The Marine Resources Committee recommends the following grouping of petitioned actions approach(es) for reviewing and discussing petitions, evaluations, and recommendations:

Grouping Considerations

Goal of proposed petition groupings:
Discuss MPA by MPA in each bioregion North
to South.

Goal of proposed petition groupings:

Discuss MPA by MPA in each bioregion North to South.

Steps to Organize

1. Order MPAs N to S within bioregion
2. Split petitions into their petitioned actions for each MPA
3. Tribal petitions separate *or* built into bioregion.

Bioregions

- **Northern:** California/Oregon border to San Francisco Bay
- **Central:** San Francisco Bay to Point Conception
- **Southern:** Point Conception to US/Mexico border

Overview of Each Bioregion
