10. General Public Comment**Today's Item****Information** ☒**Action** ☐

Receive public comment regarding topics within the Commission's authority that are not included on the agenda.

Summary of Previous/Future Actions (N/A)**Background**

This item is to provide the public an opportunity to address the Marine Resources Committee (MRC) on topics not on the agenda. Staff may include written materials and comments received prior to the meeting as exhibits in the meeting binder (if received by the written comment deadline), or as supplemental comments at the meeting (if received by the supplemental comment deadline).

MRC receives two types of correspondence or comment under general public comment: (1) requests for MRC to consider new topics and (2) informational items. As a general rule, requests for a regulation change must be submitted to the Commission on petition form FGC 1, *Petition to the California Fish and Game Commission for Regulation Change*. However, MRC may, at its discretion, request that staff follow up on items of potential interest for possible recommendation to the Commission.
