6. General Public Comment**Today's Item**Information Action

The Committee may not discuss or take action on any matter raised during this item, except to consider whether to recommend that the matter be added to the agenda of a future meeting.

Summary of Previous/Future Action (N/A)**Background**

The Wildlife Resources Committee (WRC) receives two types of correspondence or comment under general public comment: Informational items and requests for WRC to consider new topics. As a general rule, requests for regulation changes must be submitted to the Commission on form FGC 1, "Petition to the California Fish and Game Commission for Regulation Change." However, WRC may, at its discretion, request staff to follow up on items of potential interest for possible recommendation to the Commission.

Significant Public Comments (N/A)**Recommendation**

Staff recommends any potential new agenda items — based on issues raised today — be discussed under Agenda Item 7, *Future agenda items*.
