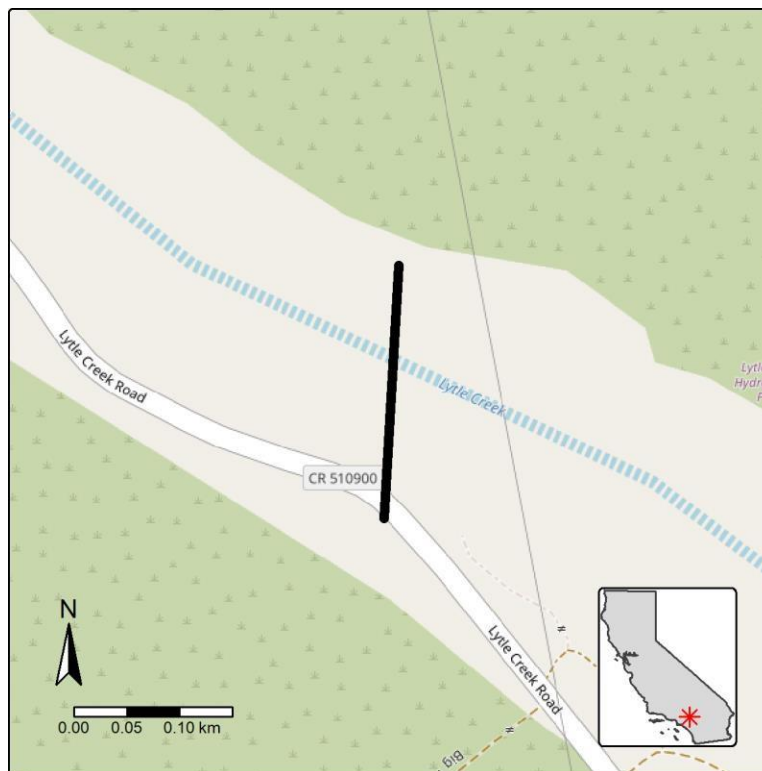

**Geographic Area:** Transverse/Peninsular Ranges San Bernardino County, Caltrans District 8.

**Length:** 0.20 km (0.12 mi).

**Target Species:** Los Angeles pocket mouse (*Perognathus longimembris brevinasus*), speckled dace (*Rhinichthys osculus*).

**Connectivity Concerns:** This dam across upper Lytle Creek impedes movement of fish species into the upper reaches of Lytle Creek.

**Remediation Goals:** No real opportunities for remediation.

**Figure:** Barrier W144 Lytle Creek in San Bernardino County.
